Information

The University of South Carolina is home to more than 200 years of history and tradition, rising from a single building in 1805 on what would become the heart of the campus, the Horseshoe.

Today, the 11 buildings that make up the Horseshoe frame a lush lawn that is an irresistible gathering place for students, faculty, staff and alumni and the scene of many important university events.

And while the Horseshoe will always be the symbol of Carolina's proud tradition, the University's presence and reach stretch across the Palmetto State, with baccalaureate universities in Aiken, Spartanburg (Upstate) and the sea islands (Beaufort and the gateway to Hilton Head), and two-year regional campuses in Allendale and Walterboro (Salkehatchie), Sumter, Lancaster and Union. Along with Palmetto College, USC's online degree completion program, the campuses are building economic prosperity; fulfilling the University's mission of teaching, research and service to the state, and preparing future leaders in business, law, education, the arts, tourism, communications, medicine and the health sciences.

- ◆ The University of South Carolina's Columbia campus has 324 degree programs through its 14 degree-granting colleges and schools.
- ◆ The South Carolina Honors College is ranked the No. 1 public university honors college in the nation based on honors college factors by the guidebook, "A Review of Fifty Public University Honors Programs."
- ◆ The Moore School of Business undergraduate and MBA international business programs were ranked No. 1 by U.S. News & World Report in 2014.
- ◆ USC launched a new online degree completion program called Palmetto College in 2013. Palmetto College brings together the resources of the entire University of South Carolina system to combine the quality of a USC degree with the flexibility of online learning.
- ◆ Students at the University of South Carolina have earned 665 national fellowships and scholarships valued at \$19.6 million since 1994. In 2013-14 alone, 52 students earned more than \$2.1 million for academic study.
- ◆ University of South Carolina faculty generated \$220 million in funding for research, training and outreach programs in fiscal year 2013.

UNIVERSITY HISTORY

In 2001, the University celebrated the bicentennial of its charter, but 2005 also marked a watershed anniversary: 200 years since the first classes began at South Carolina College, as it was then known. Carolina has endured the Civil War and Reconstruction, closings, and name changes. Permanently chartered in 1906 as the University of South Carolina, it grew throughout the 20th century and today is building its reputation as a cutting-edge research institution.

- ◆ USC is ranked in the top 5 percent of U.S. public universities in the number of national awards its faculty have received.
- ◆ The new Darla Moore School of Business building, the front door of the University's research district, and a hub for creativity, research and entrepreneurial activity. The school is pursuing a net zero status and LEED Platinum rating for its cutting-edge new home.
- ◆ The USC School of Medicine pioneered the nation's first medical school curriculum that teaches first- through fourth-year students how to use leading ultrasound technologies for bedside diagnosis.
- ◆ Twelve USC students received Fulbright grants in 2012 for research, study or teaching abroad, and the Chronicle of Higher Education named USC a "Top Producer of U.S. Fulbright Students." Another six students were awarded National Science Foundation Graduate Research Fellowships.
- ◆ The National Academy of Inventors has named USC as a top generator of patents, ranking USC 68th worldwide.
- ◆ USC has been recognized by both Kiplinger's "Best Values in Public Colleges" and Princeton Review's "Best Value Colleges."
- ◆ USC is one of only 40 public universities to receive the Carnegie Foundation's top-tier research designation and community engagement designation and is the only university in South Carolina with the Carnegie top-tier designation for "very high research activity."

Dr. Harris Pastides, University President

Harris Pastides began his presidency at the University of South Carolina on Aug. 1, 2008. Just a few months later, the Great Recession began. Strong in the face of adversity, Pastides promised to accelerate USC's momentum as a world class university. He has kept that promise. Today, more than six years later, USC has experienced remarkable growth and positive change.

USC Columbia's freshman classes have grown continuously while posting the highest average SAT scores in university history. USC's Honors College has been named the No. 1 public honors college in the nation, and the Palmetto State's only Carnegie top-tier university is also home to top programs in areas such as undergraduate international business; public health; engineering; hospitality, retail and sport management and more. In addition, Carolina's Promise, USC's capital campaign, has set records with five consecutive years of more than \$100 million in private giving.

An unwavering advocate for a superior student experience, Pastides encourages engagement beyond the classroom through leadership, service learning, international experience, internships and undergraduate research. Innovative programs like Palmetto College, On Your Time Graduation, Gamecock Gateway and Gamecock Guarantee are successfully providing greater access, flexibility and affordability to South Carolinians seeking a higher education degree. To date, 55,760 degrees have been awarded systemwide during Pastides' presidency. He often says, "Nothing makes me prouder than the students we enroll and those that we graduate."

Pastides serves on the NCAA Board of Directors Executive Committee representing the Southeastern Conference. The Executive Committee ensures that each division operates consistently with the basic purposes, fundamental policies and general principles of the Association.

Prior to joining the university's faculty as dean of the Arnold School of Public Health, Pastides was a professor of epidemiology and chairman of the Department of Biostatistics and Epidemiology at the University of Massachusetts Amherst. He received his master's in public health and his Ph.D. in epidemiology from Yale University. President Pastides and the first lady, Patricia Moore-Pastides, live on USC's historic Horseshoe.

Dr. Zach Kelehear, Faculty Athletics Representative

Zach Kelehear assumed the duties as the University of South Carolina's Faculty Athletics Representative on July 1, 2010. Kelehear is the Associate Dean for Academic Affairs and a professor in the Department of Educational Leadership and Policies. In his capacity as Associate Dean he is primarily responsible for all matters related to undergraduate and graduate studies. As a professor of educational leadership he has written multiple articles and books on the ideas of artful leadership practice in public schools and business. While at USC, Dr. Kelehear has also served on the Faculty Senate, on the University Athletics Advisory Committee, on the Graduate Council as Chair, as well as several other committees.

Kelehear provides leadership for multiple national and international professional organizations such as the American Educational Research Association and the Council of Professors of Instructional Leadership. Along with his peer reviewed publications, Kelehear has published in the *Journal of Staff Development*, *American School Board Journal*, *The School Administrator*, *Principal Leadership* and *The Principal*. He also serves as editor and/or reviewer for multiple journals and publications.

Over the past 30 years, Kelehear has been a college professor, a personnel director, staff development director, and a teacher and coach in high school and middle school. He also was a college athlete at Furman University where he played football while completing a double major in Latin and history in 1981. He later earned his master's in education from Furman in 1982, then earned his doctorate from N.C. State in 1993.

Dr. Kelehear is married to Dr. Karen Heid, an associate professor of art education in the Department of Art at the University of South Carolina.

Gaps in the presidential timeline indicate periods when the University was closed or under interim leadership or when its chief executive was known by a different title.

University of South Carolina Athletics Director Ray Tanner is in his third year guiding the fortunes of the Gamecocks' athletics programs. He was named to the position on July 13, 2012 after a long and highly successful career as Carolina's baseball coach. Tanner officially began his new duties on Aug. 2, 2012.

In his first season as AD, Tanner experienced a wealth of success. The football team turned in its highest national ranking in school history at that time, while women's basketball, men's and women's golf, men's and women's tennis, women's indoor and outdoor track & field, men's outdoor track & field, equestrian, men's and women's swimming and diving, softball and baseball all reached the NCAA postseason.

His second year produced another stellar campaign in Gamecock Athletics history. The football team won 11 games for the third-straight season and finished as the nation's No. 4 ranked squad. Equestrian (second), women's golf (sixth), women's basketball (eighth) and men's golf (ninth) joined football as teams that were ranked in the Top-10 nationally in its final poll or national championship. Twelve of the Gamecocks' programs were ranked at one time during the season in its sport's Top-25. Off the field, a total of 92 student-athletes graduated from South Carolina during the 2013-14 academic year. Additionally, Gamecock student-athletes performed more than 5,000 hours of community service, an average of more than 9.5 hours per student-athlete.

A dedicated community leader whose charitable organization has made a difference in many South Carolina families, a three-time National Coach of the Year and Southeastern Conference Coach of the Year, Tanner completed 16 years as head coach at the University of South Carolina, establishing one of the premier programs in college baseball prior to being named AD. He led the Garnet & Black to two NCAA Division I Baseball Championships, a pair of national runner-up finishes, six College World Series appearances, three SEC championships, six SEC Eastern division titles, a SEC tournament crown and 13 consecutive NCAA Tournament appearances.

Under the direction of Tanner, South Carolina's postseason success from 2010-2012 is arguably the greatest run in collegiate baseball history. In the three-year span, the Gamecocks established NCAA records with 22 consecutive postseason wins and 12 consecutive wins in the College World Series. The Gamecocks won the NCAA Division I Baseball Championship in 2010 and 2011 with a national runner-up finish in 2012. South Carolina's 30-4 (.882) record over that three-year period in the NCAA Tournament is the fifth best three-year postseason record in NCAA history.

In addition, the 2012 CWS trip marked the sixth time in 11 years that South Carolina had reached Omaha. No Division I baseball team made more appearances than the Gamecocks over the 11-year span.

Tanner and the Gamecocks have created one of the top environments in college baseball at Carolina Stadium. After a successful run at Sarge Frye Field through 2008, the Gamecocks made the move to the new \$36 million Carolina Stadium where college baseball has continued to grow. South Carolina's total attendance of 295,389 in the 2012 season was second highest in the nation. The average attendance of 7,574 also was a Carolina Stadium record, besting the previous mark of 7,431 in the 2011 season. The Gamecocks also set a record for sellouts in 2012 with 15 games at a capacity of 8,242 fans. In addition, South Carolina set a record for season tickets sold with a total of 5,580 sold in the preseason before the 2012 campaign.

For all of his accolades, Tanner's uniform No. 1 was retired and the street outside Carolina Stadium was renamed in his honor. He was also inducted into the South Carolina Athletic Hall of Fame in May 2013.

The 2012 season was Tanner's 25th year as a collegiate head coach. He posted a 738-316 record at South Carolina with a .700 winning percentage, second highest all-time among SEC coaches. His career record was 1,133-489-3 for a winning percentage of .699. His final 12 teams featured 23 All-Americans.

Tanner gained valuable experience at an international level in his association with USA Baseball. He has served five stints with Red, White and Blue, including in 2003 as head coach for the USA National Baseball Team. At the helm of some of the top freshmen and sophomores in the country, Tanner's club finished with a 27-2 record, the best record for a U.S. National Team (.931 winning percentage) and won a silver medal at the 2003 Pan American Games. He was named the U.S. National Coach of the Year for his work that season. Prior to his head coaching stint, Tanner served as an auxiliary coach under Tommy Lasorda for the 2000 Olympic Team that won a gold medal at the XXVII Olympiad in Sydney, Australia. He was also an assistant under former LSU coach Skip Bertman with the 1995 and 1996 USA teams that culminated in a bronze medal win at the 1996 Olympics in Atlanta, Ga. Tanner also served alongside former Mississippi State coach Ron Polk on Bertman's staff. Tanner's first stint with USA Baseball came as an assistant coach to the national team in the summer of 1993.

Tanner was named the South Carolina head coach June 14, 1996, after nine successful seasons at North Carolina State. At NC State, Tanner led his alma mater to seven appearances in the NCAA postseason tournament and ranked second for most wins in school history. He was the 1990 Atlantic Coast Conference Coach of the Year and in 1993 was named Atlantic Region Coach of the Year when his team won 49 games.

Tanner was affiliated with the Wolfpack baseball program for more than 20 years. He came to the Raleigh campus in the fall of 1976 as a player following an outstanding career at South Johnston High School in Four Oaks, N.C. A four-year starter, he earned All-ACC honors his senior season and still ranks among the Wolfpack's all-time leaders in several categories.

Following his playing career, Tanner served as an assistant for NC State coach Sam Esposito, overseeing recruiting efforts and coaching third base. During his tenure as an assistant, the Wolfpack reached the NCAA Tournament twice. He had additional duties as assistant to the athletics director and as assistant athletics director in charge of game operations.

After Esposito's retirement, Tanner was named head coach at the age of 28 by the legendary late Jim Valvano, becoming one of the youngest head baseball coaches in the nation.

Tanner has a bachelor's degree in recreational administration from NC State (1980) and a master's of public affairs, public administration (1983).

Born Donald Ray Tanner, Jr., March 25, 1958, in Smithfield, N.C., Tanner grew up in Benson, N.C. He is married to the former Karen Donald, a native of Charleston, S.C. A University of South Carolina graduate, she was formerly head women's athletic trainer at NC State. During the summer of 1997 she served as trainer for the Charlotte Sting in the Women's National Basketball Association (WNBA). She is the former director of athletics and director of sports medicine at Columbia College.

They have two daughters, Bridgette Grace ("Gracie") and Margaret Pearl ("Maggie") and one son, Joseph Luke ("Luke").

Williams-Brice Stadium

CAROLINA FOOTBALL

Williams-Brice Stadium, formerly Carolina Stadium, was first constructed in 1934 by the Works Progress Administration (WPA). Then, it seated 17,600 Gamecock fans. It has undergone a number of expansions and revisions over the years, with the largest prior to the 1982 expansion coming in 1971-1972. A bequest from the estate of Mrs. Martha Williams-Brice helped boost the capacity then from slightly more than 43,000 to greater than 54,000.

Mrs. Williams-Brice's husband, Thomas H. Brice, was a Gamecock football letterman from 1922-24, and her family operated the Williams Furniture Company in Sumter. She left a substantial inheritance from the furniture fortune to her nephews, Thomas W. and Philip L. Edwards, much of which they passed on to the University of South Carolina. That included a bequest for the stadium project.

The name was officially changed from Carolina Stadium to Williams-Brice Stadium in dedication ceremonies during the Sept. 9, 1972 opener with Virginia.

Added in 2012 was a \$6.5 million state-of-the-art videoboard that sits above the north stands. It measures 36' x 124'.

NICKNAME: THE FIGHTING GAMECOCKS

The University of South Carolina is the only major college athletic program in the country that uses "Fighting Gamecocks" as its official nickname and mascot. The University's athletic teams have been known as Gamecocks for almost 100 years.

At the turn of the 20th century, after struggling for more than decade under numerous nicknames, the school's football team was the impetus of the new moniker. In 1903, Columbia's morning newspaper, *The State*, shortened the name to one word and South Carolina teams have been Gamecocks ever since.

Those early teams must have been a feisty and spirited group. A gamecock, of course, is a fighting rooster known for its spirit and courage. A cock fight, which was a popular sport throughout the United States in the 19th century, would last until the death of one of the combatants. Cock fighting has been outlawed by most states for humanitarian reasons, but it is still held surreptitiously in many areas.

The State of South Carolina has long been closely connected with the breeding and training of fighting gamecocks. General Thomas Sumter, famed guerrilla fighter of the Revolutionary War, was known as "The Fighting Gamecock."

THE SOUTH CAROLINA MASCOT

The Gamecock mascot, "Cocky," is a familiar sight at a variety of South Carolina athletic events. He appears at all home and road football and basketball games, and at home baseball games. In addition he can be found frequenting other Olympic sports events on the USC campus.

Cocky was chosen National Mascot of the Year in 1986, 1994, and again in 2004 and is recognized as one of the most colorful mascots in collegiate athletics.

In 1981, and 1982, the Gamecocks participated in the College Baseball World Series and "Cocky" was selected both years as the official mascot of the CWS.

"2001"

The University of South Carolina Gamecocks feature perhaps the most unique and electrifying pregame entry in all of college football. In fact, The Sporting News rated USC's "2001" as the most exciting pregame entry in all of college football. As the minutes wind down on the game clock prior to the opening kickoff, the Gamecocks leave the locker room following final pregame instruction from their coaching staff and assemble in the tunnel in the southwest corner of Williams-Brice Stadium. Then, as the crowd of more than 82,000 begins its roar of anticipation, the first notes of the them song from "2001-A Space Odyssey" blare over the stadium sound system. As the music continues, the enthusiasm of the crowd is feverish. Finally, at just the exact moment, in perfect coordination with the music, the Gamecocks hit the field running, and the stadium goes wild.

GAMECOCK WALK

Approximately two hours and 20 minutes prior to every home game, the South Carolina team buses drop the players off on the Garnet Way in The Commons at Williams-Brice. The team walks on the Garnet Way, crosses Bluff Road and the stadium tarmac and heads to the locker room, located in the southwest corner of Williams-Brice Stadium. The team walks through the throng of Gamecock fans and well-wishers as they make their way to the locker room to prepare for the game ahead.

SCHOOL COLORS

Garnet and Black were adopted near the turn of the century as the official colors of the University of South Carolina athletic teams. The colors are the dominant ones on the gamecock, which is the University's official mascot for its athletic teams.

THE COCKABOOSE RAILROAD

What is perhaps the most unique form of tailgating and featured throughout the years in numerous magazines and television shows, the Cockaboose railroad has made its way to Columbia and University of South Carolina football. Twenty-two cabooses line a railroad track just outside of Williams-Brice Stadium - but these rail cars don't move and they certainly aren't something you would see passing by on the rear end of a train.

Several years ago, a local businessman and his wife finally had enough of the railroad tracks which sit just a stone's throw from the south side of the stadium. The next season, in 1990, the beautifully-designed Cockaboose Railroad began catering to the serious Gamecock tailgater with amenities never before associated with in tailgating: running water, cable television, air conditioning, and heating, and a living room highlight each and every Cockaboose.

The Carolina Cockabooses are stationary and many are wired with closed-circuit television to watch Gamecock away games if making the trip is not feasible.

"The Cockaboose Railroad" - it's different, it's unique, and it's exciting; and there's nothing else like it in the nation.

ALMA MATER: "We Hail Thee Carolina"

We hail thee, Carolina, and sing thy high praise; With loyal devotion, remembering the days; When proudly we sought thee, thy children to be: Here's a health, Carolina, forever to thee!

Since pilgrims of learning, we entered thy walls; And found dearest comrades in thy classic halls; We've honored and loved thee as sons faithfully: Here's a health, Carolina, forever to thee!

Generations of sons have rejoiced to proclaim; Thy watchword of service, thy beauty and fame; For ages to come shall their rallying cry be: Here's a health, Carolina, forever to thee!

Fair shrine of high honor and truth, thou shalt still; Blaze forth as a beacon, thy mission fulfill; And crowned by all hearts in a new jubilee: Here's a health, Carolina, forever to thee!

FIGHT SONG: "The Fighting Gamecocks Lead the Way"

Hey, Let's give a cheer, Carolina is here, The Fighting Gamecocks lead the way. Who gives a care, If the going gets tough, And when it is rough, that's when the 'Cocks get going. Hail to our colors of garnet and black, In Carolina pride have we. So, Go Gamecocks Go - FIGHT! Drive for the goal - FIGHT! USC will win today - GO COCKS! So, let's give a cheer, Carolina is here. The Fighting Gamecocks All The Way!

GAMECOCK Radio Network

Gamecock Sports Marketing, a partnership between the University of South Carolina Athletics Department and the country's leaders in the collegiate sports marketing industry, IMG College, is the originating

medium for radio coverage of the South Carolina Gamecocks.

This begins the seventh year of a nine-year, \$50 million contract between the University and IMG College that runs through 2017. 2014 also marks the second year of a four-year extension with Cumulus Media for WNKT-FM (107.5 The Game) to continue as the official flagship station of Gamecock Athletics through 2017.

Gamecock Sports Marketing is responsible for the overall management of the athletics program's corporate partnership effort, which includes producing, selling and distributing the Gamecock Radio Network (live play-by-play and call-in shows) and coaches television shows, print advertising in various athletics department publications, and selected signage in university athletic facilities.

The Gamecock Sports Network from IMG College counts two dozen affiliate stations for the 2014-15 season. For Sirius/XM subscribers, follow the Gamecock Radio Twitter page for weekly updates on channel information for Gamecock broadcasts.

Todd Ellis, the all-time leading passer in Gamecock history, begins his 23rd season with the network and his 12th as the play-by-play voice of Carolina football. Ellis previously served as sideline reporter for the radio network and as a color analyst and play-by-play announcer for Comcast Sports Southeast for Gamecock telecasts. Ellis has also hosted the coaches television show and served on CBS's bowl game radio coverage. He hosts the Steve Spurrier Television Show and Carolina Calls with Steve Spurrier, the Head Ball Coach's weekly radio call-in show. Ellis set more than 20 school passing marks during his career (1986-89) while throwing for 9,953 yards.

Tommy Suggs, a former standout Gamecock quarterback, is back for his 41st year as color analyst for the radio network. Suggs played for Carolina from 1968-70 and is regarded as one of the school's all-time premier signal-callers. He led the Gamecocks to the 1969 ACC championship and Peach Bowl berth and was named MVP of the 1970 Blue-Gray All-Star Classic. Suggs was inducted into the University's Athletic Hall of Fame in 1989 and is also a member of the state of South Carolina Athletic Hall of Fame. In 2012, friends and colleagues of Tommy and Jane Suggs established the Tommy Suggs Endowed Quarterback Scholarship to honor his long-time commitment to the University and Gamecock Athletics. The scholarship is awarded to a quarterback each year and is the first endowed scholarship for the football program.

Former South Carolina and NFL defensive lineman **Langston Moore** joined the Gamecock IMG Sports Network as sideline reporter in 2012. Moore was a member of the Carolina football team from 1999-2002 before embarking on an NFL career that included stints in Cincinnati (2003-04), Arizona (2005-06), and Detroit (2007-08). He was originally a sixth round pick by the Bengals in the 2003 NFL Draft. He has been a volunteer for the Frye Foundation and USAA Cares, as well as Home Town Huddle during his playing and post-NFL career. His father, Ken Moore, was a well-known radio personality in Ft. Wayne and Charleston.

Liz McMillan serves as the Executive Director of Gamecock IMG Sports Marketing in Columbia. **Kyle Draper** is in his first year as the General Manager. **Brent Johnson** serves as the Network Host. **Carroll Senn** is the broadcast engineer, **David Spence** is the spotter and **Doug Adams** is the statistician. **Rachel Senn** assists with production. **Andy Demetra**, the voice of Carolina basketball and baseball, works on the pre- and post-game shows.

The **Steve Spurrier Television Show** can be seen on the SEC Network. Check your listings for the times of the broadcasts.

The weekly **Carolina Calls** show will air Thursdays from 7-8 p.m. on the flagship station of the Gamecocks, WNKT-FM, and over the Internet at GamecocksOnline.com. The show takes place at Wild Wing Café, located at 729 Lady Street in the Vista.

SEC NETWORK TO LAUNCH IN AUGUST

The Southeastern Conference and ESPN have signed a 20-year agreement through 2034 to create and operate a multiplatform network, which will launch in August 2014. The new network and its accompanying digital platform will air SEC content 24/7 including more than 1,000 events in its first year.

The network will televise approximately 45 SEC football games, more than 100 men's basketball games, 60 women's basketball games, 75 baseball games, and events from across the SEC's 21 sports annually. Programming will also include studio shows, original content such as SEC Storied, spring football games, signing day and pro days coverage. Hundreds of additional live events from various sports will be offered exclusively on the digital platform. The network and its digital extensions will connect with each SEC institution and create opportunities for each school to produce and develop content.

As part of the agreement, ESPN will now oversee the SEC's official Corporate Sponsor Program. In addition, ESPN and the SEC also agreed to extend their existing media rights agreement through 2034. ESPN has televised the SEC since 1982. ESPN's existing networks present more than 1,600 hours of SEC action each year. The new network will focus exclusively on the SEC and add another outlet to deliver sports fans more SEC content than ever.

GAMECOCK TELEVISION HISTORY

General

The University of South Carolina understands the importance of assisting the media in providing coverage of the institution, its athletics programs, administrators, coaches and student-athletes. Our goal is to disseminate information as widely, uniformly and fairly as possible using normally accepted media standards. To this end, the best attempt will be made to fill reasonable requests by recognized media outlets. Members of the media are encouraged to work with the South Carolina Athletics Media Relations staff to assist in that endeavor. **It is not permissible for media members to contact any athletics department administrator, associate, coach or student-athlete directly without working through the media relations department.**

Preseason Media/Photo Day

South Carolina's annual Football Media Day is set for Sunday, August 3. Photos are tentatively scheduled to be taken on the field beginning at 1 p.m. No interviews will be allowed on the field. Head Coach Steve Spurrier will hold a press conference beginning at approximately 1:40 p.m. in the Media Interview Room, located under the west stands at Williams-Brice Stadium. Requested student-athletes and assistant coaches will be available on the second floor of the Crews Building following Coach Spurrier's press conference.

Press Credentials

Working press credentials for the 2014 South Carolina home football games must be requested online through www.sportssystem.com/clients/seccredentials. Credential requests must come from the sports editors and the sports directors only.

It is not always possible to accommodate all requests. No one under 18 years of age will be issued a credential without prior approval.

Any questions or concerns can be directed to Associate Media Relations Director Diana Koval at 803-777-7977 or by email at dkoval@mailbox.sc.edu. Requests for season passes should be submitted no later than August 4. Requests for single games should be made no later than seven (7) days prior to game day and will be approved the week of the game. Once approved, all credentials must be picked up on game day at Media Will Call, located at Gate 5 on the west side of the stadium by the press elevators. Media Will Call will open three (3) hours prior to kick-off. A photo ID must be presented to receive the press credential.

Note: Credentials will be considered only for those media members on specific assignment for a specific media outlet that meets the criteria below. Credentials are non-transferable and may be revoked at any time.

NEWSPAPERS are eligible to apply for credentials and access to media opportunities. The granting and number of credentials for daily newspapers will be based on the newspaper's circulation on a space available basis.

Those newspapers publishing more than twice a week, but less than six, will have priority after those in the daily newspaper category.

WEBSITES that meet one of the following criteria will be issued a maximum of three (3) season approved press box credentials, which includes the videographer, and two (2) season field passes to be used for still photography.

1. Is the official website of the home or visiting school or its conference;
2. Is the official online service of a national over-the-air or cable television network;
3. Has a "national affiliate agreement" with or is an official licensed site of a national or local newsgathering organization and has at least one full-time employee

dedicated to writing for the site; or

4. Is a local newsgathering organization that has at least two full-time employees and is owned by a media company with multiple assets.

Websites that are an extension of a non-digital local media outlet (newspaper, radio, television) will not be issued credentials independent of their originating organization.

Sport-specific websites with more than two full-time writers will be considered on a case-by-case basis.

No credentials will be issued to any website that is not deemed by University of South Carolina Assistant Athletics Director/Media Relations Steve Fink to have adequate editorial oversight. Credentials will not be approved to anyone who writes or posts under an alias.

TELEVISION stations will be issued a maximum of two (2) season approved press box credentials. However, press box seating is not guaranteed for both credentials. Television stations will receive a maximum of two (2) field passes.

Local **RADIO** stations will be granted one (1) season approved press box credential per daily sports show. In addition, one (1) press box credential will be distributed per station for the sports director. Field passes will not be issued to radio stations. Non-daily local radio sports shows and out-of-market radio stations that have a daily sports show will be granted a maximum one (1) credential on a game-by-game space available basis.

STUDENT MEDIA outlets for the home and visiting schools will be issued credentials in accordance with the policy or their format (newspaper, website, radio, television). To be considered student media, the outlet must be sanctioned as such by the university, have full-time university staff overseeing the training of staff or be governed by a university-appointed board, and receive some portion of its funding from student fees.

PHOTO WIRE SERVICES that distribute nationally and retain all rights for sale and usage of any image taken at the event will be issued one (1) season field pass with an option for a second on a game-by-game, space-available basis. Any wire service that sells/shares its images for non-editorial uses must provide the University of South Carolina Athletics Media Relations department with a statement indicating how it ensures that non-editorial clients use its images within NCAA regulations.

All other credential requests, including weekly newspapers, magazines, specialty publications, etc. will be considered on a game-by-game and case-by-case basis at the discretion of Steve Fink, Assistant AD/Media Relations. All credential policies are subject to change and final approval of all credentials is at the discretion of the Assistant AD/Media Relations.

Non-affiliated bloggers and freelance photographers will not be credentialed. Only working photographers/videographers with professional-grade cameras will be allowed on the field.

Media outlets that cover the visiting school will be considered following consultation with that school's athletics media relations department.

Photographers/Videographers Sideline Policy

The University of South Carolina adheres to the NCAA and SEC guidelines regarding media representatives on the sidelines:

1. Photo credentials will be issued only to accredited media outlets prior to the game and photo identification must be provided.
2. Photographers must check in at Media Will Call on the west side of the stadium adjacent to the press elevator. Those photographers who will work on the sidelines will be issued a vest. This vest must be worn at all times to gain access to the sidelines. No other type of

photo or media credential will allow an individual access to the sidelines. The vest must be returned to the South Carolina media relations staff following the game.

3. Working photographers/videographers are permitted to shoot in the designated area (between the two marked dotted lines outside the 25-yard lines). All other media representatives on the field (announcers, reporters, etc.) must stand behind the designated area. This will ensure that photographers/videographers have the appropriate space to do their work. No photographer will be allowed to shoot from either end zone.

4. Photographers are encouraged to use the photo work room, located on the ground level of Williams-Brice Stadium. Wired and wireless internet is available. While security in this area is provided, the University of South Carolina is not responsible for the loss of any items.

5. According to NCAA policies, the presence of any type of photographer/videographer in the bench area for all sports is strictly prohibited. According to the NCAA Football Rules and Interpretations Manual (Rule 1, Section 2, Article 4b): "the team area shall be limited to squad members in uniform and a maximum of 60 other individuals directly involved in the game. The 60 individuals not in uniform shall wear special identification." (Rule 1, Section 2, Article 4e): "No media personnel, including journalists, radio and television personnel, or their equipment, shall be in the team area or coaching box, and no media personnel shall communicate in any way with persons in the team area or coaching box."

The SEC also prohibits photographers/videographers from stopping and shooting from behind the bench area or into the bench area. The bench area at Williams-Brice Stadium is defined by the area between the 25-yard lines and covered with a white tarp.

6. Photographers and videographers are considered working members of the media and they are to refrain from cheering or talking to players, coaches or officials.

SEC Internet Real Time Policy

By acceptance and use of an SEC media credential, the holder agrees to the following conditions for any and all athletic events hosted by the SEC and its member institutions:

1. The SEC and its member institutions grant a media organization a limited license to use certain gathered information on the media organization's own Internet or online site beginning at the start of an athletic event and up to the conclusion of such event, all subject to the following limitations and conditions:

(a) No more than 10 still photographs may be used for news coverage of the game and other editorial purposes during the event.

(b) Videotape may only be shown as part of a single, non-archived, online "simulcast" of a television station's regularly-scheduled news program.

(c) While a game is in progress, the use of statistical information is time-delayed and limited in amount so that an organization's Internet or online game coverage does not undercut the authorized and rights-paying fee organization's rights to play-by-play accounts of the game and/or exclusivity as to such rights.

2. Any proposed media use on an Internet or online site of the game information that is more detailed and/or more than described above will require separate written authorization by the SEC and/or its member institutions. However, such written authorization will not permit the use of game information in entertainment contexts and will not authorize game coverage that, due to immediacy of detail, constitutes or approaches a play-by-play account of a game.

3. Should any of these conditions be breached, the SEC and/or its member institutions will issue a written warning for the first violation. If this violation occurs during the last game of the institutions' regularly scheduled season, the media organization may not be credentialed for the SEC Championship. A second violation of this policy will result in revocation of credentials to cover future football games hosted by the SEC and/or its member institutions.

Press Box/Services

South Carolina's press box has seats for 144 members of the media, along with television and radio booths, coaches' booths and public address and stadium operations/security booths. Located just above the press level is the photo deck. All members of the media covering the game are invited to a catered meal, which is served beginning two hours prior to kickoff.

Wireless internet is available for use. Wired outlets for photographers and videographers are available in the back of the press box. The photo work room, located on the ground level of Williams-Brice Stadium, also has wired and wireless internet access.

Any media outlet that wishes to install its own telephone should contact South Carolina Telephone Communications at (803) 777-1800.

The Athletics Media Relations department supplies quarterly play-by-plays and quickie stats, halftime statistics, final team and individual statistics and coaches and players quotes. An inside public address announcer also keeps the media informed of play-by-play, records and game notes.

The Carolina press box is for the working media only. In accordance with the Football Writers Association of America, no cheering will be allowed.

In-Game Statistics

Media should utilize StatMonitr live stats for all the latest statistical information during games. Visit gamecocks.statbroadcast.com for live scoring of all home football games. The password will be provided on game day.

The visitors' locker room and postgame interview room are located under the west stands at the north end. The Gamecock locker room will be closed following the game. Coach Spurrier will be available in the postgame interview room approximately 10 minutes after the game. Selected student-athletes will also be brought to the interview room following the cool-down period. Admittance to postgame interviews is by credential only. The South Carolina press conference will be televised live to the press box. **No interviews, other than those conducted by the rightsholders, should be conducted on the field following the game.**

THE SEC

The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.
