

SOUTH CAROLINA (5-2, 2-2) vs. TEXAS A&M (3-4, 1-3)
SATURDAY, OCTOBER 22, 2022 | WILLIAMS-BRICE STADIUM | COLUMBIA, S.C.

>>> TEXAS A&M HEAD COACH JIMBO FISHER

Opening Statement

“The guys played a hard game, fought, came back, gave us a chance - but we can't start off like that on the road.”

On ... Mental mistakes after a bye week

Quote

“We've just got to get back, get confidence going. There are good streaks that we have, but we have to do it more consistently. I mean it comes and goes a little bit, but we have to be a little more consistent in what we're trying to do.”

On ... Turning the season around

Quote

“We have good players. It's not like we're getting ran out of the state. We just got to keep executing or find a way to make a play or two and all of a sudden you get over the hump. It's just the way it goes.”

On ... Run plays

Quote

“We were calling runs and they were stacking the box, bringing the extra guy and there was an unblocked guy, that's why we were able to get the RPO's. We had about three runs on our RPO's, they we're bringing an extra guy in the box and that's why we threw it.”

On ... Eight false start penalties and using a new center

Quote

“It was noise. They had a little miscommunication, but you know, guys have to listen. I mean on the road; we play on the road here all the time. We shouldn't have nothing like that.”

>>> TEXAS A&M PLAYER QUOTES

Layden Robinson • Offensive Line • Junior

On ... Eight false start penalties

Quote

“It was miscommunication on some parts. It was got loud some areas, you know, but we just we can't really depend on that. We just got to go through that, and we just got to listen more - focus more. It was when we got in the crunch zones that it was big moments from crowds.”

On ... Identity of the team

Quote

“This is not who we are at all, and that's hard to say because we keep having stuff pop up like this all the time. I believe this is not us. You've seen glimpses of us in a lot of games, but we just have to get there. It's always going to be a grind to get there. We just got to keep prevailing through.”

Fadil Diggs • Defensive Line • Sophomore

On ... Young talent on the team

Quote

“The young guys, I think they really do good when they get in the game. You know, they’re still younger, but everybody makes mistakes no matter young or old. I make mistakes myself. I think the freshmen do a good job still. They step up and make it happen.”

On ... What can make the remainder of the season a success

Quote

“We got to come together but we need to start off fast. We started off fast and we just keep playing football fast. I still think we have a good team.”
