TRACK FACILITIES

ABOUT THE FACILITIES

The outdoor track, named in honor of legendary Gamecock coach Weems Baskin, features a 400-meter, eight-lane track with multi-directional sprint straightaways. The Erotan "S" Synthetic track surface is made by Southwest Recreational Industries, Inc.

Inside the track are two multi-directional long and triple jump runways that include four pits. There also is a multi-directional vault area, and the high jump apron was expanded during the 1997 surfacing project.

The world-class Lynx timing system, used indoors and outdoors, allows for rapid and accurate computerized fully automatic times.

The outdoor track also features world-class throwing facilities. The hammer and discus circles are surrounded by a 20-foot high cage that meets NCAA and international standards. There also are two shot put rings, a javelin runway and an additional ring with a cage.

The outdoor track has seating to accommodate 2,200 spectators. This season, the Gamecocks will host one indoor meet and two outdoor meets. The outdoor track also plays host to a number of youth and high school competitions, including the state high school championships and the Coaches Classic High School meet.

The indoor track features a 250m, three-lane track and separate vault facility. The infield is carpeted with artificial turf. The throws area features separate shot put and weight-throw circles. The landing area is artificial turf, and there is ample space in the facility for practicing either indoor or outdoor events.

The Gamecocks' cross country courses are Owens Field and Hilton Field at Fort Jackson, the site of the 1997 and 2005 SEC Cross Country Championships, the 1999 South Carolina Collegiate Championship and the annual Gamecock Invitational. The all-grass course has rolling hilly terrain and a grandstand that seats 3,000 fans.

ABOUT WEEMS BASKIN

The outdoor track is dedicated in honor of former coach Weems O. Baskin, Jr. After his death in 1993, the All-Comers Meet was renamed in his honor, the Weems Baskin Memorial Meet.

During his brilliant coaching career at South Carolina from 1949 to 1969, Baskin won 90 dual meets and lost 47. He later held the position of administrative assistant to the athletic director before retiring in 1972.

The only breaks in his coaching career that began in 1930 were during World War II when Baskin served as a Naval officer, in 1946 and 1947 as a businessman in Athens, Ga., and 1951 when South Carolina did not field a team due to the Korean War.

Originally from Carrollton, Ga., Baskin was a four-sport athlete at Carrollton High School. He enrolled at Auburn in 1923 and by his senior year was playing tight end on the football team and winning the national championship in the 110-meter high hurdles. Baskin also ran the low hurdles and competed in the shot put, discus, javelin and high jump. He won the Southern Conference title three straight years in the high hurdles and was a national AAU indoor champion in 1928.

After receiving a degree in education, Baskin ran for the New York Athletic Club for two winters and wrote for various publications. He began his coaching career as an assistant football coach at Auburn in 1930 and assisted with the track team. He went to Georgia in 1931 to become the head track coach while serving as an assistant to football. Baskin served in the same capacity at Mississippi from 1938 to 1943 before joining the Naval Reserve during WWII.

Baskin, a former president of the National Track and Field Coaches Association and chairman of the NCAA Track and Field Rules Committee, is a member of the Helms Foundation Track and Field Hall of Fame. He also was elected to the South Carolina and Georgia Track and Field Halls of Fame.

ATTENTION BOOSTERS

The University of South Carolina Office of Compliance Services is committed to a comprehensive compliance program that educates everyone about the importance of adhering to NCAA, SEC, and institutional rules. We strive to create a "compliance conscience" within the University and throughout the community.

The commitment to compliance ensures institutional control over the department of athletics and furthers the mission of the University of South Carolina. The existence of a successful compliance program depends on the willingness of coaches, administrators, staff, student-athletes and boosters to be cognizant of NCAA, SEC, and institutional rules.

WHAT IS COMPLIANCE?

At South Carolina, the Office of Compliance Services works within the department of athletics and the University to ensure South Carolina's compliance with all applicable rules. In doing so, the compliance staff is charged with the following tasks:

- Educating administrators, coaches, staff, prospects, student-athletes and boosters about NCAA, SEC, and institutional rules;
- Developing monitoring systems to ensure compliance with these rules. These systems are designed to monitor rules pertaining to recruiting, academic eligibility, financial aid, awards, extra benefits, ethical conduct, amateurism, agents, employment, occasional meals, and the playing and practice seasons for each sport; and
- Investigating and reporting violations of NCAA, SEC, and institutional rules to the appropriate governing authority.

ARE YOU A BOOSTER?

You are a booster if you are or ever have:

- Been a member of a booster organization that supports University of South Carolina athletics;
- Made any financial contributions to any area the University of South Carolina;
- Made any annual or lifetime membership commitment to a booster organization;
- Been involved with the recruitment of a prospect;
- Provided benefits to an enrolled student-athlete or his/her relatives or friends;
- Been involved in promoting South Carolina's athletic program;
- Provided or helped to arrange employment for student-athletes;
- Been a season ticket holder.

PROSPECTIVE STUDENT-ATHLETES

A prospective student-athlete (prospect) is a student who has:

- Started classes for the ninth grade, or
- Ever received any financial assistance or other benefit prospective students do not generally receive.

An individual remains a prospect until one of the following occurs (whichever is earlier):

- The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term (including summer) of a four-year collegiate institution's regular academic year.
- The individual participates in a regular squad practice or competition at a four-year collegiate institution that occurs before the beginning of any term.

Remember a prospect remains a prospect even after signing a National Letter of Intent with the University of South Carolina.

EXTRA BENEFITS

A recruiting inducement or extra benefit is any special arrangement by a University of South Carolina employee or booster to provide a prospect, a student-athlete, or their relatives or friends a benefit not expressly authorized by the NCAA.

Examples of impermissible extra benefits include, but are not limited to:

- Free or reduced cost services, rentals, or purchases of any type (e.g., meals, drinks, clothing, laundry, haircuts, legal fees, tattoos, car repairs, free upgrades on products or services, etc.)
- Gifts of any kind, including special occasions (birthdays, holidays, graduation, etc.)
- VIP access to bars, clubs, events, etc.
- Free or reduced cost housing for any length of time
- Loans (including co-signing)
- Cash or like items
- Use of an automobile or transportation
- An employment arrangement for a prospect or student-athlete's relatives
- Entertainment
- Use of your telephone or credit card
- Providing a meal in your home
- Academic assistance of any kind (e.g., tutoring, editing papers/projects, assistance in completing classwork, use of computer, etc.)
- Any tangible items, including merchandise

WHAT ARE THE CONSEQUENCES?

South Carolina is responsible for the actions of its boosters. If a booster provides an impermissible benefit to a prospect, a student-athlete, or their relatives or friends, South Carolina may be subject to penalties, even if the student-athlete has completed his or her eligibility. The prospect or student-athlete who accepts an impermissible benefit jeopardizes his or her eligibility for intercollegiate competition. A booster who provides an impermissible benefit may be disassociated from the University's athletics program. Disassociation results in a loss of all benefits or privileges offered by the department of athletics and may involve other penalties as appropriate.

In February 2012, the University of South Carolina appeared before the NCAA Committee on Infractions as a result of violations committed by boosters of its athletics program. For details, please click the link below to view the report from the Committee on Infractions that was issued in April 2012.
