Ministry of Housing, Transport and Environment
Republic of Maldives

Ref: 138-C/IUL/2010/26 Dates: 21 February 2010

Invitation for Interested Consultants

**Integrating Climate Change Risk into Resilient
Island Planning Project in the Maldives (ICCRRIP)**

The Ministry of Housing, Transport and Environment is seeking staffs to the newly implementing project **(Integrating Climate Change Risk into Resilient Island Planning)** by the Ministry with collaboration of the United Nations Development Program (UNDP). The staffs would be working on a fulltime basis for a period of four (4) years subject to annual extension based on performance.

1. National Project Manager

The National Project Manager (NPM) will lead the project team through the planning, implementation, and delivery of policies, reports, knowledge products, and other results approved in the project document and annual work plans. The NPM will be appointed by the Implementing Agency and will monitor work progress, and ensure timely delivery of Outputs as indicated in the Strategic Results Framework on time and within budget. The NPM will ensure provision of high-quality expertise and inputs to the project and also be responsible for day-to-day operations.

Qualifications/ Requirements

- Graduate with at least 5 years working experience in project management within the disciplines of environmental science, geography, development studies, engineering or natural resource management;
- Sound understanding of existing development concerns in Maldives, the effect of climate change on development, and good understanding of coastal zone management issues;
- Extensive business and information exchange network with national and international institutions involved in local and international studies of climate change, in general, and adaptation, in particular
- Excellent inter-personal, verbal, written communication and negotiating skills
- Previous work experience in the country on issues relevant to the project
- Ability and willingness to travel within and outside the Maldives

- Demonstrable skills in office computer use - word processing, spread sheets etc.
- Proven track record of project management and project team experience working with government, NGOs, and other key stakeholders in Maldives
- He/She should not have a Government service bond

Successful candidate will be paid an all inclusive monthly fee of **USD 2000** equivalent in MRF.

2. Senior Technical Officer

The Senior Technical Officer (STO) will be responsible for the oversight and guidance of all technical activities of the project. S/he will work with contracted national and international consultants and advisors to achieve the outputs of the project. S/he will build and manage relationships and partnerships at site level on the demonstration islands.

Qualifications/ Requirements

- Graduate with at least 5 years working experience within the disciplines of environmental science, geography, natural resource management, coastal zone management or engineering;
- At least 3 years of demonstrated experience working on applied land-use planning and/or coastal zone management issues in Maldives or other SIDS;
- Demonstrated experience working in the context of technical projects and sound understanding of project monitoring frameworks;
- Sound understanding of climate-related hazards and their impact on coastal zones;
- Extensive network of national and international technical institutions on issues related to land-use planning, coastal zone management and/or disaster risk reduction. Very good communication and presentation skills;
- Previous experience working with local authorities and communities on applied technical questions related to land-use planning, coastal zone management, or disaster risk reduction;
- Excellent inter-personal skills;
- Ability and willingness to travel within and outside the Maldives;
- Demonstrable skills in computer use including and not limited to word processing (MS-Word), spread sheets (MS-Excel) and presentation software (MS-PowerPoint). Experience working with GIS is a strong advantage.
- Excellent verbal and written skills in English and Dhivehi
- He/She should not have Government service bond

Successful candidate will be paid an all inclusive monthly fee of **USD 2000** equivalent in MRF.

3. Administrative Assistant

The Administrative Assistant will undertake administration of the day-to-day operations of the project office. The Administrative Assistant will report to the National Project Manager.

Qualifications

- At least 3 years of relevant administrative or program experience at the national or international level
- Undergraduate degree and/or certificate in secretarial or computer training
- Experience in using computers and office software packages, particularly word processing and spreadsheets (MS Word, Excel, etc.)
- Knowledge of database packages and web-based management systems
- Excellent inter-personal and communication skills
- Proficient verbal and written English and Dhivehi skills
- He/She should not have Government service bond

Successful candidate will be paid an all inclusive monthly fee of **USD 700** equivalent in MRF.

4. Finance Assistant

The Finance Assistant will be responsible for the day-to-day management of all finances of the project. The Finance Assistant will report to the National Project Manager and National Project Director and UNDP

Qualifications/ Requirements

- Undergraduate Degree in Commerce, Business Management, or other relevant discipline

- At least five years practical experience in related projects
 - Strong understanding of budgeting and the UN/GoB accounting system—candidates familiar with UNDP administrative, program, and financial procedures preferred
 - Ability to use MS Office packages under the Windows XP Professional environment
 - Initiative, sound judgment, and capacity to work independently
 - Proficient verbal and written English and Dhivehi skills
 - He/She should not have Government service bond
- Successful candidate will be paid an all inclusive monthly fee of **USD 900** equivalent in MRF.

Priority will be given to the candidates with experience on issues related to the project.

Working hours are from 0800 – 1600 hrs.

Interested Candidate may obtain the Terms of Reference (TOR) from the address below.
