

# South Carolina Softball Fall Clinics 2012

**Sunday, September, 16**  
**Indoor Turf Facility**  
**Position Play OR Pitching**

**10:00-1:00 PM**

**\$ 60.00**

## **Position Play**

Do you want to improve your position play? Come work on the specifics and finer points of defense with the Gamecocks. This clinic will touch on all aspects of making you a better defensive player. Each participant will have their overhand throw measured on a JUGS gun.

**Infielders:** Improve your footwork, approach, drop-steps', base coverage; Better Glove work to include, backhands, short hops, types of throws and throwing on the run.

**Outfielders:** Pre-Pitch Preparation, Power drop steps, getting quality jumps, overhead catches, sliding catches, improving arm strength & accuracy, playing balls at the fence and communication

**Sunday, September, 16**  
**Indoor Turf Facility**

**10:00-1:00 PM**

**\$ 60.00**

## **Pitching- DROP Ball— Catcher Clinic \*New\***

This session is designed to teach the fundamentals and mechanics of the Drop Ball. Learn drills to increase your spin and movement. The drop ball is a great pitch to develop to frustrate hitters and minimize home runs! Catcher Clinic, will teach the fundamentals of the catching position. Focus on blocking, throws, bunt coverage, signals and being a sound catcher.

---

**Sunday, September, 16**  
**Indoor Turf Facility**

**2:00-5:00 PM**

**\$ 60.00**

## **"Absolutes of Hitting" Clinic**

### **Hitting**

This clinic is designed to improve your offensive potential, with the focus of a proper swing technique, mental preparation, timing, pitch recognition and confidence. Hitters will drill the necessary fundamental techniques and explosive movements that are the absolutes to becoming a complete hitter. The mental aspects of successful hitters will be discussed and practiced, along with video analysis examples of elite hitters using our Right View Pro video analysis software.
