Member Profile

Name: Don Andrews

How long have you been running/walking?

48 years. Since I was in middle school.

What made you start running/walking?

I ran track and cross country in high school and college.

Best athletic accomplishment and why?

I was a state finalist in track and field during my junior and senior years of high school.

If you like to race, what is your favorite race distance? Why?

5K. I am more competitive in the shorter races and there aren't many shorter than 5K. I did run the Mountain Avenue Mile in Fort Collins while we were on vacation in Colorado in August of 2018. I really enjoyed that race.

Favorite local running route?

I like to run on the trail at Oakbrook Valley. Trail running is more of a challenge and also easier on these old joints.

Favorite club race? Why?

Not technically a club race, but my favorite local race is the Norris Insurance 5K in Amboy. John has been such a great supporter of Club Kokomo for a long time. And what's not to like about free pancakes after a race.

Favorite non-club race? Why?

The Indy Mini-marathon. I ran it for the first time in 2018. It's the only race I can ever remember having a smile on my face while I was running.

Favorite post run/walk treat?

Anything chocolate.

What is your favorite piece of running/walking gear?

My Saucony trail running shoes.

Favorite running/walking related book or movie?

McFarland, USA with Kevin Costner

Do you have a running/walking superstition?

No.

If you could run/walk with anyone, who would it be?

Any of my old teammates. It's fun to reminisce.

Why did you join CKRR?

For the camaraderie.
