SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts three additional football-focused studio shows in the fall: Thinking Out Loud, SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

THIS IS SEC FOOTBALL

- Fourteen times in the last 15 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 11 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.
- The SEC finished 7-2 in the postseason in 2020 to lead the nation in bowl wins, with all seven wins coming against Top-25 competition - the most in history for the conference. In the four bowl games where an unranked SEC team played a Top-25 opponent, the SEC went 3-1.
- Since Florida in January 2009, five different teams from the SEC have played for the national championship. Four of those five have multiple appearances and at least one victory since 2007.
- Not counting games versus each other, the SEC is 10-3 all-time in College Football Playoff games, playing in six of the seven CFP Championship Games (winning four of those six). Since 2006, the SEC has posted a 27-14 (.659) record in BCS/CFP games, more wins, appearances and winning percentage than any other A5 conference.
- More than 350 players from Southeastern Conference schools were listed on the initial 53-man NFL rosters to begin the 2020 season. Seven SEC schools were represented by at least 25 former players on active rosters, including Alabama with a league-high 57. In addition to the 53-man active rosters, more than 100 former SEC players are listed on reserve lists or practice squads for NFL teams. A total of 25 former SEC players were on active rosters of the Super Bowl between the Chiefs and Bucs.
- The SEC is 97-55 (.638) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.
- The SEC has now won 47 games in the last seven postseasons and has sent no less than eight teams to post-season bowls in each of the last 14 seasons.
- In the seven seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) - four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC.
- Nine different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.
- With Georgia and Alabama both earning victories in the CFP Semifinals in 2017, the national championship game featured two SEC teams for the second time in the last nine seasons.

2021 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
- Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- A forward pass or forward handing after a change of team possession.
- Pass ruled forward or backward when thrown from behind the neutral zone.
 - If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- Loose ball by a potential passer ruled a fumble.
- Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 - If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- Live ball not ruled dead in possession of a ball carrier.

2020SEC Football

- d. Loose ball ruled dead (Rule 4-1-2-b-2), or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing football action.
 - 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 - 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down or the goal line.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.
- j. Catch or recovery of a loose ball in the field of play or an end zone.
- k. Forward fumble that goes out of bounds with respect to a first down.
- l. Live ball declared dead under Rule 4-1-2-b-2 and b-3 (inadvertent whistle).

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.
- e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting

- a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul. For a Targeting foul to be confirmed, all elements of the Targeting foul must be confirmed. There is no option for stands as a part of the Targeting review. If any element of the Targeting foul cannot be confirmed, then the Replay Official shall overturn the targeting foul.
- b. The Replay Official may create a targeting foul, but only when the targeting action is clear and obvious and the foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. With less than one minute in either half and a replay review results in the on-field ruling being reversed, and the correct ruling would not have stopped the game clock, then the clock will be reset to the time the ball is declared dead by replay. The referee will subtract 10 seconds from the game clock and the game clock will start on the referee's signal. Either team may use a team timeout to avoid the runoff.
- d. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 - 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 - 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 - 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 - 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- e. Correcting the number of a down.
 - 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 - 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- f. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- g. An injured player at the initiation of the medical observer.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

- a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.
- b. Player beyond the neutral zone when kicking the ball.
- c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
- d. The number of players on the field for either team during a live ball.
- e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
- f. Player who is out of bounds touching a free kick that had not been touched inbounds.
- g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
- h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

- 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
- 2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
- 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
- 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC FOOTBALL BOWL AGREEMENTS

The Southeastern Conference has six-year agreements with nine football post-season bowls, which includes the addition of the Las Vegas Bowl and the Gasparilla Bowl in Tampa, beginning with the 2020 postseason. ESPN Events has the next selection to fill the Birmingham and Gasparilla Bowls. The nine bowls are in addition to bowl games in the College Football Playoff system for which SEC teams are eligible to qualify. Also, the SEC participates in the Allstate Sugar Bowl in years it is not a CFP semifinal game and the Capital One Orange Bowl in selected years.

The SEC has extended its current agreements through 2025 with the Citrus Bowl in Orlando, the Outback Bowl in Tampa, the TaxSlayer Gator Bowl in Jacksonville, the Transperfect Music City Bowl in Nashville, the Academy Sports + Outdoors Texas Bowl in Houston, the AutoZone Liberty Bowl in Memphis and the Birmingham Bowl.

In addition, the SEC will continue its relationship with the Duke's Mayo Bowl in Charlotte, participating in that bowl game in 2021, 2023 and 2025. For the remaining three years of the six-year cycle, SEC teams will participate in the Las Vegas Bowl against a Pac-12 opponent in 2022 and 2024. The SEC has also added a new bowl partnership with the Union One Gasparilla Bowl in Tampa through 2025.

The SEC will maintain its current bowl selection process in which the Citrus Bowl has the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, the Allstate Sugar Bowl or the Capital One Orange Bowl, after which the SEC assigns teams to a Pool of Six bowls.

The SEC Pool of Six consists of the Outback Bowl, Gator Bowl, Music City Bowl, Texas Bowl and Liberty Bowl, as well as the Las Vegas Bowl in 2022 and 2024, and the Duke's Mayo Bowl in 2021, 2023 and 2025. In consultation with SEC member institutions, as well as these six bowls, the conference will make assignments for the bowl games in the pool system. ESPN Events selects teams to participate in the Birmingham and Gasparilla Bowls after the Pool of Six have been assigned.

2021 SEC Bowl Selection Process

CFP BOWLS: Cotton (SF), Orange (SF), Sugar, Rose, Peach, Fiesta, CFP Championship

Contract Bowls: Sugar (SEC vs. Big 12 when Sugar is not a semifinal game)
Rose (Pac 12 vs. Big Ten when Rose is not a semifinal game)
Orange (ACC vs. highest ranked SEC/Big Ten non-champion or Notre Dame when Orange is not a semifinal game like in 2021)

Access Bowls: Fiesta
Peach
Cotton (Semifinal in 2021)

1) Which SEC Team qualifies for the CFP?

The winner of the SEC Championship Game automatically qualifies for a spot in the Sugar Bowl if that team is not selected to participate in the four-team playoff. If the SEC Champion is selected to participate in the four-team playoff it will play in the Cotton Bowl or Orange Bowl. The next highest-ranked SEC team not in the four-team playoff goes to the Sugar Bowl.

2) How can additional SEC teams be selected for the CFP?

Additional SEC teams may be selected for the CFP Semifinals (Cotton or Orange) or one of the CFP access bowls (Peach or Fiesta) based on its ranking in the final CFP Selection Committee rankings. There is no limit on the number of teams from any one conference that can be selected to participate in the CFP bowls.

3) How can a SEC Team be selected to participate in the Orange Bowl?

When the Orange Bowl is not a semifinal game and a SEC team is the highest ranked team by the CFP Selection Committee among the non-champions of the SEC and Big Ten and ranked higher than Notre Dame after the CFP semifinal games have been filled, then that team will participate in the Orange Bowl. There are eight years in which the Orange Bowl is not a semifinal game and the SEC is guaranteed three of the eight years, the Big Ten is guaranteed three of the eight years and the remaining two years can be filled by Notre Dame, the SEC or the Big Ten based on CFP Selection Committee rankings. The SEC Champion can never participate in the Orange Bowl unless it is a semifinal game, which it is in 2021.

4) How does the CFP selection process work in 2021-22?

The CFP Selection Committee ranks the top 25 teams and selects the four teams to participate in the semifinal games (Cotton and Orange). Then, after the contract bowls (Sugar and Rose) are filled based on conference agreements, the Committee will assign teams to fill the remaining access bowls (Peach and Fiesta). Each conference champion from the contract bowls (ACC, Big Ten, Big 12, SEC & Pac 12) has a guaranteed spot in its contracted bowl or in an access bowl (Peach or Fiesta) if the contracted bowl is a semifinal game and the conference champion is not selected to participate in a semifinal game. The highest ranked champion from the Mountain West, American, Conference USA, Sun Belt or MAC is guaranteed a spot in a CFP bowl and the remaining spots are filled based on the rankings of teams after the contract bowls have been filled.

SEC BOWL SUCCESS

NATIONAL CHAMPIONS SINCE 1992

Since the first SEC expansion in 1992, the SEC has the most national championships (AP, USA Today) with 15. During that time, the SEC has had more teams with national titles than any other conference (5). Here is a breakdown:

SEC (15) Florida (2008, 2006, 1996), LSU (2003, 2007, 2019), Tennessee (1998), Alabama (1992, 2009, 2011, 2012, 2015, 2017, 2020), Auburn (2010)
 Big 12 (5) Texas (2005), Oklahoma (2000), Nebraska (1994, 1995, 1997)
 ACC (5) Florida State (1993, 1999, 2013), Clemson (2016,18)

SEC FOOTBALL

SEC SUCCESS SINCE 2006

During the last 14 seasons (2006-20), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won 11 of the last 15 national championships, 13 of the 23 BCS/CFP-era National Championships, five runner-up finishes and 27 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in 14 of the last 15 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017, 2020; Florida, 2006, 2008; LSU, 2007, 2019). Five programs have advanced to the national championship game since 2008 as Georgia met Alabama in the 2018 CFP Championship Game. Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two.

• Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (17 of 32). The ACC and Big Ten have four during that time, while the Big 12 and Pac-12 have two.

• The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 26 wins in BCS - now New Year's Six/Access bowls - more wins than any other conference.

• Three of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their average 448 yards per game.

• The SEC has now won 47 games in the last six postseasons. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 13 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.

• The SEC is 97-55 (.638) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and more than 30 wins than the next closest conference.

SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 705-174 record, an 80.2 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last 14 seasons (2006-2019) prior to Covid-19. Last season (2020), the SEC was 7-2 (.778) in bowl games, the only non-conference competition of the season.

SEC IN FINAL RANKINGS

• Since 2006, the SEC has had the most teams ranked in the final USA Today Coaches Poll. The conference has had 81 teams ranked in the final USA Today rankings.

• The SEC has either led or tied for the lead with the most teams ranked in the USA Today Top 25 for 13 of the last 15 seasons.

THIS IS SEC FOOTBALL

• Fourteen times in the last 15 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 11 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.

• The SEC finished 7-2 in the postseason in 2020 to lead the nation in bowl wins, with all seven wins coming against Top-25 competition - the most in history for the conference. In the four bowl games where an unranked SEC team played a Top-25 opponent, the SEC went 3-1.

• Since Florida in January 2009, five different teams from the SEC have played for the national championship. Four of those five have multiple appearances and at least one victory since 2007.

• Not counting games versus each other, the SEC is 10-3 all-time in College Football Playoff games, playing in six of the seven CFP Championship Games (winning four of those six). Since 2006, the SEC has posted a 27-14 (.659) record in BCS/CFP games, more wins, appearances and winning percentage than any other A5 conference.

• More than 350 players from Southeastern Conference schools were listed on the initial 53-man NFL rosters to begin the 2020 season. Seven SEC schools were represented by at least 25 former players on active rosters, including Alabama with a league-high 57. In addition to the 53-man active rosters, more than 100 former SEC players are listed on reserve lists or practice squads for NFL teams. A total of 25 former SEC players were on active rosters of the Super Bowl between the Chiefs and Bucs.

• The SEC is 97-55 (.638) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.

• The SEC has now won 47 games in the last seven postseasons and has sent no less than eight teams to post-season bowls in each of the last 14 seasons.

• In the seven seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) - four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC.

• Nine different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.

• With Georgia and Alabama both earning victories in the CFP Semifinals in 2017, the national championship game featured two SEC teams for the second time in the last nine seasons.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
 - B. Records of the tied teams within the division;
 - C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
 - D. Overall record against non-divisional teams;
 - E. Combined record against all common non-divisional teams;
 - F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
 - G. Best cumulative Conference winning percentage of non-divisional opponents;
- and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. Best cumulative Conference winning percentage of non-divisional opponents (Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

2021 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners will meet in Atlanta's Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 30th-annual title game is set for December 4 and will be televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2018 SEC Championship Game was the most-watched and highest-rated regular-season college football game on any network in seven years with a 10.1/23 rating/share and 17.5 million viewers. It also marked the second most-watched SEC Championship ever in 26 years since the game debuted in 1992. Nearly 14 million viewers watched the 2019 contest. Shifting to primetime, the Alabama-Florida SEC Championship in 2020 averaged a 4.9 and 8.92 million viewers on CBS. It was the first primetime SEC Championship since the 2006 game.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 26 capacity crowds in its 28-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions. The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

2021 SEC Football

A YEAR LIKE NO OTHER

The events of 2020 posed a series of complex, unprecedented challenges for the entire sports world. However, the Southeastern Conference and its 14 members were some of the unquestioned leaders in all of sports for successfully navigating issues unique to competing in a healthy environment. The league's patient resolve, keen ability to listen to all constituencies while blocking out waves of societal and media noise and the unwavering determination to do what is best for the SEC and its student-athletes were put to the test throughout the year. And as is often the case with all things SEC, that test was front and center on the national stage.

The SEC's leadership through the COVID-19 pandemic served its student-athletes well. Thousands of student-athletes were able to participate in their lifelong passions in a healthy way. Memories were created that otherwise would have never come to pass. The SEC made no hasty decisions that could have torpedoed the fall sports season early. Under the constant spotlight on the SEC, the conference fostered a culture of extreme collaboration among the leaders of the league in order to allow the SEC's 14 schools to move together in lockstep through adversity, difficult decisions and unrelenting social pressures.

The SEC established a new start date to the 2020 season and re-engineered its football schedule to become the example of how to successfully operate – and still celebrate athletic achievement – during a global crisis.

While football garnered the most attention, the SEC also conducted fall championships in soccer and cross country. The conference also safely participated in volleyball, and men's and women's golf, providing the highest level of amateur competition to student-athletes who otherwise would have been sidelined in the fall, then continued through the winter and spring with a full slate of sports and championship events.

SEC INITIATIVES

SEC Council on Racial Equity and Social Justice

The Southeastern Conference moved quickly to formally launch The Council on Racial Equity and Social Justice. The league-wide council includes more than 60 athletes who are in the SEC's existing student-athlete engagement program, plus administrative leaders from each campus and head coaches from each sport. The Council has focused on five key areas:

- Increasing access and representation for underrepresented minorities
- Providing enhanced support for underrepresented minorities
- Improving education on racial and social issues for all stakeholders
- Deepening commitments to local communities
- Raising awareness of racial inequity and social injustice

The Conference has teamed with the SEC Network to keep the topic top-of-mind. The Network continues to feature interviews, TV specials, and regular series with impactful content such as:

SEC Voter Education and Participation Program

On September 3, 2020, the SEC announced its first ever voter and civic engagement effort. Through the SEC Voter Education and Participation Program, all 14 member universities committed to support non-partisan engagement of SEC student-athletes, coaches and staff in the November 2020 general election and in future local, state and federal elections. "Voting is an important way to fulfill one's civic duty in America," Sankey said. "The SEC Voter Education and Participation Program focuses on creating an opportunity for our universities to help our student-athletes, coaches and staff understand and participate in the election process."

College Football Playoff Foundation Extra Yard for Teachers

The SEC earmarked funds it traditionally receives from the College Football Playoff Foundation's Extra Yard for Teachers program specifically to go to low resource schools in SEC communities.

SEC Student-Athlete Enhancement Grant

The SEC added racial equity, social justice and diversity and inclusion to the list of permissible types of programs funded by the conference's student-athlete enhancement grant facilitated through applicable campus units.

TOGETHER It Just Means More Public Service Announcements

In conjunction with the opening weekend of football games, the SEC launched a series of television public service announcements with the "TOGETHER, It Just Means More" message. The initial announcement was 60 seconds long and aired during every football game played on the September 26, 2020, opening day. Later, the SEC launched four 30-second announcements that featured all sponsored sports and universities.

Virtual Career Tour

For the fifth consecutive year, but this time with a different twist, the SEC conducted its successful Student-Athlete Career Tour. The pandemic could not stop this important student-athlete engagement initiative as it was conducted in a virtual format, hosting 68 student-athletes from all 14 SEC universities.

The program allows graduating student-athletes to connect with human resource recruiters in various careers and submit resumes for entry-level jobs and internships. The students also learn about interview preparation, and ways to build effective business relationships through authenticity, curiosity, and social media best practices. This year, the group met with executives at several corporations in the Atlanta area including Cox Communications, The Atlanta Hawks, and Chick-fil-A.

SEC Celebrates Academic Achievement with Graduate Patch

A total of 194 Southeastern Conference football student-athletes representing all 14 SEC universities will wear the SEC graduate patch during the 2021 season. The SEC introduced the patch in 2016 season for student-athletes in all sports who have already earned their degree but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch with the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but it is school-specific in color.

COLLEGE FOOTBALL PLAYOFF

EVERY GAME COUNTS

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

RANKINGS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

TRADITION

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl.

CHAMPIONSHIP MONDAY

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance during the regular season. No team automatically qualifies.

GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners and Notre Dame athletics director (the Management Committee) managing the event. A small staff in the CFP office in Irving, Texas, carries out the day-to-day responsibilities.

SELECTION COMMITTEE

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Mitch Barnhart, Gary Barta (chair), Paola Boivin, Tom Burman, Charlie Cobb, Boo Corrigan, Chris Del Conte, Rick George, Will Shields, R.C. Slocum, Joe Taylor, John Urschel and Rod West.

COLLEGE FOOTBALL PLAYOFF

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - Consider geography.

PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest-ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome the highest-ranked teams, any displaced conference champions, and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
