Guide to Completing the Health History Form

All Gallaudet students, including ELI students, must complete and mail a Student Health History form by June 1 (for Fall admission) or November 1 (for Spring admission). The student completes most of the form, but a doctor or another health care provider must complete the last page. A medical examination is necessary if you plan to play sports. ELI students are not allowed to play varsity sports, but can participate in intramural sports. The form is kept on file for use in a medical emergency, even if the student does not purchase the Gallaudet medical insurance policy. For more information about Student Health Services, please use this link: http://www.gallaudet.edu/student-health-service. The website address for the student health history form is listed below.

   (This link needs Adobe Reader).
b. Please fill out the health history form to the best of your ability.
c. Then make an appointment to see a doctor in your country near your home in order to get a signature.
   There should be a doctor's signature on the last page.
d. Please get any missing immunization shots while at the doctor's office.
e. Make copies of the completed medical form and your immunization records. Please bring these copies
   with you to Gallaudet University.
f. The original completed health history form needs to be sent to Student Health Services (SHS).
g. Please note that if SHS does not get your health history form, you will not be allowed to attend
   classes for the semester. If there are any missing immunization shots after you arrive on campus,
   you will be required to get them at a medical clinic here in the USA in order to register for classes.

If you have any questions about the health history form, contact Student Health Services via their email
address SHS@gallaudet.edu, phone number (202) 651-5090 (V/TTY), or fax number (202) 651-5743.

2. Student Health Service Form

Print Applicant Name: _____________________________________________________________

Directions: Please fill out this form and sign the Affirmation section below after submitting the completed Health History Form to Student Health Service via postal mail to the address listed below.

The English Language Institute program does not have the proper facilities to receive health history forms, which are under separate patient confidentiality regulations from the Health Insurance Portability and Accountability Act (HIPAA), including highly controlled and secure patient file storage. The completed Health History Form needs to be submitted to Student Health Service (SHS) at this address below.

Gallaudet University
Peter J. Fine Student Health Service
800 Florida Ave NE
Washington, DC 20002-3695
USA

SHS will review your Health History Form and send you an email to your Gallaudet University email account if there are any missing immunization shots that you need to get for yourself at a doctor’s office near your home. If your Health History Form is complete, SHS will place a clearance on your student account and remove the immunization block. If you do not complete the Health History Form and get all the necessary immunizations before your arrival on campus, you will still have a SHS hold on your student account. Upon arrival, you must already have your COVID19 vaccination for at least two weeks prior to coming to Gallaudet University even if it is just the first dose. The second dose can be administered at Student Health Service on campus.

Date the Health History Form was mailed to Student Health Service: ______  ______  ______
Month        Day         Year

Affirmation: I understand that if I do not receive a clearance from Student Health Service, I cannot register for any classes at Gallaudet University. In this case, I would need to go to an outside medical clinic, (which may charge $600-$700), get my immunization shots, bring the immunization records from the medical clinic to SHS, and wait to receive a clearance from SHS before I can register for classes.
