NEW TENNIS STADIUM

The Gamecock women's tennis team has a new home for the 2012 season after spending the previous 38 years at Maxcy Gregg Tennis Center. South Carolina's new tennis stadium is located in the heart of the Athletics Village at the Roost and serves as the home for both the men's and women's teams. The Gamecocks' new tennis stadium features 12 courts with lights and scoreboards on each one. Each side of six courts also has a master scoreboard so fans always know what's happening on each court. Video cameras are mounted behind each court as well to record matches and stream them live over the Internet on GamecocksOnline.com. Seating is available for 670 fans with room to spare for standing room. The stadium has 400 square feet of court-side storage and 900 square feet of dedicated restroom facilities.
