Guide to the Certification of Finances Form
Student’s Required Financial Documents

The U.S. Citizenship and Immigration Services (USCIS) regulations require all international applicants to provide evidence of adequate financial support before they may obtain the immigration documents form I-20 or DS-2019. These forms can be used to apply for a student visa.

Directions: To demonstrate that you have adequate financial support, you must complete and send the Certification of Finances Form below and original, official documents that show you have sufficient funds to pay at least the fixed/estimated costs of one academic year.

In the link below, please check the fixed/estimated costs for international students in the English Language Institute (ELI) at Gallaudet University.

The link is coming soon. If you have any questions, please email eli.office@gallaudet.edu.

If the link above does not work for any reason, you may find the tuition and fee schedules that Gallaudet University provides in this link below.

https://www.gallaudet.edu/finance/student-financial-services/tuition-and-fees

If you plan to live on campus in one of the dormitories, the room rates can be found in this link below.

http://www.gallaudet.edu/residence-life-and-housing/housing/room-rates/

The estimated cost of living on campus for one academic year must be included as part of the total fixed/estimated costs for the purposes of providing financial evidence for your ELI application.

Disclaimer: This information is provided as a guide only and is not considered a contract or binding on the University. The University reserves the right to change tuition costs, fees, and other charges at any time without notice.
Estimated Additional Costs:

➢ You should plan to have at least $5,000 for personal expenses each academic year.

➢ If you plan to stay at Gallaudet through the winter and summer vacation periods, you will need an additional $5,000.

➢ If your family will stay with you while you are a student, plan an additional $8,000 for your spouse and $5,000 for each child.

Summer School: Gallaudet offers additional courses during Summer School (May-August). Most academic programs do not require students to take Summer School courses. Summer School courses require additional tuition and fees. Consult the Student Accounts office for a list of these additional charges.

The total amount of funds shown in these support documents must equal or exceed the fixed costs for one academic year in the ELI.

Steps:

1. You must obtain two original, official copies of each support document.
2. Add one copy of each document to this Certification of Finances Form and send it to the English Language Institute (ELI) at Gallaudet University.
3. When your documents are received and approved, the ELI will send you a completed Form I-20 or DS-2019.
4. You will take the Form I-20 or DS-2019 and your second official copy of the supporting documents to the American Embassy or Consulate to apply for your student visa. Canadian students do not need a student visa.

• Required for all Applicants: Documents must be in English and bear a signature or be on letterhead from an official agency. Please obtain a receipt from the Gallaudet University Finance Office for the advance deposit if this payment will be your primary source of financial evidence.

Note: These documents must be less than three months old when presented to Gallaudet University.

Gallaudet University reserves the right to require advance payment of one full academic year's costs before issuing a Form I-20. This payment will be held in trust by Student Financial Services and applied to the student's account when the student officially enrolls. If the student is unable to enroll due to a visa denial or to other reasons, the money will be refunded upon written request.

Guide to Completing the Sponsor's Affidavit of Annual Cash Support Form

What is the implication of this affidavit?

By completing this affidavit, you (sponsor) are sworn to the United States government that you will support the student with a specific amount of money from your own financial resources for each year of the student’s studies and residence at Gallaudet University in the United States of America. Please note that you also must add documents with proof to show that you are sworn to support that student every year.

By signing the affidavit, you are making a financial commitment to the student that you must not break. Sponsors who fail to provide the sworn support will force students to leave school. Do not expect that the student will be able to help support the costs through employment. Employment is strictly controlled by the Immigration Service and is very limited.

How to complete the enclosed Sponsor's Affidavit of Annual Cash Support Form:

➢ Fill out affidavit form in ENGLISH!

➢ Promise to give only as much money as you can afford. *The most common reason we reject affidavits is because we do not believe a sponsor can pay the amount of money he or she has promised.*

➢ Add proof of financial capability document(s) as explained below.

Proof of Financial Capability Documents:

You must prove that you are financially capable of supporting EACH YEAR of your student’s studies by adding a proof of income document and bank statements. (If one of these documents is not added, your support will not be considered).

➢ **Proof of Income Document.** This must be on your employer's business stationary, on income tax returns, or receipts, or estimates by a bank with a private account if you are self-employed. The income of your company will not be accepted as proof of income. You must provide an official statement of the salary paid to you or it must be on tax returns.

➢ **Bank Statements** must be in your name and your statement must state the following information: date when your account was opened, current balance in U.S. dollars, average deposits and average balances. We cannot accept statements that do not specify balances unless it is stated to be a minimum of $100,000 US. If another person’s name appears on your bank statement, that person must complete a separate affidavit or submit a statement permitting those funds to be considered as financial support for the student.

➢ **A Bank Letter** must be submitted with the account balance on the letterhead of the bank where the banking account mentioned above is located. The bank letter must be in English and must specify the balance in US dollars.

Documents must be:

➢ Current (less than three months old)

➢ In English

You will submit an advance deposit for how many semesters? One semester ☐ Two semesters ☐

I understand that if I do not provide an advance payment or a governmental financial guarantee for each semester by the advance payment deadlines, the student cannot register for any classes at Gallaudet University, may lose F-1 or J-1 status, and may be required to return to his or her country immediately.

The advance payment deadline for a new student that will attend ELI Student Orientation (ESO) is Arrival Day for new ELI students. Please check the ELI website (https://www.gallaudet.edu/english-language-institute/eli-academics/eli-schedule) for the dates. The advance payment deadline for a returning student is the deadline for business registration. Please check the Gallaudet University undergraduate academic calendar (https://www.gallaudet.edu/registrar/academic-calendars) for the dates.

During the semester, the student may incur additional charges. When this happens, the balance due must be paid off by the final balance due deadlines listed on the undergraduate academic calendar on the Gallaudet University website.

I also understand that the student is ultimately responsible for paying the balances due to Gallaudet University.

13. Grace Period Form

Print Applicant Name: ____________________________________________________________

Below is important information for the student and his/her family or financial sponsor about grace periods. F-1 visa holding students who, after completing the semester, decide that they will not return for the next semester, have 60 days, (the 60-day count starts from the last day of exams), to depart the United States, transfer to another school, or change to another visa category. J-1 visa holding students have only 30 days to do the same. Students who are unable to complete business registration are subject to the same rules for grace periods. The family is expected to be prepared to purchase a return flight ticket in case this happens.

Students who withdraw during the semester (when the semester is ongoing), have 15 days from the day they obtained the "Exit/Withdrawal" form from the Registrar's Office, to depart the United States, or change to another visa category.

For more information on F-1 grace periods, please use this link below.
http://www.gallaudet.edu/research-support-and-international-affairs/international-affairs/international-student-services/f-1-status-information/f-1-grace-periods

As a student, I understand that it is my responsibility to pay off debts due to Gallaudet University on a timely basis. If a final balance due deadline has passed and I still have an outstanding balance or I cannot complete business registration before the current semester’s deadline, I understand that I must leave the USA before the grace period is finished. I understand this policy and agree to abide by it.

Guide to Completing the Health History Form

All Gallaudet students, including ELI students, must complete and mail a Student Health History form by June 1 (for Fall admission) or November 1 (for Spring admission). The student completes the first three pages, but a doctor or another health care provider must complete page 4. A medical examination is necessary if you plan to play sports. ELI students are not allowed to play varsity sports, but can participate in intramural sports. The form is kept on file for use in a medical emergency, even if the student does not purchase the Gallaudet medical insurance policy. For more information about Student Health Services, please use this link: http://www.gallaudet.edu/student-health-service. The website address for the student health history form is listed below.

Health History Form (Please print and fill out)

b. Please fill out the health history form to the best of your ability.
c. Then make an appointment to see a doctor in your country near your home in order to get a signature.
   There should be a doctor's signature on the last page.
d. Please get any missing immunization shots while at the doctor's office.
e. Make copies of the completed medical form and your immunization records. Please bring these copies with you to Gallaudet University.
f. The original completed health history form needs to be sent to Student Health Services (SHS).
g. Please note that if SHS does not get your health history form, you will not be allowed to attend classes for the semester. If there are any missing immunization shots after you arrive on campus, you will be required to get them at a medical clinic here in the USA in order to register for classes.

If you have any questions about the health history form, contact Student Health Services via their email address SHS@gallaudet.edu, phone number (202) 651-5090 (V/TTY), or fax number (202) 651-5743.

15. Student Health Service Form

Print Applicant Name: _____________________________________________________________

**Directions:** Please fill out this form and sign the Affirmation section below after submitting the completed Health History Form to Student Health Service via postal mail to the address listed below.

The English Language Institute program does not have the proper facilities to receive health history forms, which are under separate patient confidentiality regulations from the Health Insurance Portability and Accountability Act (HIPAA), including highly controlled and secure patient file storage. The completed Health History Form needs to be submitted to Student Health Service (SHS) at this address below.

**Gallaudet University**  
Peter J. Fine Student Health Service  
800 Florida Ave NE  
Washington, DC 20002-3695  
USA

SHS will review your Health History Form and send you an email if there are any missing immunization shots that you need to get for yourself at a doctor's office near your home. If your Health History Form is complete, SHS will place a clearance on your student account at Gallaudet University and remove the immunization block. If you do not complete the Health History Form and get all the necessary immunizations before your arrival on campus, you will still have a SHS hold on your student account.

**Date the Health History Form was mailed to Student Health Service:** ______ ______ ______  
Month        Day         Year

**Affirmation:** I understand that if I do not receive a clearance from Student Health Service, I cannot register for any classes at Gallaudet University. In this case, I would need to go to an outside medical clinic, (which may charge $600-$700), get my immunization shots, bring the immunization records from the medical clinic to SHS, and wait to receive a clearance from SHS before I can register for classes.
