# Gamecock Club

Thousands of student-athletes have received their education at the University of South Carolina through the generous contributions of the Gamecock Club, the University's official athletic booster and fund-raising organization.

The right arm of the Gamecock Athletic Department started in 1942 and in its 65-year existence has grown to the point that annual donations have surpassed the \$14 million mark. The Gamecock Club was one of the nation's first athletic fund-raising bodies to top \$1 million in contributions when that goal became a reality in 1977.

Hosts of alumni and zealous fans of Gamecock student-athletes have joined themselves in a "Commitment to Excellence" through their financial support in educating the young men and women who proudly wear the Garnet and Black and represent the University of South Carolina.

The Gamecock Club is recognized by the State and Federal Government as an eleemosynary and tax exempt entity, in order that individual contributions are eligible for deduction.

The charter of the Gamecock Club is approved by the National Collegiate Athletic Association (NCAA), the Southeastern Conference, the University of South Carolina and the athletic director of the University of South Carolina, main campus. Its sole purpose is to provide financial aid to student-athletes in 20 varsity sports. This aid is in the form of recruitment, tuition fees and charges, meal cost, housing cost, medical cost, injury insurance and rehabilitation expense, as well as special education needs and tutorial sessions.

Funds raised by the Gamecock Club are used for supporting student-athletes who qualify on the basis of prescribed levels of scholastic achievement established by the National Collegiate Athletic Association and by the Scholarship Committee of the University of South Carolina in addition to meeting the standards of athletic ability and achievement set by the respective coaching staffs.

The 54 chapter presidents constitute the Board of Directors, which governs the club. An elected 17-member executive council meets regularly to make recommendations concerning policy matters.

Gamecock Club membership is open to any alumnus or friend of the University — anyone interested in the advancement of the University and its athletic program.

Gamecock Club members receive membership cards, decals, Spurs & Feathers newspapers and priority on the purchase of tickets. Contributors of \$650 or more receive special parking privileges near Williams-Brice Stadium. However, the most satisfying element in a Club member's participation is the knowledge that he or she is assisting student-athletes in their educational pursuits at the University of South Carolina.

## Carolina Student-Athlete Media Interview Policy

All interviews are to be coordinated through the media relations office. This allows us to arrange the interview when it best suits the student-athlete's and the reporter's schedule. Please contact the media relations office in advance to make your interview requests. Media are not permitted to contact student-athletes on their own.

All interviews will take place at the practice facility, the Colonial Center or at the media relations office.

Dormitory, apartment and cell telephone numbers for student-athletes will not be provided to the media. Should you need to conduct a telephone interview with a student-athlete, a call will be placed to you from the athlete at a mutually agreeable time.
