### >>> SOUTH CAROLINA PLAYER QUOTES

#### **Spencer Rattler • QB • JR**

*On ...if this was the game he was waiting for all year*

*"I can't even explain the feeling we all have right now. This is a game we've all been waiting for, we had a couple of tough losses these past weeks, and we knew this game, and the next one can change the narrative of the program forever."*

*On ...if he ever had a night when everything just clicked*

*"That was probably the best I've ever felt in a game where I felt unstoppable with my guys out there. We felt truly unstoppable and that confidence that this game just gave us is amazing."*

#### **Antwane Wells Jr. • WR • JR**

*On ...the fans storming the field*

*"They kept on pulling me. It was crazy man, but it was definitely a wonderful experience."*

*On ...the mindset and confidence on upcoming clemson*

*"We are going to go in confident and we are going to go in there with a chip on our shoulders, we had a lot of growth and we had a good game, but we really want the world to know what we are about."*

#### **JOSH VANN • Wide Receiver • Fifth Year**

*On If Satt said he was going to be targeting tonight and play a lot...*

*"I just have to be in the game on those two plays. Well actually, the second one I was in the game and I just said we got to go towards this guy. And it just worked out in my favor so two catches, two touchdowns. I think it was my first game with two touchdowns. So way to go out on our senior night, so I was very thankful for that."*

*On Storming the field...*

*"I had a dream Tuesday night we were going to beat these guys. I don't know what God was trying to tell me. But in the middle of that field, with those fans. I just look back and I'm getting tapped on my head, and I'm just trying to get to the sideline. And everybody grabbed me, but it was an amazing feeling. You know this is our last game in Willy B, had the number five team coming in here. And what better way to go out that way to beat those guys."*

#### **DAKEREON JOYNER • Wide Receiver • Redshirt Senior**

*On Snaps at QB tonight...*

*"Yeah I mean, I'm humbly thankful for every opportunity that was presented to me. You know, God always has the last say, so I just keep my head down, keep working. God was gonna show up for me, you know. So that's why I give all the glory to God, I'm super thankful and blessed for all the opportunities that I receive."*

*On what was different from Florida...*

*"We just came back Sunday with a chip on our shoulder ready to work. We just had a really bad night in Gainesville. We knew what we were capable of, you know what I'm saying. So we had to get our mojo back, our swag back, and I feel like we did that."*

#### **CAM SMITH • Defensive Back • Redshirt Junior**

*On Peyton Williams coming in and playing well...*

*"It's just next man up type of mentality, we say that in practice every day. We just have those scenarios in practice where we might have to put a player down, just so somebody else have to come in for a play or something like that, that to get used to those scenarios and stuff like that. So him coming in, I just told him, it's just like practice, it's nothing different. You're just doing the same checks, the same everything, it's just different people wearing different jerseys, that's really all it is."*

#### **JAHEIM BELL • Tight End • Junior**

*On getting so many carries at running back with Lloyd and CBS ou...*

*"Like Cam said, it's just next man up mentality. I never thought I'd be playing running back this season, getting as many carries as 17. So I just I just stepped up to fill the shoes of Marshawn being out, and I just had success with it."*

*On the last touchdown play...*

“Actually that play wasn’t really supposed to unfold like that. The play was supposed to be going to the right, and it kind of broke down, and I was supposed to be blocking off the edge just to make sure nothing is coming off the backside. We just became football players after it broke down, and he just found me down in the endzone and we just made a big play.”
