On the roads

CK Goodfellows work Dec. 4 and 5

By Johnny 'O

Club Kokomo Goodfellows volunteers should meet at 5:30 p.m. Dec. 4 and 5 at Meijer. Go through the north-east door and walk back to about the center of the store. You will see the Goodfellows' table. Volunteers will rendezvous to the right of the table. Drinks and snacks will be available.

The 24 volunteers for Sunday (Dec. 4) include: Theresa Barlow, Bill Barnett, Kathi Barnett, Bridget Baumfalk, Elisabeth Baumfalk, David Bruce, Gale Devine, George Devine, Jeff Freeman, Brenda Hall, David Hughes, Linda Miklik, Tom Miklik, Arianna Shanks, Ashley Shanks, Clayton Shanks, Stan Shuey, Robin Tetrault, Tiffany Massey, Jeanne Townsend, Greg Townsend,

Anne Wiles, John Wiles, and Joe Yeagle.

The 21 volunteers for Monday (Dec. 5) include: Bridget Baumfalk, Elisabeth Baumfalk, Diana Brown, Dan Coughlin, Gale Devine, George Devine, Brenda Hall, David Hughes, Sue Keller, Vern Keller, Tiffany Massey, Betsy Reinhardt, Brian Reinhardt, Carol Savage, Stan Shuey, Greg Townsend, Jeanne Townsend, Jenny Tudor, Anne Wiles, John Wiles, and Joe Yeagle.

Goodfellows registered families Nov. 14-18. Approved families receive vouchers for clothing. Parents will redeem the vouchers at Meijer from 6 p.m. to 9 p.m. Dec. 4-8. Recipients are assigned a specific day to shop with the number of shoppers each session based on the

total number approved for assistance. Last year, about 60 families shopped each night.

CK Goodfellows normally worked in teams of two. The teams bag recipient clothes or use hand-held scanners and calculators to total dollar amounts before applicants go through Meijer's cash register lines.

Goodfellows total purchases at the request of recipients. Goodfellows wants recipients to use all the money available on the voucher. Once recipients go through the cash register lanes, they are not allowed to receive the voucher back even if they have not used all the allowable money.

Goodfellows has contributed thousands of dollars to Club Kokomo's Coyote Kids program, and for sev-

eral years CK members have returned the favor by becoming Goodfellows and assisting the all-volunteer group in bringing smiles to needy children's faces during the Christmas season.

Goodfellows also receives individual and corporate donations. Money from these sources not spent on the Christmas program is used for scholarships and other youth programs. As it has for several years, Goodfellows donated \$2,500 to Club Kokomo's Coyote Kids this year.

At 106 years old, Goodfellows is the oldest Christmas gift program in Howard County. It was started by Kokomo Tribune employees in 1911. The program now is a not-for-profit organization that is directed by a community-based volunteer board of directors. UAW 1166 members manage the Goodfellows' Christmas program.

CHARITY RACE WRAP UP

It was a chilly start but the sun was shining and no wind. Although the number of participants were down this year you guys came thru with a grand total of \$1212 and many items donated. Thank you to all the runners/walkers for doing this run on such a chilly morning. I also want to thank all the volunteers: Greg, Warren, Carol and Bruce, Ron, Diane, Ashley and Cara. Mark managing the money at the registration table, I know Mark is the treasurer he does this at all the races. Greg and I talked after the race and agreed it couldn't have gone better. We had energetic community service people, lots of cookies, fruit and a few more door prizes this year. Some of the club

BY JEANNIE TOWNSEND

volunteers learned new areas of the race. Visit these businesses as they contributed thru door prizes or fruit: Sunspot, Mac's, CJ's carwash, Barker's, and Main Street Café. We are a good community and that's what we do ..support each other in time of need and happily we volunteer, donate or participate in some other form. Thank you also to Ray for getting out of a warm bed to pull the trailer down and David for pulling the trailer back and Simone for helping by donating gloves and hats. This is a great club but we are only as strong if we participate in some way. Have a Merry Christmas. **(see thank you note from Social & Student Services on page 3)**

Life is a journey of sweetness and sorrow, Of yesterdays memories and hopes for tomorrow, Of pathways we choose and detours we face with patience and humor courage and grace, Of joys that we've shared and of people we've met who have touched us in ways we will never forget. (author unknown)

THE ROADRUNNER

What a year 2016 has been. I know I've talked to several friends about what a "strange" year it has been. From a crazy presidential election to riots, to losing friends suddenly, to death. Without my faith in Jesus Christ I think this year would have been completely overwhelming. I am so glad that God is ALWAYS there and that I can talk to Him no matter where I am or what I am doing.

My favorite place to talk to God is in my car on my way to work. I turn off the radio and just talk to him....I do get distracted sometimes, but I always come back to Him and even thank Him for those

distractions sometimes. He seems to let thoughts flow through my mind sometimes that help me see things differently or more clear.

I know that the Christmas season is a tough time for many, especially those who are facing serious health issues, lost loved ones or suffered loss this year. Please be in prayer for all of those that find it hard to be thankful this Christmas season. God gives us so much, but when life happens sometimes it's hard to see those blessings and just how much we do have. But He is always there and will walk beside us through all that we go through if we will just take time to talk to him and look to Him for guid-

ance through life's challenges, sorrows and joys!

I am so thankful to this club and the wonderful people I have met over the past several years. I am always sad in the winter months that I don't get to see you and fellowship with you on a regular basis. I am so thankful for so many of you who have volunteered for races this year, we couldn't host the races we do without our members stepping up and helping out....THANK YOU!!

I pray that you all have a blessed Christmas and a safe and Happy New Year!!

PLEASE ATTEND THE MEETING TO LET YOUR VOICE BE HEARD AND YOUR VOTE COUNTED.

A BIG THANK YOU

The Peru Firefighters Local 383 Union would like to give a big thank you for helping make our Christmas for Kids 5K a huge success! We were able to have 60 participants at our first event, on a beautiful Saturday morning. A huge thank you goes to Vern and Sue Keller for their knowledge and assistance, and for manning the Timing and Scoring. The Timing and Scoring equipment you allowed us to borrow proved vital to our success. The Peru Firefighters Local 383 would like to put in a written request to receive \$200 back from our \$300 rental agreement to help make our Christmas for Kids program that much better. Thank you for your assistance.

CHARITY RACE RECEIPTANTS

Kokomo School Corporation Department of Social and Student Services focus on a student's ability to achieve academic, personal, and social growth. School social workers, nurses, and the school safety and security officers are a vital part of the school educational team.

These staff members conduct home visits, parent conferences, counseling services, and other community outreach to benefit students. This department also maintains a clothing and instrument closet for needy students throughout the school year for students pre-school through 12th grade.

The closet functions on the help of community donations and volunteers to meet student/family needs. We use monetary donations to purchase clothing,

hats, coats, gloves, prom dresses, underwear, shoes, glasses, school supplies, repair donated instruments and, personal hygiene items etc. Students are confidentially referred to us by principals, teachers, parents, and the community.

Club Kokomo Road Runners have been one of our generous donors who have helped maintain our closet to meet student needs throughout the school year. Without the help of this organization's funds each year, we could not continue to thrive and continue to help families as we currently do.

Thank you in advance for your donation to this worthy cause.

Sincerely, Cynthia Evans, Director of Social and Student Services

SPECIAL REQUEST FROM A PAST CLUB PRESIDENT

Greetings to everyone –

It is in the peace and joy of the Father that we greet you, although our greetings do not come from Liberia but rather a hospital room in Senegal.

Many of you know that early this week Travis was medivac'd from Liberia to Senegal. At first we were fearful it was heart attack but upon this communication it appears he has some type of infection.

We will be going back to the USA from Senegal as soon as he is released and we can get a flight. We both need some rest.

Attached is the December update. Please know how grateful we are for your prayers and your support of the work in Liberia. It will continue no worries about that. We would have never wanted this part of the journey, no one wants the refining fire but through these trials and tribulations we grow. “We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ. For we know, brothers and sisters loved by God, that he has chosen you, because His gospel came to you not simply with words but also with power, with the Holy Spirit and deep conviction.” 1 Thessalonians 1:3 -5.

We serve an amazing God and in Him we find our courage and strength, we have learned as difficult as it is, to let go and just be held by the Father. We cannot praise the Lord enough for the good health and condition that Travis's body is in, in spite of this strange and seemingly hidden infection.

Continue to pray:

1. We left our missionary friend John Ndegwa (from Kenya) at the ARC. John is in good hands and a seasoned missionary but pray for his peace as he was very homesick when we left him. He will depart from Liberia December 20th (I think). Pray for his own encouragement during this time.

2. Pray for Trav's family to find comfort and peace. It is difficult to hear about your family suffering and you are far away.

3. Pray for the team at the ARC and LICC to also find peace and strength to stand firm in the foundation of Christ and not to let the enemy move in to steal, kill and destroy.

4. Pray for our animals at the ARC to remain in good care, especially our dogs, Tutu and the owl (the newest additions and they are babies and need extra care). May the guys have discernment to care for these animals.

5. Pray for Travis to be strong and stable to fly and that we get our arrangements made without hassle.

6. Pray for Travis and I financially, insurance can be funny beast to deal with in these situations. We have already spent over \$5,000.00 out of pocket and I am worried about what will come.

7. Pray for yourselves – and know that we always pray for you as you have blest the mission we give thanks for your work.

Much love –

Gina and Travis
