## NOTEWORTHY

three teams that played in the 2014 AVCA Sand Volleyball National Championships.

- No. 1 Pepperdine, No. 3 Florida State, No. 9 Florida International and No. 10 Georgia State are all on Carolina's schedule this season.
- Pepperdine is the defending national champion, while Florida State finished runner-up at the national championship last season. Florida International also played in last year's national championship.

### NCAA Championship Coming

- Division I, II and III have approved sand volleyball as a championship and will make it a full-fledged NCAA Championship in the spring of 2016.
- The fastest emerging sport in NCAA history had 50 schools sponsoring the sport as of January 2015.
- The sport had just 16 teams in its inaugural season in 2012. Carolina was the first school in the SEC to add the sport, followed by LSU.
- The 2016 championship will feature an eight-team bracket with a double elimination format and will be held in early May.

### There's a Difference?

- Although sand volleyball and indoor volleyball have plenty of similarities, they also have several differences, including a court size of 16m x 8m compared to 18m x 9m.
- Each team event is called a dual and consists of five pairs for each team.
- A winner is determined when a team wins three of the five pairs matches. Each pairs match is a best-of-three format. The first two sets are rally scoring to 21 points with the third set to 15 if necessary.
- There is no open-hand tipping in sand volleyball.
- The block touch does count as the first of three allowable touches in sand volleyball.
- With the weather elements, pairs swap courts every seven points in a 21-point set and every five points in a 15-point set.
- Sand coaches are only allowed to give instructions to players during timeouts and between sets.
