# Gamecocks Win West Region Title

## South Carolina finishes 44 under par to set course record en route to program's first regional title.

Behind a record-breaking performance, the South Carolina men's golf team claimed a two-stroke victory over UCLA to win the 2007 NCAA West Regional at Karsten Golf Course (Par 72, 7,057 yards) in Tempe, Ariz. The Gamecocks recorded a three-round score of 820 to finish 44 strokes under par and set a course record.

"The guys were focused all week and nothing fazed them," South Carolina associate head coach Bill McDonald said. "I kept talking about winning the tournament, not so much advancing (to the NCAA finals). I wanted them to taste victory. I felt like we were good enough to win earlier in the season. We had some opportunities and didn't get it done. I am proud of the effort they gave."

South Carolina entered the final round one stroke behind regional leader and No. 4 UCLA. The Gamecocks shot 10-under par (278) as a team Saturday to beat the Bruins, who were seven under (281). No. 10 Southern California and No. 18 Arizona State, the regional host, shared third place with a final score of 824 (-40). Fellow Southeastern Conference team Vanderbilt caught fire on Saturday, finishing the third round at 21 under to surge into fifth place.

It was the first regional title for the Gamecocks, who reached the top 10 in three of the previous four NCAA Regionals. In 1999, South Carolina fell just shy of the East Regional title, finishing second in Barrington, R.I., despite Kyle Thompson's individual victory at the event.

The Gamecocks, who entered the tournament as the No. 11 seed, held a slight lead on UCLA for most of the final day, and freshman George Bryan IV's strong finish secured the win. The last player on the course for South Carolina, Bryan eagled No. 17 and sank a 40-foot putt for birdie on No. 18. The Chapin, S.C., product tied for 10th individually with a three-day total of 68-67-69=204 (-12). His tournament total of 204 tied him for fourth place in school history for a three-round individual score and was the best individual performance ever by a Gamecock in regional play. Bryan's 10th-place finish was the best by a Carolina golfer since Thompson won the 2001 NCAA West Regional in Corvallis, Ore.

Sophomore Florian Fritsch and junior Mark Anderson tied for 16th on the individual leader board after posting three-day totals of 206 (-10), which tied for the eighth-best three-round effort in school history. Anderson closed with a 70 (-2) on the

final 18 holes, while Fritsch carded a 71 (-1) Saturday.

Sophomore Mark Silvers III fired a final round 69, and junior Warren Thomas posted a 70 on the final 18 holes. Silvers and Thomas both tied for 43rd with a three-day total score of 211 (-5).

"I noticed early on that both teams (South Carolina and UCLA) seemed tight," McDonald said. "It really helped us that Mark Silvers got off to such a good start. He made a couple of birdies early and made the turn at 32 (four under par). I think when our guys started to see the board and that we had a lead, that really helped. We got a burst of energy on the back nine knowing we had a chance to win."

As a team, South Carolina opened with a round of 273 on Thursday before shooting 269 on Friday. Those scores are among the five lowest rounds in school history. The team victory was the first for South Carolina since capturing the title at the 2005 Bank of Tennessee Intercollegiate (Oct. 15-16). In 2007, the Gamecocks' previous best performance was fourth place on three occasions.

"I told the team in a meeting a little while ago that this will mean more to them as the years go by," McDonald said of winning the title. "It will really mean a lot. To me, it gives our program validity. Instead of just talking about what we want to do, we went out and did it. It will really help from a recruiting and coaching standpoint. The more they win, the more they will believe and expect to play this way. That will develop tradition and have a long-lasting effect."
