Charity Race – November 11, 2017

Hello everyone, it is fall but you wouldn't believe it with this past week's temperature's. How can you not believe in global warming?

Ok I will get to the subject at hand, yes it's Charity Race time yeah. Yes you all get a great opportunity to receive 20 points and choose to be competitive or just have a great jog and share the time with friends. What a great chance to help others and have a good time doing that.

I really hope to raise more money this year, last year was just over \$1200. Wouldn't it be nice to see \$1500 or \$1600 this year? That's not a lot more but it all counts to make a difference for someone. Do you remember job interviews when you first started. Sometimes it's just an outfit that boost self confidence. I'm not trying to paint a picture of a third world country but the needs here in Kokomo are great, they haven't decreased.

The Charity Race has been going on for many years, many of you volunteer and I am ever grateful your time and expertise. "Surprise", I need you again this year. Call or text me to get your name on this list—765-437-2076.

I know last year several of you brought baked goods, please share again. There will be door prizes again, so check your tickets as you come in. I will have a box at the Wednesday night runs if you want to drop off personal care products and clothing for all age groups. The box will be there race day also. There are so many pieces that go into making an event happen - a need -planning together with a group - getting the word out - participants - business donations - volunteers - runners - walkers . . . all with giving hearts. I hope to see many . . . Many . . . of you November 11. CKRR Jeannie Townsend

RUNNERS BLOG—

by David Bruce

Well summer is over so says the calendar. The first few days of autumn felt more like summer than summer did. We have had Run Up to the Mini, Summer Running Series Triple Crown and weekly group long runs still on going.

I would like to bring up something that the Club is starting and we need input and participation. I hear a lot of you saying that you like this and that...whatever, but you are busy with other things. I get that, jobs, family, other interests. Well the Club is starting a **Steering Committee** and the we are meeting for the first get together on October 5th at Patty Weitzel's house. We'll be looking to steer the club with 6 month, one year, and 18 month outlook. Some of the things for consideration: no tee shirt options for races, a city hall committee, events other than races, a CKRR race team, Coyote Kids Award recognition from the RRCA, RRCA convention in April among other things.

Things are brought up at monthly meetings, chatted about and then nothing happens because everyone goes on their way. I'm asking for members to step up and help drive the future of the club. Our membership numbers keep going down and I feel if we brush ourselves off freshen up our agenda we can turn this around and attract new and past members and make Club Kokomo Roadrunners a vibrant exciting modern running club that other clubs will try to emulate.
