**SATURDAY, NOVEMBER 23, 2024 | WILLIAMS-BRICE STADIUM | COLUMBIA, S.C.**

## **>>> SOUTH CAROLINA PLAYER QUOTES**

### **Alex Huntley • DT • Redshirt Senior**

*On commemorating senior night.*

*"Time flies. I can't be more grateful... And then Bradley Dunn, that's the most excited I've been in a long time. I love that for him, he deserved that, he carried the ball well the whole night."*

*On playing his entire college career at South Carolina in his home state.*

*"I'm blessed. A lot of great people helped me become that player that I am today ... My teammates, just being able to have these memories with them, it's been nothing short of amazing, so I'm glad to have been able to do that. Glad to be here in Columbia."*

### **Debo Williams • LB • Redshirt Senior**

*On preparing for the senior's last home game.*

*"I would say we kept everything the same for sure. Just if it's working, keep it going, so just execute, practice hard and get better each day."*

*On remaining dominate against Wofford in the second half.*

*"For one, defense, get off the field. They were converting on third downs to the beginning, often stuff that we were messing up with you. And then we had an interception that got called back, so stuff that we can control ... And the offense does what they do, and as the defense, we got to get off the field."*

### **LaNorris Sellers • QB • Redshirt Freshman**

*On the overall assessment of the offense.*

*"We had a lot of new packages... a lot of new stuff. Starting with Tuesday's practice we were just doing what you had to do with the injuries and stuff. Guys stepped up and did what they were supposed to do and I mean that's all you can ask for."*

*On the growth of his confidence.*

*"Just sitting in the pocket and being able to take hits, just being decisive. [The coaches] just kind of tell me if I make a decision, it's the right decision all the time and if it works out it works out and if it doesn't it doesn't but just be confident in myself."*

### **Dalevon Campbell • WR • Sixth Year**

*On finding his rhythm in the offense*

*"Just come to practice... you know stay ready so you don't have to get ready. Just going into every week just working and working. Keep your head down and just work."*

*On his improved play and connection with LaNorris*

*"It's a really good feeling, obviously, but constant work. From LaNorris, I'm seeing what y'all are seeing. He is an absolute dog, that just sums it all up."*
