SOUTH CAROLINA CAPTURES C-USA CHAMPIONSHIP

“To come here when all these teams had a bye (in the final weekend of the regular season) and to WIN IN THIS TOURNAMENT, WITH EVERYTHING ON THE LINE, IT SPEAKS VOLUMES TO THIS TEAM, ITS CHARACTER AND ITS HEART.”

Head Coach Mark Berson

The Gamecocks kept the pressure on Tulsa in the early part of the second half, out-shooting the Golden Hurricane, 3-1, and forcing Cervi to make three saves. TU's best scoring chance came on a corner kick with just over two minutes remaining in the match. Matt Wiley's header was on goal, but Gustavson was there to snag the save for the Gamecocks.

South Carolina had seven shots on goal in the match while holding Tulsa to just five. Gustavson picked up saves on all five of those shots on goal and registered his fourth shutout of the season. Cervi finished with six saves.

After starting the season at 0-5-0, South Carolina finished with a 12-1-2 record in its last 14 games and will play in the NCAA Tournament.

“We started off the season with five losses and they never doubted themselves,” Berson said of his team's comeback. “They believed in themselves. They kept to what we need to do to be successful. They were such great fighters during the course of the season, both psychologically to stay strong and on the soccer field to adapt and play. They've done a great job.”

Four Gamecock players made the all-tournament team, including Gustavson, Leeton, junior Ralph Pace and senior Eric Szeszycki.

Carolina is in its first season playing in Conference USA. A longtime independent, USC has only been in a conference for two seasons since the program's inception in 1978, when it played in the Metro Conference in 1993 and 1994. South Carolina won the Metro in 1993 and went on to play for the National Championship.
