**Qualification:**

- To develop Instructional Materials, it is important to combine the skills of trained Instructional Materials Developers with the specific job skills of specialists identified by the ESCs and others as practicing masters of the jobs for which standards are being set.
- Should understand the specific job requirements of the occupation for which the standards are set.
- These positions maybe of interest to Technical Educators, Sector specialists, Training Consultants and private or public sector technical managers.

**Duration:**

The consultants will be hired for a defined period for each Instructional Materials Development assignment. The length of each contract will be 3 months.

Interested personnel may obtain the detailed National Occupational Standards and Terms of Reference (ToR) from the address given below or from our website <http://www.tvet.gov.mv>.

Individuals or companies who are interested can submit their proposals including cost details and CV's, along with the covering letter by **1500 hours** (local time) **21st July, 2010** to the following address.

**Invitation for Interested Consultants**  
**Technical Assistance to the development of a Geo-**  
**database(3.1.D2)**

The Government of the Republic of Maldives has received Credit from the International Development Association (IDA) towards the cost of the Maldives Environmental Management Project, and intends to apply part of the proceeds under the contract for the services of a Component Coordinator for the Maldives Environmental Management Project, Ministry of Housing and Environment, from August 01, 2010 for a period of five months.

The overall objective of the assignment includes but is not limited to the day-to-day coordination of component activities working in close collaboration with the respective operating agencies, and PMU staff and monitoring and evaluating operating performance against the indicators established in the Monitoring and Evaluation Framework, and component action plans.

To be eligible for this position the candidate must meet the following eligibility criteria:

- A Graduate degree in environmental sciences, natural resource management, project management or comparable academic preparation, or equivalent experience from a recognized institution;
- Minimum 5 years (current or previous) working in the Maldives preferably with the government agencies involved in the field of planning, research, environment and/or marine resources;
- A thorough knowledge or a demonstrated ability to rapidly acquire knowledge about strategic

environmental assessments, special planning, environmental research processes and procedures and performance monitoring and evaluation;

- Excellent interpersonal skills and fluent in written and spoken English and Dhivehi;
- Initiative and the ability to work for extended periods without direct supervision;
- A high level of computer literacy is required. Familiarity with programs like Word, PowerPoint and Excel are required.

The Ministry of Housing and Environment now invites interested eligible individual consultants to submit their expressions of interest. Interested consultants must provide a CV including information that demonstrates that they are qualified to perform the services (description of similar assignments, experience in similar conditions, availability of appropriate skills, etc).

A monthly all inclusive fee in the range of USD 1,000 to 1,500 equivalents in Maldivian Rufiyaa will be paid depending on the qualification and experience.

A consultant will be selected in accordance with the procedures set out in the World Bank's *Guidelines: Selection and Employment of Consultants by World Bank Borrowers*, May 2004, revised October 2006.

Interested individuals may obtain an outline TOR from [www.mhte.gov.mv](http://www.mhte.gov.mv) and further information at the address below.

The expressions of interest must be submitted to the address (by regular mail, emails or fax) and person specified below before **July 21, 2010**.
