Special thanks for all the contributions:

Our Featured Guest, Philip Bravin, ’66

*Deaf President Now*—One of just four Deaf Board of Trustee members in 1988, Bravin was chair of the presidential search committee responsible for the selection and screening of Gallaudet President finalists. Bravin became the intermediary between student leaders and the Board during the protest. The Board reversed its decision and named the eighth president of Gallaudet—the very first Deaf president since the institution was established in 1864.

COME ONE, COME ALL!
You do not have to be a Gallaudet graduate to attend.
