© 2020 Sorenson Communications, LLC. If you use Sorenson as your default provider, you can port your existing 10-digit number to Sorenson from another provider or Sorenson can provide you with one for the geographic area where you live or work. If you later change your default provider, you can port your number to that provider. When selecting Sorenson, you must provide to Sorenson the physical address (i.e., the registered location) from which you are placing the call, so that Sorenson can properly route any 911 calls you may make. If you move or change your location, you must notify Sorenson immediately. You can update your registered location from your Sorenson videophone by calling 800-480-6028 or by visiting www.svrs.com/updates. Sorenson will confirm receipt of your registered location information. Emergency calls made to the national toll-free emergency number 800-480-6028 are not subject to the ability to dial 911 if those calls are initiated outside the United States or if you have international service and your 911 calling service is not enabled. If you are not updated your registered location, for more information on the process of obtaining 911-digit numbers outside the United States and other associated information, please visit www.svrs.com/updates. For more information on toll-free numbers, please visit www.svrs.com/toll-free.

Greetings

from the University President

Greetings!

My family and I wish to extend our congratulations to each of you for having been chosen to represent your school or program to compete in this exciting and prestigious academic competition.

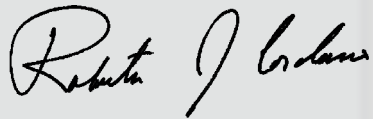

Gallaudet University is proud to sponsor this important academic competition, our second ever online competition. This year's format may be different, but the goal of the Academic Bowl competition remains the same: to provide deaf and hard of hearing students the opportunity to pursue academic excellence in an exciting competition that encourages broad knowledge and promotes sportsmanship.

There is no other place like Gallaudet University in the world. Here, you can connect with other deaf and hard of hearing students from all over the globe and see the beauty of our language, our people, and our community. You will discover things about yourself and your preferred field of study. After making those discoveries, you will go out in the world and have the opportunity to influence your field of study, your workplace, and the deaf and hard of hearing community at large.

I would like to express my thanks and appreciation to Jesse Saunders, Director of Youth Programs, and Casey Johnson-Pasqua, Youth Programs Specialist. They adapted quickly to the past year's rapidly changing situation, and worked tirelessly to make this online competition a possibility for all of you. Congratulations to you, and to your families and schools.

Let's stay socially connected while keeping physically distant. We are all in this together. Stay safe and healthy.

Sincerely,

Roberta J. Cordano
President

EMERGENCY MEETING!

I am excited to report all of the occurrences that have been reported for the 2021 East Regional competition!

You, one of the crewmates, have been so busy focusing on performing your tasks of obtaining victory in the tournament bracket. Working with your other crewmates, it is not an easy feat. Reading the questions, discussing with your crewmates, double checking on each other's spelling, and putting it into a vote of agreeing on the correct answer in hopes of not getting the imposter answer in a short amount of time. With the ultimatum task of obtaining victory at the end of the tournament bracket, all of the teams have vented throughout the week in a blink of an eye unlike waiting for the documents to finish scanning in the Admin room. At the end, six teams have found their victory. Congratulations!

I want to thank all of you, players, coaches, and the Youth Programs team consisting of the Academic Bowl Executive, Youth Programs Ambassadors, and the Youth Programs office for staying connected to Academic Bowl from different areas of the country.

GG! Stay safe and healthy! Don't forget to mask up!

Sincerely,

Casey Johnson-Pasqua
