**Maldives Tourism Development Corporation
(MTDC) Plc**

Reference No: MTDC/2010/VOD-BD/01

Date: 8th April 2010

**Call for the Expression of Interest (EOI) to seek
partners to develop 150-room Vodamulaa of
Maldives Tourism Development Corporation
(MTDC)**

Description of Requirement

The Maldives Tourism Development Corporation (MTDC) hereby invites local and foreign parties or multinational companies with demonstrated financial capability and/or experience in managing, developing and operating resort hotels to submit written Expressions of Interest (EOI) for the financial and/or operational participation in the development and operation of a 150-room tourist resort ("Resort") on Vodamulaa, Gaafu Alifu Atoll, in the Maldives.

The Applicant shall propose any one or more of the following propositions:

1. Financial participation by way of equity contribution and/or loan finance.
2. Management of resort/hotel with project finance
3. Construction finance

These options are more fully described in the Memorandum of Information regarding Vodamulaa EOI.

The Applicant(s) must have the following experience and capacity:

- The applicant who proposes financial participation must show and prove its financial capability to provide and/or procure the necessary finance, by way of equity contribution and/or long term loan finance, required for the construction, development and operation of the Resort.
- The applicant who proposes management participation with project finance shall:
- have a proven experience of operating and managing at least one 4-star and above category hotel of 150 rooms for 5 years; AND
- must show and prove its financial capability to provide and/or procure the necessary finance, by way of equity contribution and/or long term loan finance, required for the construction, development and operation of the Resort.
- The applicant who proposes construction finance

shall:

- have a proven experience of constructing resort and hotel properties in the past 5 years; AND
- must show and prove its financial capability.
- The applicant who proposes one or more of the above propositions must show and prove its combined abilities in relevant areas as stated above.

The EOI shall consist of the following:

Expression of Interest must contain the following information and declarations:

1. Company details: Name; Country of incorporation; Address of the corporate headquarters and its branch office(s), Date of incorporation and / or commencement of business.
2. Brief description of the Company including details of its main lines of business and proposed role and responsibilities.
3. Annual Audited Financial Reports of the last three (3) financial years. The financial year would be the same as the one normally followed by the Applicant for its Annual Report. At least one bank reference letter written by an internationally recognized bank, stating the financial situation of the Applicant and its access to credit facilities.
4. Details of individual(s) who will serve as the point of contact within the company for communication with MTDC: Name; Designation; Address; Power of Attorney from the Applicant; Telephone Number; E-Mail Address; Fax Number.
5. The Applicant shall provide evidence of the requirements relevant to its proposal for financing, management and/or construction of the Resort.
6. The Applicant must submit Power of Attorney which is authorized by a board resolution of the company.

Important Notice:

This call for an EOI does not constitute a solicitation. MTDC reserves the right to change or cancel the requirement at any time during the EOI and/or selective tender process. Thus, submitting a reply to this call for an EOI does not automatically guarantee that the party will be considered for the selective tender process.

**Ministry of Housing, Transport and Environment
Republic of Maldives**

Ref: 138-C/IUL/2010/48

Dates: 7th April 2010

Invitation for Interested Consultants

**Integrating Climate Change Risk into Resilient
Island Planning Project in the Maldives (ICRRIP)**

The Ministry of Housing, Transport and Environment is seeking staffs to the newly implementing project (Integrating Climate Change Risk into Resilient Island Planning) by the Ministry with collaboration of the United Nations Development Program (UNDP). The staffs would be working on a fulltime basis for a period of four (4) years subject to annual extension based on performance.

National Project Manager

The National Project Manager (NPM) will lead the project team through the planning, implementation, and delivery of policies, reports, knowledge products, and other results approved in the project document and annual work plans. The NPM will be appointed by the Implementing Agency and will monitor work progress, and ensure timely delivery of Outputs as indicated in the Strategic Results Framework on time and within budget. The NPM will ensure provision of high-quality expertise and inputs to the project and also be responsible for day-to-day operations.

Qualifications/ Requirements

- Graduate with at least 5 years working experience in project management within the disciplines of environmental science, geography, development studies, engineering or natural resource management;
- Sound understanding of existing development concerns in Maldives, the effect of climate change on development, and good understanding of coastal zone management issues;
- Extensive business and information exchange

network with national and international institutions involved in local and international studies of climate change, in general, and adaptation, in particular

- Excellent inter-personal, verbal, written communication and negotiating skills
- Previous work experience in the country on issues relevant to the project
- Ability and willingness to travel within and outside the Maldives
- Demonstrable skills in office computer use - word processing, spread sheets etc.
- Proven track record of project management and project team experience working with government, NGOs, and other key stakeholders in Maldives
- He/She should not have a Government service bond

Successful candidate will be paid an all inclusive monthly fee of USD 2000 equivalent in MRF.

Priority will be given to the candidates with experience on issues related to the project.

Working hours are from 0800 – 1600 hrs.

Interested Candidate may obtain the Terms of Reference (TOR) from the address below.

REQUEST FOR QUOTATIONS

Training on Finance for Non-Finance Executives 2010
 Capital Market Development Authority (CMDA) is seeking professionals to develop and deliver a training program on Finance for Non-Finance Executives. The objective of this program is to highlight the fundamental concepts of finance and the ability to understand how these concepts are useful for decision making. It will also enable the Non-Finance Executives to improve communication with finance professionals both external and internal to the firm. This training program will be conducted by the Capital Market & Corporate Governance Institute (CMCGI).

Target Audience

The program is targeted for the board of directors and management personnel of public companies.

Duration of the Course

The program should be designed for 2 days, from 14:00 to 18:00 hrs, expected to be held during the 1st week on May 2010.

Responsibilities of the Trainer

The trainer will be preparing the course materials based on the proposed course outline and complete delivery of

the program. Proposed course outline is available from www.cmda.gov.mv/docs/Finance_for_Non-Finance_Executives.pdf. The course materials should be delivered to CMCGI 1 week prior to the commencement of the program.

Educational Qualification and Experience

The trainer should have previous experience in designing and delivering programs related to Accounting and Finance or any other similar programs.

The trainer should have a minimum educational qualification of Masters' Degree in Accounting, Finance, Business or any other relevant area with 2 years experience in teaching.

Criteria for Evaluation

1. Trainer's Responsibilities 20%
2. Course Design & execution date 40%
3. Educational qualification and experience/ Financial details 40%

All interested parties must submit their quotations and CV's to CMDA or to the email address specified below by 1500 hrs on 19th April 2010.

Maldives Pension Administration Office
 Republic of Maldives

Ref No.: 216-MPAO/I/2010/12

Request for Expression of Interest
 Pension and Social Protection Administration Project
 IDA Credit No.: 4611-MV
 Date: April 04, 2010

Public Relations Officer

The Government of the Republic of Maldives has received credit from the International Development Association (IDA) towards the cost of the Maldives Pension and Social Protection Administration Project (PSPAP), and intends to apply part of the proceeds under the contract for Public Relations Services.

1. Objectives

The public relations Officer will (i) support implementation of the MPAO communication and outreach strategies to inform the public and other stakeholders of the pension programs and their objectives. (ii) Develop/produce, coordinate and deliver communication, outreach and advocacy instruments and materials for pension awareness-raising campaigns.

2. Qualification

- Bachelor’s degree, in Mass Communications, Graphics Designing or equivalent professional qualification in public relations and graphics designing.
- Minimum of three years experience in production and graphic design.
- Experience in producing web-based contents and promotional items.
- Proven ability to write in English and Dhivehi in a clear and concise manner for different target audiences.
- Proven expertise in the areas of public information, media and community outreach would be an

additional advantage.

- Demonstrable ability to deliver to deadlines and in the face of challenging and logistical obstacles.
- Strong communication skills team working skills.

3. Services and Fee

The Services are required immediately.

A maximum monthly fee of MRf 15,000 will be paid depending on the qualification and experience.

The Maldives Pension Administration Office, (MPOA) now invites interested eligible individual candidates to submit their proposals. Interested candidates must provide CV including information that demonstrates that they are qualified to perform the services (description of similar assignments, experience in similar conditions, availability of appropriate skills, etc.) based on the TOR.

The Public Relations Officer will be selected in accordance with the procedures set out in the World Bank’s Guidelines: Selection and Employment of Consultants by World Bank Borrowers, May 2004, revised October 2006.

Interested candidates may obtain an outline TOR from www.pension.gov.mv and further information and the TOR at the address below during office hours (8:00 am and 4:00 pm).

Interested candidates must deliver their proposal to the following address before April 15, 2010 at 16.00 hours, by regular mail, emails or fax.

National Disaster Management Center

Male', Maldives

Vacancy Notification

The following positions of professionals are available in the **SAARC Disaster Management Centre**, New Delhi for immediate recruitment:

No.	Name of the Division	Head	Specialist
1	Hydro Meteorological Disasters	1	2
2	Biological and other Man-made Disasters	1	2

A. Job Description

The SAARC Disaster Management Centre has the mandate to serve the Member Countries by providing policy advice and facilitating capacity building services including strategic learning, research, training, system development, expertise promotion and exchange of information for effective disaster risk reduction and for planning and coordinating a rapid regional response mechanism to disasters within the region. Therefore candidates with experience of working in similar international or regional organizations and demonstrated capability of dynamism and commitment for working in team for producing original policy and action research of contemporary relevance in the respective fields shall be preferred for the posts. The candidates must be fully conversant with current state of knowledge and practices in the relevant fields especially in the context of South Asia region and must be excellent in articulation and presentation of views, both oral and in writing.

The Head of the respective Divisions shall be responsible for development of the annual work plan of the Division and implementation of the approved work plan under the overall direction and supervision of the Director of the Centre. The Specialists shall assist the Heads in the development and implementation of the work plans and further carry out such other works independently as may be entrusted by the Director.

Both the Heads and Specialists must be proficient in word, data, image and map processing software, as no significant secretarial assistance shall be available for their work.

B. QUALIFICATION AND EXPERIENCES

Hydro-Meteorological Disaster Division

Career Opportunity for a Technical Officer

HDFC PLC. is the only specialized mortgage home loan provider in the Maldives established in January 2004. We have joined hands with International Shareholders, ADB, IFC of the World Bank and HDFC-India in February 2009 to create a sustainable mortgage-lending program to fulfill the growing housing needs of Maldivians. To further improve the quality of construction of homes carried out under HDFC Housing Loans, we are looking for the right candidate with knowledge, experience, enthusiasm, dedication, drive and motivation to give necessary technical support to our mortgage lending program.

Job Title: Technical Officer

Major Responsibilities:-

Your overall responsibility is to closely monitor the progress of home construction carried out in step with the stages of disbursement of HDFC Home Loans.

Duties of Technical Officer shall include:

1. Assist in the Customer Credit Evaluation Process by reviewing all "bill of quantities" (BOQs) received with the loan application, and reporting the findings to the Credit Committee
2. Inspect and report on the quality of material and standards of all contraction work in relation to HDFC Loans right from the beginning, and through the stages, to completion of the building process.
3. Liaise with contractors, consulting engineering firms and suppliers to obtain all relevant information necessary to carry out the duties

4. Carry out technical tests whenever necessary with available technology
5. Perform planned and regular inspections on the materials used and the structure's conformity with specifications in the approved drawings.
6. Preparation of relevant technical documentation, and works execution progress reports

Required Qualification & Experience:-

- Essential to have a Diploma in Building and Construction
- Experience in a similar level at a reputed Construction firm would be an advantage.
- Excellent knowledge and ability to use Microsoft Office Softwares

Salary:

- Negotiable commensurate with qualification and experience

In general all candidates should demonstrate a high level of integrity and good character. Should be An excellent team player, with a pleasant disposition, appropriately attired at all times and be extremely presentable with no proven and/or be under suspicion for, theft, fraud, embezzlement or unethical conduct
