**Strengthening the Livelihood of Homebased
Workers in the SAARC Region, Project SABAH –
Employment Opportunity**

Terms of Reference

Position: Project Manager

**Reports To: Project Director, SEWA-PMU and
Chairperson, SABAH**

Background: The South Asian Association for Regional Cooperation (SAARC) comprising of countries in the South Asia region, namely, India, Nepal, Bangladesh, Sri Lanka, Pakistan, Afghanistan, Bhutan and Maldives, has initiated an innovative project for strengthening the livelihoods of poor homebased workers. The project is called SABAH (SAARC Business Association of Homebased Workers) and will be implemented in all member states of SAARC, except India. The expert institution in this project is the Self Employed Women's Association (SEWA) and HomeNet South Asia is the implementing partner, through the respective in-country Home Nets.

The project envisages the setting up of a Trade Facilitation Centre (TFC) for equipping the homebased workers with modern technical facilities, design inputs, skill up gradation, production techniques and forward market linkages. It will be modelled on the Trade Facilitation Centre set up by SEWA, in Gujarat, where the home based worker artisans form the core of the supply chain, by producing textile based apparel and life style products, perform value addition and promote and sell these through retails outlets and other formats. Thus, these artisans are empowering themselves by understanding the 'value' of their inherited skills and training, getting aware of the market and what sells, and most importantly, empowering themselves through economic self dependence and ownership of their assets.

To fully spearhead the implementation in each country, a Project Manager will be appointed. S/he will be completely responsible for achieving all the goals and objectives, under the direction on the selected stakeholders and Board of Directors.

Responsibilities and Duties:

- To determine the research activities required to determine the nature of the Trade Facilitation Centre (TFC) to be established
- To lead and drive the activities resulting in the establishment of the TFC
- To build and lead the team required to run the different operations of the TFC
- To set TFC policies in accordance with research insights and guidelines set by the HNSA
- To interact with the producer organizations and homebased workers of the SAARC country and ensure the maximum utilization of the TFC services on offer for their artisans
- To report thoroughly and regularly through reports and accounting statements to the designated authorities
- Prepare plans, programmes and other project related documents, events in coordination and consultation with SEWA-HNSA
- To lead the marketing activities of SABAH and promote the brand SABAH
- To market the SABAH merchandise, towards self sustainability.

Remuneration:

USD 600 – 800 monthly, depending upon the qualification.

This is a senior management position. It will be preferable for the candidate to possess a minimum of 10 years of similar work experience. Post graduate qualification in business management or social sciences is essential. The candidate should have worked in a business enterprise, for a few years, also.

Introduction and Background of Maldives Post Limited

Maldives Post Limited (MPL) being the National Postal Operator for more than a century, the focus remains to enhance the capacity of the postal system to enable the same play in its natural and competitive role, along with other member countries in the global postal network. MPL currently has a wide network of post offices located throughout the Maldives. And over the 100 years of its life, MPL has not only grown in its capacity to provide postal services, but also has ventured into new areas of postal related activities and services. Rather than being post offices in the traditional sense which provide only postal services, MPL is striving to strategically transform these offices into post-shops which not only provides other important services but also offers a range of postal innovation products.

This concept of a post-shop has been further enhanced in what MPL envisions for the future of its offices. MPLs vision for the future is to provide convenience to the general public by transforming its postal outlets into 'One Stop Service Centers' (OSSC). Apart from the existing services, these OSSC would expand its services to include payment of bills for services and utilities, and agency services. Agency services would involve acting as agents for government and private organizations to extend their service. MPL also to offer savings banking facilities to the atolls where there is a growing demand for the service.

Objectives of the Consultancy

The main objectives of this consultancy are to develop MPLs current business areas and identify new businesses that will help drive the strategic development of the MPL.

Expected Duties and Responsibilities

- Prepare a business plan to include all aspects of MPL's business objectives and mandate
- Preparing winning business proposals/presentations and responsible for new business generation.
- Formulating and implementing business strategies, recommendations/solutions and ensuring that they meet the
