### **President's message from Nancy Snow:**

I hope everyone was listening to our quilt show committee reports last month -- especially about getting those quilts registered early!! (The preceding commercial was paid for by the friends of Lois Walters!) At the end of the meeting, we did get volunteers for several of the open committees & I want to thank those who have volunteered to help. It is truly appreciated. We still need a group to head the Cafe. Notice, I said group - we think a group of 3-4 people would make this job go easier. Please consider grabbing those in your mini-group & getting involved. All the profits from the quilt show benefit the entire guild & makes it possible for us have our speakers & other activities. And while I'm on the subject -- we need a new program committee to begin to form. Again, grab your buddies & get involved. I'm a firm believer that you need to be active to have your voice heard.

I found this good quote: "Alone we can do so little; together we can do so much" - Helen Keller. Let's join our forces together & see what greatness we can accomplish!

**THE PROGRAM COMMITTEE** for guild years 2016-2017 and 2017-2018 will be retiring at the end of June, 2018. *In order to have programs in place, with contracts for speakers lined up, it is essential to start planning the 2018-2019 year no later than March 2018. Please consider volunteering for this important job!!* The committee will help you get started with all the necessary information and procedures. Contact Nancy Weston if interested.

**A note about the newsletter:** People with email are likely to receive their newsletters sooner than those who get mailed copies. This is because the PDF file is sent to the printer the same day that the email copies are sent out, but it takes up to a week for the printing, pickup, and mailing of the paper copies of the newsletter. Do not worry if you do get your newsletter quite as soon as another member, but if you have not received it by the 5th of the month, please let us know.

Nancy and Sue

After hurricane Harvey hit Texas, the Missouri Star Company sent out a call for pillowcases and quilts to distribute to hurricane victims. They were surprised beyond their wildest dreams with an outpouring from all over the country — literally thousands of pieces have been sent to Missouri Star to distribute, which they have offered to do. If you are on Facebook, this is a heartwarming video worth watching.

November Meeting: **Barbara Schulman, Fiber Artist - "A Textile Artist Inspires Us to Reuse, Recycle, and Renew"**

Barbara will show some of her work, in which she uses paint, fire, razor blades, bandaids, credit card pieces etc., when working the surface of a quilt. She will also present visuals of quilts by artists who use innovative materials and techniques, with the goal of inspiring you to create your own Reuse, Recycle, Renew Quiltfest challenge quilt.

**THINK AHEAD!** Programs for January and February 2018 **FABRICS YOU WILL NEED**

At the **January meeting**, we will have an RLC (Right, Left and Center) game using 10" Squares. Remember we have done this in the past with 2 1/2" strips. Each person will be asked to bring twelve 10" squares in polka dots, stripes, or solids and they must be BRIGHT COLORS (Red, Orange, Yellow, Blue, Green, Purple, Pink, Turquoise, etc). You can cut your own 10" squares or purchase a pre-cut layer cake and ask a few members to share in the cost and divide up the fabric. **IMPORTANT!!!! If anyone has RCL dice they can share that evening, please email Wendy Bookhultz at [Hippoweb@aol.com](mailto:Hippoweb@aol.com) or call 240-731-5293**

At the **February meeting** we will be making folded fabric stars to sell in the boutique at Quiltfest in May. You will need to bring 4 prepared fabric strips cut to 3 1/4 x 13". Strips can be different fabrics or 4 of the same. Please use holiday prints or solids including a variety of colors (think Red, Green, Blue, Silver, Gold, Purple, etc.) Bring extras if you choose because at the meeting you can exchange strips with others if you like. Each completed star uses 4 strips. The hangers are made from black embroidery floss - please bring some if you can.

**TO PREPARE FABRIC STRIPS - Make 4**

1. Press each strip in half lengthwise, wrong sides together to create a center fold. Open up. 2. Fold in each long side again lengthwise in to center fold and press 3. Fold again lengthwise in half and press. Your strip should look like double fold bias tape.

**WORKSHOP PARTICIPATION** - New twist on workshops! We have 3 workshops this guild year. For each one that you pay for and attend, your check (or cash) will be put in a container at the workshop on the workshop day, and one person's fee will be drawn out of the container. That person will receive back her check/cash!

**QUILT SHOW CHALLENGE : Reuse,Recycle and Repurpose = Reborn**

From Susan Truby: Quilters have always found a way to get the fabric that they needed to make quilts to keep loved ones warm. From the humble scrap bag with bits of fabric saved from making clothing to saving feed sacks to make quilts, quilters have worked their magic to create beautiful quilts for their families and friends. We as quilters have also recycled and repurposed ties and men's shirts to honor loved ones. We make t- shirt quilts for our kids. We save baby clothes to put into their quilts for their wedding day. We save jeans to make quilts for our kids to play on, take naps on and take to college. We

take bits and pieces of scraps given to us from dear friends to make string quilts. We repurpose vintage blocks, orphan blocks, embroidered pillowcases and handkerchiefs and old quilt tops made long ago, and we breathe new life into them. This challenge is a celebration of taking a recycled fabric and giving it new life. I hope that you join me on this adventure!  
The rules are simple -

1. The quilt can be any size.
2. The front of the quilt must have at least 50% recycled fabric; any type of fiber from silk, brocade, satin and cotton - just to name a few - can be used, including polyester!
3. You can embellish any way you like: buttons, beads,embroidery.
4. Write a brief description of the Reused,Recycled and Repurposed Fabrics used, where you obtained them and why you used them.

**Remember that the challenge quilt submission forms go to Susan Truby, not Lois Walters**

**LIBRARY - from Kathy Lopez & Betsy Lawrence**

Away From Home: Quilts Inspired by the Lowell Factory Girls - by Nancy & Oliver Rink  
Adding Layers: Color, Design & Imagination: 15 Original Quilt Projects - by Kathy Doughty  
Strip Your Stash: Dynamic Quilts Made From Strips - by Gudrun Erla

**NEW PROJECT - monthly "stashing for charity"**

For several years we did the block-of-the-month as a monthly guild project. Last year we did the Mystery Quilt. This year we are doing a "Charm Squares/5" squares" project. Each month, bring in at least a dozen 5" squares. These can be cut from the stash you want to use up; however, we are particularly interested in fussy-cut children's fabrics or solids that will coordinate. For every month you contribute, your name will be put in a lottery. At the last meeting, names will be drawn for a free year's membership. Blocks will be used at a charity sew. day in June to make preemie & children's cancer quilts.

**COMMUNITY SERVICE NEWS from Susan and Jami**

Here is a friendly reminder about the community service requirements for Sept 2017-June 2018. Annually, each member is asked to donate something from one category. Please see the website for the categories or refer to your new member information. All donations are to be given to Susan Truby and Jami Cooper at the monthly meetings and are to have a CQG label attached. Please remember to include your name on a slip of paper pinned to your donation and sign in at our table. If you are donating 4 yards of fabric please remember it must be 100% cotton fabric of good quality and appropriate for our projects. Please wash your fabric before donating. We are so proud to be part of such a caring, giving group of women. Thank you!

**TURNING POINT**

from Sue Nelson

\*\*\*Turning Point will accept only **NEW clothing: sweat pants, tee-shirts, socks.** They also need large-size toiletries as the small hotel sizes don't last long. They are also in need of all sizes of storage bins, preferably clear. Target or Walmart gift cards are also accepted. Sue Nelson will have a large tote bag at the meetings to accept donations. \*\*\*Turning Point also said they could use twin-size quilts. The quilts would not belong to the clients but would stay at Turning Point shelters. This may be a special activity, possibly at the June charity sew day.

RAFFLE  
QUILT

Our raffle quilt, "Star of Bethlehem" has been chosen to appear on the cover of the northeast edition of The Quilt Shop Navigator. The publication will be available at your local quilt shop shortly. The Quilt Shop Navigator has regional publications that list shops and shows across the country. There is also a web page, <https://myqsn.com/t/home.php>, that has free access. The link can also be found on the guild's web page. Along with the honor of having the quilt on the cover, we also received a full page advertisement for our show. The quilt was designed by Edyta Sitar of Laundry Basket Quilts, pieced by Darlene Repash and Richelle Voice, and quilted by Lois Walters.

NOTE: **Raffle quilt tickets** were handed out at the Oct. meeting and will continue. Ticket stubs and money are to be returned in a sealed envelope with your name on it (there will be a basket at the front table for you to turn in your ticket stubs and money.). If you need more tickets, email [raffletickets@colonialquilters.org](mailto:raffletickets@colonialquilters.org)

**QUILT SHOW HELP WANTED:**

A great way to get involved in the guild and meet new guild members is to volunteer to chair a quilt show committee. As of the October meeting we had some key positions open for the quilt show.

A big thank-you to the following members who have volunteered to fill those spots: Ann Reiners, Book Nook; Mary Misiura and Karen LeyFent, Boutique; and Sue

Nelson, Signs. We do, however, still have one more "committee" to fill -- the Café. The Chair or committee will not be starting from scratch, as past chairs have provided a wealth of information for future shows. Please call Betsy Lawrence or Lillian Behrens if you have questions or to volunteer.

\*\*\*\***Quilt show meetings are Jan 22, Feb 26 March 26, and April 23 (final meeting before the show).**

**FOUNDING MEMBERS** by Sue Nelson

Since the Colonial Quilters Guild is celebrating 35 years of fellowship and quilting, the guild is highlighting a founding member in the newsletter each month.

**Founding Member: Mary Ann Dutkin**

How did the Colonial Quilters Guild get started 35 years ago? Mary Ann Dutkin owned a quilt shop in Nazareth, PA. She and others decided to form a guild. She is “the” founding member. She put a notice in the Easton Express about starting the guild. One hundred people attended the first meeting. The dues were \$5.00. The guild made quilts for the Ronald McDonald House and the Children’s Home in Easton. This was the start of the community service project.

Mary Ann has three grown children in Colorado, New York, and Georgia, and 9 grandchildren.

Mary Ann has never been president of the guild, but she has done programs, taught quilting and presented workshops.

She likes everything about the quilting process. She is always trying something new and using new techniques. Appliqué is her least favorite quilt process. She enjoys working with vibrant colors. She has 3 scrapbooks full of pictures of the quilts and other projects she has made. She especially likes the Hoffman Challenge quilt projects which she has entered 10 times. Two of her quilts have traveled the U.S.A. and received awards.

Mary Ann’s advice to the new quilters: continue to experiment; to the experienced quilters: stay challenged.

Thanks to Mary Ann for the initiative in forming the Colonial Quilters Guild.
