Each year, nearly 500 student-athletes from the University of South Carolina are provided with the resources to meet their potential on the field and in the classroom through the support and generosity of the University's loyal fans and alumni. The mission of South Carolina Athletics Development is to generate the revenue necessary to ensure these student-athletes have what they need to be successful.

The Gamecock Club is the most recognized part of South Carolina Athletics Development. Started in 1942, the Gamecock Club's sole purpose is to provide financial support to student-athletes at the University of South Carolina. This aid is in the form of tuition fees, meal costs, housing costs, medical costs, injury assistance, and other educational needs. Gamecock Club membership is open to all alumni and friends of the University.

The Office of Major Gifts is responsible for generating major donations to the athletics program. These donations are crucial to continue the athletics department's efforts to build the facilities needed to consistently battle for championships in every sport.

The Office of Revenue Development handles priority seating for Gamecock Athletics. Through the Yearly Equitable Seating (YES) program, the department has generated vital funding for the athletics department. Premium areas at South Carolina athletics facilities, such as suites and club seats, are also managed through Athletics Development and are valuable sources of revenue.

Head Coach Steve Spurrier will hold a press conference beginning at approximately 3:40 p.m. in the Media Interview Room, located under the west stands at Williams-Brice Stadium. Requested players and assistant coaches will be available following Coach Spurrier's press conference in the Photographers' Media Workroom, located across the hall from the Media Interview Room.

Press Credentials

Working press credentials for the 2009 South Carolina home football games must be submitted online through www.gamecocksonline.com.

To submit a credential request: 1) Select Athletics Department (located near the top on the right hand side of the main page); 2) Use the drop down menu to select Media Relations; 3) Select 2009 Football Credential Request (located near the bottom of the page in the middle section); 4) Follow the step-by-step instructions.

Any questions or concerns can be directed to Diana Koval in the South Carolina Media Relations Department at 803-777-7977 or by email at dkoval@mailbox.sc.edu. Requests for season passes should be submitted no later than Aug. 14. Requests for single games should be made as far in advance as possible and no later than seven (7) days prior to game day. Once approved, all credentials must be picked up on game day at Media Will Call, located at Gate 5 on the west side of the stadium by the press elevators. Media Will Call will open three (3) hours prior to kick-off. Credential requests should come from the sports editors and the sports directors only. A photo ID must be presented to receive the press credential. Parking passes will be mailed in advance through arrangements made with Diana Koval.

PRESS BOX PASSES

DAILY NEWSPAPERS will be issued a maximum of four (4) season approved press box credentials.

WEBSITES with a national affiliation will be issued a maximum of two (2) season approved press credentials.

TELEVISION stations based in the Columbia area will be issued a maximum of two (2) season approved press box credentials. Television stations based outside of the Columbia area will be issued a maximum of one (1) season approved press box credential.

RADIO stations will be granted one (1) season approved credential per daily radio show. In addition, one (1) credential will be distributed per station for the sports director.

All other credential requests, including non-daily newspapers, magazines, out-of-market radio stations, etc. will be issued on a game-by-game, case-by-case and space available basis at the discretion of the media relations director.

Non-affiliated bloggers will not be credentialed.

Please note: Due to the high number of applications, it is not possible to accommodate all requests. No one under 18 years of age will be issued a credential without prior approval of the SID.

FIELD PASSES

DAILY NEWSPAPERS and **WEBSITES** with national affiliations will be issued a maximum of three (3) season field credentials to be used for either photography or videography.

TELEVISION stations based in the Columbia area will receive a maximum of two (2) field passes. Stations based outside of the Columbia area will receive one field pass.

All other credential requests, including non-daily newspapers, magazines, etc., will be issued on a game-by-game, case-by-case and space available basis.

Only working photographers/videographers with cameras will be allowed on the field.

Freelance photographers will not be credentialed.

South Carolina Sideline Policy

The University of South Carolina adheres to the NCAA and SEC guidelines regarding media representatives on the sidelines.

1. Photo credentials will be issued only to accredited media outlets prior to the game and photo identification must be provided. Photo credentials will not be mailed. Freelance photographers will not be issued credentials.

2. Photographers must check in at the Media Will Call Booth on the west side of the stadium adjacent to the press elevator. Those photographers who will work on the sidelines will be issued a vest. This vest must be worn at all times to gain access to the sidelines. No other type of photo or media credential will allow an individual access to the sidelines. The vest must be returned to a member of the South Carolina media relations staff following the game.

3. Photographers and videographers are not permitted to shoot between the 25-yard lines. Working photographers/videographers are permitted to shoot in the designated area (between the two marked dotted lines outside the 25-yard lines). All other media representatives on the field (announcers, reporters, etc.) must stand behind the designated area. This will ensure that photographers/videographers have the appropriate space to do their work.

Internet Sites

The University of South Carolina adheres to the SEC policies regarding representatives of websites. The official website of the home and visiting schools will be credentialed. Also, the official online service of the national over-the-air or cable television network that owns broadcast rights to the game will receive credentials. Other websites will not be credentialed unless they meet specifications outlined below:

1. Must be a legal corporate entity that has been in business for at least one full calendar year and has provided coverage of South Carolina or the visiting team for at least one year.
2. Must provide daily coverage of all athletic teams of South Carolina or the visiting team with its own staff of fulltime reporters, photographers and equipment.
3. Must travel to and cover all football away games and all major post-season events.
4. Must provide coverage of all press conferences of all athletic teams at South Carolina or the visiting team.

SEC Internet Real Time Policy

By acceptance and use of an SEC media credential, the holder agrees to the following conditions for any and all athletic events hosted by the SEC and its member institutions:

1. The SEC and its member institutions grant a media organization a limited license to use certain gathered information on the media organization's own Internet or online site beginning at the start of an athletic event and up to the conclusion of such event, all subject to the following limitations and conditions:

(a) No more than 10 still photographs may be used for news coverage of the game and other editorial purposes. Such still photographs must be used on a time-delayed basis, that is at least five (5) minutes after the happening of the event depicted by the still photograph.

(b) It is agreed that video is NOT to be used on an Internet or online site with the following stipulations:

(i) video may be shown as part of a single, non-archived, online "simulcast" of a television station's regularly-scheduled news program.

(ii) footage may be broadcast or otherwise distributed on the Internet or via any other online service or computer service, using the following limitations: a maximum of three (3) minutes from Satellite Feed Footage, Practice Footage and Event Footage.

(iii) Footage may not be used, sold, traded, loaned or given away to any other entity for any sports entertainment programs, specials, home videos, commercials and promotional use or in any other manner not specifically set forth in these

policies without prior expressed written permission of the Southeastern Conference or the University of South Carolina.

(c) While a game is in progress, the use of textual statistical information is time-delayed and limited in amount (e.g., updates pertaining to score, injuries and national, conference or institutional record-breaking performances, a condensed half-time story) so that an organization's Internet or online game coverage does not undercut the authorized and rights-paying fee organization's rights to play-by-play accounts of the game and/or exclusivity as to such rights.

This policy is in effect for all SEC sporting events, including championships. The limitations for football are three per quarter; one at halftime.

2. Any proposed media use on an Internet or online site of the game information that is more detailed and/or more than described above will require separate written authorization by the SEC and/or its member institutions. However, such written authorization will not permit the use of game information in entertainment contexts and will not authorize game coverage that, due to immediacy of detail, constitutes or approaches a play-by-play account of a game.

3. Should any of these conditions be breached, the SEC and/or its member institutions will issue a written warning for the first violation. A second violation of this policy will result in revocation of credentials to cover future football games hosted by the SEC and/or its member institutions.

Press Box

South Carolina features a state-of-the-art press box. This press facility has seats for 144 members of the media, along with television and radio booths, coaches' booths and public address and stadium operations/security booths. Located just above the press level is the photo deck. All members of the media covering the game are invited to a catered meal, which is served starting two hours prior to kickoff.

The Carolina press box is for the working media only. In accordance with the Football Writers Association of America, no cheering will be allowed.

Satellite Truck Parking

Limited parking is available for TV station live/satellite trucks and those vehicles will need a specific pass. Please contact Diana Koval no later than Noon three days prior to the game for help in securing a parking pass.

Press Box Services

The Press Box is equipped with outside telephone lines and data jacks for electronic photo transmissions. These services are available to media members on a first-come, first served basis. In addition, the press box has wireless internet capabilities. Electrical outlets are available at each seat. There is also a photographers work room located underneath the stands on the west side of Williams-Brice Stadium with wireless internet access. Any media outlet that wishes to install its own telephone should contact South Carolina Telephone Communications at (803) 777-1800. The Media Relations Department supplies quarterly play-by-plays and quickie stats, halftime statistics, final team and individual statistics and coaches and players quotes. An inside public address announcer also keeps the media informed of play-by-play, records and game notes.

Visiting Radio

The visitor's radio network must be designated by the opponent's athletic director. Booth space will be assigned by the Media Relations Director. Any non-designated stations will be admitted on a space-available basis. The Gamecock Sports Network will be handled by Gamecock Sports Properties. Stations requesting information regarding the network should contact: Liz McMillan, Gamecock Sports Properties, (803) 777-8254.

Spotters and Statisticians

The Media Relations Department can supply radio and television broadcasters with spotters and stat personnel if notified of their needs in advance.

Postgame Interviews

The press box elevator will be held at press level with six minutes remaining in the game for anyone wanting postgame interviews. South Carolina's postgame interviews take place in the Media Interview Room, located underneath the stands on the west side of Williams-Brice Stadium. The visitors' locker room and postgame interview room are located under the West stands at the North end. The Gamecock locker room will be closed following the game. Coach Spurrier will be available in the postgame interview room approximately 10 minutes after the game. Players who have been requested to be interviewed by the media will also be brought to the interview room following the cool-down period. Admittance to postgame interviews is by credential only. The Carolina press conference will be televised live back to the press level.

SEC Weekly Teleconference

The Southeastern Conference hosts a weekly press teleconference each Wednesday from Sept. 2 through Nov. 25. The teleconference features the head coach from each team every week. Each coach issues an opening statement followed by questions from the media for seven minutes. To participate, please contact either the SEC Media Relations office at (205) 458-3010 or the school's Media Relations Department for the telephone number, which will be assigned at a later date.

Gamecock Sports Properties, a partnership between the University of South Carolina Athletics Department and two of the country's leaders in the collegiate sports marketing industry, ISP Sports and Learfield Communications, Inc., is the originating medium for radio coverage of the South Carolina Gamecocks.

This is the second year of a nine-year, \$50 million contract between the University and ISP Sports and Learfield Communications, Inc. that runs through 2017. 2009 also marks the second year of a five-year agreement with Citadel Broadcasting that makes WNKT-FM (107.5) the official flagship station of Gamecock Athletics.

All Gamecock Football broadcasts are also available on XM.

Gamecock Sports Properties is responsible for the overall management of the athletics program's corporate partnership effort, which includes producing, selling and distributing the Gamecock Radio Network (live play-by-play and call-in shows) and television programming (pay per view opportunities and coaches shows), print advertising in various athletics department publications, and selected signage in university athletic facilities.

Todd Ellis, the all-time leading passer in Gamecock history and the school's winningest quarterback, begins his 17th season with the network and his seventh as the play-by-play voice of Carolina football. Ellis has served as sideline reporter for the radio network and also worked as color analyst and play-by-play announcer for Comcast Sports Southeast for Gamecock telecasts. Ellis has also hosted the coaches television show in the past and served on CBS's bowl game radio coverage. He will also host the Steve Spurrier Television Show and the Steve Spurrier Radio Call-In Show. Ellis re-wrote the school's passing records during his career (1986-89). He set more than 20 school passing marks, while throwing for 9,953 yards.

Tommy Suggs and Todd Ellis

Tommy Suggs, a former standout Gamecock quarterback, is back for his 36th year as color analyst for the radio network. Suggs played for Carolina from 1968-70 and is regarded as one of the school's all-time premier signal-callers. He led the Gamecocks to the 1969 ACC championship and Peach Bowl berth and was named MVP of the 1970 Blue-Gray All-Star Classic. Suggs was inducted into the University's Athletic Hall of Fame in 1989.

ESPN AND THE SEC REACH MILESTONE AGREEMENT

ESPN and the Southeastern Conference (SEC) reached a milestone 15-year agreement beginning in 2009-10 and continuing through 2023-24. The landmark deal - the longest national rights agreement in ESPN history - will result in ESPN entities (ESPN, ESPN on ABC, ESPN2, ESPNU, ESPN Regional Television, ESPN360.com, ESPN Mobile TV, ESPN GamePlan, ESPN FULL COURT, ESPN International, ESPN Deportes, ESPN Classic) carrying more than 5,500 SEC events - including football, men's and women's basketball, Olympic sports and SEC Championships.

ESPN has televised the SEC since 1982. All national programming will fall under the branding "SEC on ESPN." As part of the agreement:

ESPN and ESPN2 will continue to offer premier SEC games, including Saturday night and two primetime Thursday football games, triple the basketball offerings with three nights (two new) of men's basketball and present SEC Championships in women's basketball, baseball, softball and gymnastics.

ESPN Regional Television will become the new over-the-air syndication home for SEC football and basketball games. In addition, ESPN and the SEC will work together to offer multi-sport packages (including football, men's and women's basketball, Olympic sports and conference championships) of SEC content for regional cable syndication.

ESPNU will now offer exclusive SEC telecasts, including football and basketball and selected conference championships. In addition, the network will present a weekly, hour-long program on SEC sports throughout the academic year as well as sport-by-sport previews, reviews and specials.

The South Carolina Radio Crew:

(Front Row): Duce Staley, Tommy Suggs, Brent Johnson, Todd Ellis.

(Back Row): Rachel Wilson, Liz McMillan, Doug Adams, Carroll Senn, David Spence

South Carolina football has appeared on television numerous times, dating back to a local telecast of a game against Marquette University in Milwaukee, Wis., Nov. 5, 1949. The first Gamecock home game to be televised was against the University of North Carolina in Carolina (now Williams-Brice) Stadium, Nov. 7, 1953.

That first home telecast was the first program aired by WIS-TV (Channel 10) when the Columbia NBC affiliate went on the air. The NBC network originally planned a "panorama" of four games nationwide on that date, showing one quarter of each game. When plans for that production did not materialize, NBC agreed to honor a commitment to WIS-TV, which had scheduled the football telecast as its inaugural program.

NBC sent a remote unit from Washington, D.C., and play-by-play was handled by WIS-TV Sports Director Ray Stanfield. South Carolina beat North Carolina 18-0 in the game, which was sponsored by General Motors. The teams split the \$50,000 rights fee for the one station network broadcast.
