

Arlo K. Elkins Memorial Tennis Tournament Weekend

October 6th – 7th

Please join us as we remember and build upon the legacy of Coach Elkins at the Arlo K. Elkins Memorial Tennis Event. The purpose of this weekend is to ensure the legacy of Coach Elkins lives on by endowing a women's tennis scholarship in his name. The goal of the event is to raise awareness that will result in a fully endowed scholarship (\$300,000) in Coach Elkins' name, with the option existing to partially endow a scholarship if this goal is not achieved.

Although Coach Elkins passed on earlier this year from his battle with cancer, his love for the game and his student-athletes was evident throughout his 29 years as the head coach of the women's varsity tennis team. A large group of Arlo's former players have driven this charge with the understanding that there is no better way to honor Coach Elkin's legacy than endowing a scholarship, in his name, to the sport and student-athletes he dedicated so much to. This group asks that whether you can participate in the events of the weekend or not, you consider making a contribution to the scholarship funded so that we can help make this honor a reality for a man who truly deserves it.

The Department of Athletics is hosting this weekend. However, the weekend is being run and executed by a small group of former student-athletes. If you have any questions about the logistics of this weekend please direct those questions to the *Arlo K. Elkins Memorial Tennis Tournament* Facebook page. Once we receive your interest, additional information will be provided.
