Panoramic Photographer Needed for 2014 Gallaudet Reunion

Gallaudet University, located at 800 Florida Avenue, N.E., in Washington, D.C., is seeking a professional photographer to take panoramic photographs of Gallaudet Reunion attendees on Saturday, July 12, 2014.

Scope of Work:

Photographer will take panoramic photographs of the Reunion Group (estimated 2,000 alumni, faculty, staff and friends of the University).

- The photographs will be taken with the participants positioned in the Hotchkiss field bleachers.
- The photographer will take digital-based, high-resolution photos, to be made into 2,000 prints of standard size (to be determined) that will be distributed on the same day. The photographer will cover the expenses.

Gallaudet University will retain all rights to the photographs.

Deadline for proposals: February 2, 2014

Proposal Requirements:

- Professional qualifications, including information on experience with taking large group portraits.
- Samples of group portraiture work; can be on a thumb drive or as a link to a website
- Statement on whether an assistant at the photo shoot will be provided; what equipment, if any, will be required from the University for aerial use; whether large-quantity printing will be included in the performance or if an outside vendor will be required, and identification of that vendor; and whether additional types of support will be required.
- Pricing for the shoot and same-day printing services.
