Head Coach Will Muschamp

Opening statement:

"When you have two kicks blocked, you're going to lose that football game. We had every opportunity to win, settle down defensively. As the game went on, we played pretty well against a good offensive football team. We were able to run the football, but couldn't get much generated in the passing game. Treon Harris had a hard time with some ball handling, but when you have two blocked kicks at a critical point in the game it will cost you the football game. I don't know what else to say, when you've got 40 seconds to go, just get the ball off. We had an operation time issue with the field goal, with a low kick it doesn't matter what the operation time is. I'm very disappointed to lose that football game, our guys fought and played hard and we put ourselves in a position to get it done and we didn't.

On the blocked punt:

"We were in a look where we should've kicked it out the other way but we didn't. As far as the protection was concerned, they came free and we didn't get the ball off quicker. That's a situation where that shouldn't happen."

On taking the delay of game penalty late in the game:

"We had one timeout left and I wanted to save it. We wanted to see their look number one, and I wanted to hold the timeout for our defensive possession or a different situation. We liked the look and we thought it was protected, but they came off the head of the slot, which we didn't think they would do, and they blocked it."

Junior WR Latroy Pittman, Jr.

On getting motivated for next week:

"You just have to get motivated, if you can't get motivated for the next game then you shouldn't even be playing. I know we are losing and everything like that, but at the same time we have to get ready for the next team."

Sophomore DB Vernon Hargreaves III

On giving South Carolina so many chances:

"They are a good team, [we] give them a lot of credit. We definitely gave them a lot of chances and they took advantage of them."

On the feeling in the locker room:

"We're hurt; we're still a team. We have to move onto next week. Obviously we wanted it, but we can't do anything about it now. We need to just move on and continue our season."
