**Ministry of Housing, Transport and Environment  
Male', Republic of Maldives**

Ref: 138-C/IUL/2010/47

Date: 07 April 2010

**ANNOUNCEMENT**

**National Assessment Report (NAR) 2010 for MSI +5  
Review for SIDS in AIMS**

The Ministry of Housing, Transport and Environment is seeking for a consultant to complete the National Assessment Report (NAR) 2010 for MSI +5 Review for SIDS in AIMS.

**I. Background of the relevant Project Objectives and Activities**

1. The UNGA Resolution 62/191 included a decision to “review progress made in addressing vulnerabilities of Small Island Developing States (SIDS) through the implementation of the Mauritius Strategy for Implementation (MSI) at the sixty-fifth session of the General Assembly” (MSI + 5 Review). Resolution 63/213 stressed that “the review should provide the international community with an opportunity to conduct as assessment of the progress made, lessons learned and constraints encountered in the implementation of the MSI and agree on what needs to be done to further address the vulnerabilities of SIDS”.
2. In accordance with the GA resolution above, UN-DESA prepared Guidelines for the preparation of National Assessment Reports (NAR) to gather national level information, as the basis for a review of progress made in addressing the vulnerabilities of SIDS through the implementation of the MSI and will inform the preparation of regional synthesis reports.
3. The Ministry of Housing Transport and Environment is therefore seeking the services of one local consultant to prepare the National Assessment Report for MSI + 5 Review for SIDS in AIMS.

**II. Description of Required Services**

The consultant will:

1. Update the NAR submitted as the BPOA + 10 report to the International Meeting in Mauritius in 2005
2. Consult with all stakeholders in preparing a draft NAR
3. Organise a multi stakeholder workshop to discuss and finalise the NAR

4. Submit NAR to Ministry of Housing, Transport and Environment (MHTE) national focal point for submission to the UN-DESA
5. The NAR may include each of the following issues in the list of topics below;
  - a. Concrete actions taken and specific progress made in implementation;
  - b. Lessons learned and good practices;
  - c. Effectiveness of implementation support and mechanisms, including monitoring systems;
  - d. Special constraints and challenges; and
  - e. Recent trends and emerging issues.
6. The thematic areas identified may also include;
  - a. Climate change and sea-level rise;
  - b. Natural and Environmental Disasters;
  - c. Management of Wastes;
  - d. Coastal and Marine Resources;
  - e. Freshwater Resources;
  - f. Land Resources;
  - g. Energy Resources;
  - h. Tourism Resources;
  - i. Biodiversity Resources; and
  - j. Transport and Communication.

The information should focus on actions undertaken to address vulnerabilities of SIDS particularly in relation to the means of implementation outlined in paragraph 85 of the MSI, ie: financing, trade, access to environmentally sound technologies, education, and awareness raising, capacity – building and integration into national sustainable development strategies.

**III. Duration and Timing**

The services specified in this TOR will commence on **18<sup>th</sup> April 2010** and last for a duration of Two weeks only

**IV. Qualifications and experience**

**Education**

- A university degree (preferably a Masters level) from a recognised university.

**Work Experience**

- Minimum of five years of professional experience
- A sound working knowledge of the national development and sector planning processes in the country concerned;
- Demonstrated experience of working in AIMS/ SIDS

**Analytical and Communication Skills**

- Strong analytical and drafting skills;

**South Central Utilities Ltd**

SCUL/2010/AD/27  
 Date: 06<sup>th</sup> April 2010

**Upgrading Kinbidhoo and Thimarafushi Electricity**

To upgrade Electricity in Thaa. Kinbidhoo and Thimarafushi, this company is looking for a party to invest below mentioned project, to be paid in 3 years period or long term basis agreed and accepted by the investor and the company.

- 1- To provide and install 3 sets of 185kVA generator.
- 2- To provide and install 3 sets of 100kVA generator.
- 3- To provide and install synchronizing panel for 6 generator sets.
- 4- Renewal of underground cable where necessary (including Distribution boxes, step up and step down substation transformers,) if necessary.

For further information, interested parties are invited to this office on 15<sup>th</sup> April 2010 at 14:00 hours.

South Central Utilities Ltd  
 04<sup>th</sup> Floor, H.Fulidhoo'g/Male'

### **Career Opportunity for a Technical Officer**

HDFC PLC. is the only specialized mortgage home loan provider in the Maldives established in January 2004. We have joined hands with International Shareholders, ADB, IFC of the World Bank and HDFC-India in February 2009 to create a sustainable mortgage-lending program to fulfill the growing housing needs of Maldivians. To further improve the quality of construction of homes carried out under HDFC Housing Loans, we are looking for the right candidate with knowledge, experience, enthusiasm, dedication, drive and motivation to give necessary technical support to our mortgage lending program.

**Job Title:** Technical Officer

#### ***Major Responsibilities:-***

Your overall responsibility is to closely monitor the progress of home construction carried out in step with the stages of disbursement of HDFC Home Loans.

#### ***Duties of Technical Officer shall include:***

1. Assist in the Customer Credit Evaluation Process by reviewing all "bill of quantities" (BOQs) received with the loan application, and reporting the findings to the Credit Committee
2. Inspect and report on the quality of material and standards of all contraction work in relation to HDFC Loans right from the beginning, and through the stages, to completion of the building process.
3. Liaise with contractors, consulting engineering firms and suppliers to obtain all relevant information necessary to carry out the duties

4. Carry out technical tests whenever necessary with available technology
5. Perform planned and regular inspections on the materials used and the structure's conformity with specifications in the approved drawings.
6. Preparation of relevant technical documentation, and works execution progress reports

#### ***Required Qualification & Experience:-***

- Essential to have a Diploma in Building and Construction
- Experience in a similar level at a reputed Construction firm would be an advantage.
- Excellent knowledge and ability to use Microsoft Office Softwares

#### ***Salary:***

- Negotiable commensurate with qualification and experience

In general all candidates should demonstrate a high level of integrity and good character. Should be An excellent team player, with a pleasant disposition, appropriately attired at all times and be extremely presentable with no proven and/or be under suspicion for, theft, fraud, embezzlement or unethical conduct

#### **Other Benefits**

- Health Insurance Package worth of an annual limit of Mrf. 200,000
- Corporate Provident Fund Scheme
- Sponsorship for local Study Programmes
- Staff Housing Loan Scheme
- In-house and short term training
- Food allowance

Interested candidates are requested to submit application with CV, copy of ID card, copies of educational certificates and other supporting documents on or before  
April 15, 2010, 2.30 PM

## REQUEST FOR PROPOSALS

### Directors' Training Program 2010

Capital Market Development Authority (CMDA) is looking for a firm or an Individual to develop and deliver a training program for the directors of the companies. The objective of the program is to develop and grow the knowledge of directors to enable them to operate in a demanding corporate environment. The program will focus on Corporate Governance, duties and responsibilities of directors and how this relates to the efficient performance of companies. This training program will be conducted by the Capital Market & Corporate Governance Institute (CMCGI).

### Target Audience

The program is targeted for the directors of listed companies, public companies, state owned entities and private companies. A total of 30 participants are expected to undertake the program.

### Duration of the Course

The program should be designed to conduct over 5 consecutive working days, from 9:00 am to 4:00 pm, expected to be held latest by the 2<sup>nd</sup> week of May 2010.

### Responsibilities of the Presenter

The firm or the individual hired to conduct this program will be tasked with preparing the course materials based on the proposed course outline and complete delivery of the program. Proposed course outline is available from [http://www.cmda.gov.mv/docs/Course\\_Outline\\_DTP\\_2010.pdf](http://www.cmda.gov.mv/docs/Course_Outline_DTP_2010.pdf)

The course materials should be delivered to CMCGI 1

week prior to the commencement of the program. The materials should include any relevant case studies and working papers.

### Educational Qualification and Experience

The firm or the individual should have previous experience in designing and delivering Corporate Governance/Directors Training Programs or any other similar programs which include modules related to Corporate Governance.

The resource person should have a minimum educational qualification of Masters' Degree in Business, Law, Corporate Governance or any other relevant area with 5 years experience on the field. Global Corporate Governance Forum (GCGF) endorsed parties who have conducted similar programs will receive more points.

### Criteria for Evaluation

1. Responsibilities of the presenter 22%
2. Educational qualification and experience 48%
3. Course Design & execution date (details of sessions, including the types of materials used) 30%

All interested parties must submit their proposals, financial details and CV's to CMDA or to the email address specified below by 1600 hrs on 15<sup>th</sup> April 2010.
