

**Maldives Pension Administration Office  
Male', Republic of Maldives**

Ref No.: MPAO/I/2010/47

Date: October 31<sup>st</sup>, 2010

**Appointment of Advertising Agent**

**Invitation for Proposals**

The Maldives Pension Administration Office (MPAO), an independent organisation established under the Maldives Pension Act 8/2009 which was ratified on 13 May 2009. The Office's objectives are to establish and operate a retirement pension scheme based on contributions from both employers and employees and to establish and operate basic pension scheme funded by the government budget.

Maldives Pension Administration Office, requires the services of professional and full service Communications/ Public Relations Agent based in Male' to prepare its Corporate Advertisements and Media Relations communiqué.

The firm would be required to accomplish the following major specific tasks:

1. Develop / Produce, coordinate and deliver communication, outreach and advocacy instruments and materials for pension awareness-raising campaigns. Potential activities for this purpose may include development and airing of radio and television advertisements, designing brochures, and other promotional items, such as posters, cartoons, web videos as well as placement of stories in newspapers, magazines and other information sources.
2. Identification of channels and tools of communications with local media
3. Determine the focus of MPAO image building campaign and develop key messages and themes
4. Develop an Integrated Program of Promotion and Image Building Operations for MPAO along with guidelines and checklists for effective implementation of the program
5. To devise pre-and post publicity plan for specific

occasions / events / policy decisions with layout of the actual expenditure

6. Prepare a continuing campaign for educating the appropriate segments of the targeted groups
7. The firm must be able to interact with all type of national media channels in all areas of interest.
8. To organize educational, promotional and awareness oriented seminars / conferences, symposiums, workshop, lectures with the help of appropriate forums at actual costs
9. Remove / counter the misconceptions about MPAO

The Maldives Pension Administration Office now invites interested eligible *firms* to submit their proposals. Interested firms must provide a Company Profile including information that demonstrates that they are qualified to perform the services (description of similar assignments, experience in similar conditions, availability of appropriate skills, etc.)

The selection of Advertisement Agency will be based on a transparent and competitive bidding process for which the bidder is required to submit a technical proposal and sealed financial bid in compliance with the Terms of Reference / Scope of Work.

Interested eligible Bidders may obtain further information and outline TOR from [www.pension.gov.mv](http://www.pension.gov.mv) and further information at the address given below from 8:00 TO 16:00 hrs. A pre-bid meeting, which interested bidders may choose to attend will be held at 1100 hrs on **7th November 2010** at the following address.

Maldives Pension Administration Office  
Hilaalee Magu, Male'  
Republic of Maldives  
Phone: +960 330 9908 Fax: +960 330 7759,

Interested parties must submit their proposals to the address (by regular mail, emails or fax) and person specified below before **November 21, 2010**.

Chief Executive Officer  
Maldives Pension Administration Office  
Male', Republic of Maldives  
Tel: +960 3309908 Fax: +960 3307759

## REQUEST FOR PROPOSALS TO CONDUCT A TRAINING PROGRAM ON CREDIT RATING

CMDA invites interested parties to submit proposals as outlined in this RFP and detailed course outline.

The program will mainly cover:

- Fundamentals of Credit Ratings including methodologies for rating and factors considered for credit analysis and scoring
- Business potential for rating agencies in the Maldives
- Role of regulator in Credit Ratings and legal requirements

### I. Target Audience

The program is targeted to Regulatory Authorities, Stock Exchange, Dealing Companies, Commercial Banks, Insurance Companies, Law Firms, Listed Companies, State Owned Enterprises & and Private Companies which may be interested in this area.

### II. Duration of the Course

To be designed to conduct for 2 consecutive working days, from 9:00 am to 4:00 pm, expected to be held on the 2nd week of December 2010.

### III. Responsibilities of the Resource Person

The firm or the individual hired to conduct this program will be tasked with preparing the course materials based on the detailed course outline.

The course materials (hard copies) should be delivered to Capital Market & Corporate Governance Institute (CMCGI) 1 week prior to the commencement of the program. The materials should include any relevant case studies and working papers.

### IV. Educational Qualification and Experience

The firm or the individual should have previous experience in designing and delivering similar programs. The resource person should have a relevant educational qualification and experience in the industry.

**Main areas to be covered in the course outline.**

**Please refer to link: ([http://www.cmda.gov.mv/docs/Detailed\\_Course\\_Outline.pdf](http://www.cmda.gov.mv/docs/Detailed_Course_Outline.pdf))**

- a. Fundamentals and Methodology of Credit Ratings
- b. Business potential for rating agencies in the Maldives
- c. Role of regulator in Credit Ratings and legal requirements
- d. Disclosure requirement of Rating Agencies
- e. Case Study based on rating limitations and risk involvement

*\*Note: All areas in the detailed course outline should be covered in the proposal. Interested parties may propose any other areas of relevance.*

### V. Criteria for Evaluation

1. Responsibilities of the resource person (course design & execution dates) 15%
2. Educational qualification and experience 65%
3. Financial Details ( in the case of a foreign resource person, costs associated with local convenience shall be borne by the resource person and accounted for, in the lump sum amount quoted in the financial details) 20%

All interested parties must submit their proposals, financial details and CV's to CMDA or to the email address specified below by 1600 hrs on 21<sup>st</sup> November 2010.

#### IV. INDICATIVE TASKS

- Review existing policies, laws, regulations and guidelines and activities related to environmental research specifically climate change adaptation and mitigation as the basis of the national research strategy
- Review existing regulations and guidelines on conducting research in the Maldives to include in the national research strategy
- Conduct consultations with relevant government agencies, private organizations, investors and academics to find out and analyse research needs for environmental protection and conservation and climate change adaptation and mitigation in the Maldives
- Examine current state of knowledge on climate change impacts, human and financial capacity and institutional arrangements relevant to climate change research in the Maldives
- Find out research needs of the country with respect to environmental protection and conservation and climate change adaptation and mitigation
- Identify specific climate information needs for planners and decision makers and address research capacity gaps and options for bridging these gaps
- Assess potential benefits of a national research strategy
- Conduct a national workshop together with the project management unit under the implementing agency on developing a national research strategy based on the reviews and analysis of the existing situation with respect to research in the maldives
- Present the findings and workshop outcomes and discussion to the key stakeholders for discussion in inclusion in the national research strategy
- Develop a national research strategy and obtain high level policy endorsement (with assistance from the Ministry of Housing and Environment) from key stakeholders as directive.

#### V. FEE PROPOSAL/PRICE SCHEDULE:

The consultant is expected to include in his/her proposal a lump sum fee for carrying out this task and this must be accompanied with the detail breakdown of costs

- daily consultancy rates
- travel and accommodation (international consultants only)
- cost of any other procurement of goods or services needed to be undertaken during the assignment
- other overhead costs associated to the assignment
- a plan of activities indicating proposed duration including a workshop program

The UN Daily Subsistence Allowance rate for Maldives can be used as a reference when compiling the financial breakdown.

#### VI. DUTY STATION:

Ministry of Housing and Environment, Male', Maldives

#### VII. EXPECTED COMPLETION DATE:

20 January 2011

#### VIII. QUALIFICATION:

MSc. or higher academic qualification related to environment. Excellent knowledge and at least 10 years of experience in the area of scientific research. Experience and knowledge working with government agencies, international research institutions will be an added advantage.

#### IX. REPORTING REQUIREMENTS:

Draft work plan upon signing of the contract and weekly progress reports

#### X. EVALUATION AND SELECTION

The most competitive proposal (best value for money basis) will be awarded the contract. Evaluation of the proposal will be in line with the Government standard procedure and guidelines.

Proposals will be evaluated by a panel using a 50% ratio for technical component with a weighting of 40 for qualification and 60 for experience.

Financial proposals will be evaluated based on a 50% ratio using the following price evaluation formula.

$$\text{Financial Component} = \text{Lowest Price} \div \text{Price} \times 50\%$$

The successful candidate will be selected based on the final score calculated as follows:

$$\text{Final Score} = \text{technical component} + \text{financial component}$$

Proposals from individuals/companies who are not currently contracted by the project will be given preference.

Inputs from the Consultant

The consultant is expected to provide their own laptop computers and other professional support if necessary.

**Ministry of Housing and Environment**  
Republic of Maldives

Ref: (IUL)138-KS1/1/2010/1098

**Invitation for Interested Consultant: Formulation of National Research Strategy**

The Ministry of Housing and Environment is seeking a consultant to formulate a national research strategy under the project *Integration of Climate Change Risks into Resilient Island Planning in the Maldives*. Proposals to provide the consultancy services as per the ToR are to be submitted with consultancy fees, service delivery time schedule, a Result-Oriented Curriculum Vitae with full contact details of three referees and qualifications. The proposals must be submitted in sealed envelopes on or before **22 November 2010 at 1100hrs**. The proposal will be opened at a meeting held at 1100hrs on 21 November 2010 at the following address:

Ministry of Housing and Environment,  
Ameenee Magu, Maafannu, Male' Republic of Maldives  
Tel: +(960) 300 4 127 or +(960) 300 4 300  
Fax: +(960) 300 4 301

**TERMS OF REFERENCE (TOR) : Consultancy for Formulation of National Research Strategy**

**I. INTRODUCTION AND BACKGROUND**

Ministry of Housing, Transport and Environment (MHE) in collaboration with UNDP is implementing the first climate adaptation project titled "Integrating Climate Change Risks into Resilient Island Planning in the Maldives" under National Adaptation Programme of Action. The project is funded by Least Development Country Fund and UNDP and Co-financed by Government of Maldives.

Overall goal of the project is to increase the resilience of the Maldives in the face of the climate change and improve the country capacity to respond effectively to climate related hazards. The objective of the project is to ensure that climate change risks are integrated into resilient island planning and that national, provincial, atoll and island authorities and communities are able to prioritize and implement climate change adaptation measures.

At present there is no regulation or official guideline on conducting research in the Maldives. Several studies and research in the area of environment and climate change

and its impacts on various aspects of the environment have been conducted in the Maldives however, due to lack of guidelines and absence of systematic, coordinated and collaborative research strategy in the Maldives there have been duplication of efforts and these studies have no linkages and are not been considered in policy, development and planning process.

National Research Strategy will allow national and international institutions and individuals to systematically conduct sound and relevant research in the Maldives that the country will gain maximum benefits in applying them especially for climate change adaptation policy, planning and decision making.

There is an immediate need to scope the key research themes related to climate change, so guide and promote cooperation with national and international researchers.

**II. OBJECTIVE**

One of the key outputs of the Project is to develop a national research strategy. The Project will formulate National Research Strategy to identify specific climate information needs for planners, and decision makers, identify key technical information and research capacity gaps and options for developing this and obtain high level endorsement from the key stakeholders as directive or as a regulation.

**III. SCOPE OF WORK / EXPECTED OUTPUTS**

- Facilitate national and international institutions and individuals to conduct research in the area of environment in general and specifically climate change adaptation and mitigation relevant to Maldives
- Coordination and collaboration of research activities in the area of climate change and adaptation and mitigation in the Maldives
- Determine priority areas for research in the area of environmental protection and conservation climate change adaptation and mitigation for Maldives
- Develop a strategy for funding short-term, medium-term and long-term research programmes and activities in the Maldives through Government, private and international organizations
- Establish partnership and collaboration with national, regional and global research centers and universities and exchange research information
- Enhance research capacity of the country with respect to environmental protection and conservation and climate change adaptation and mitigation through human and institutional development
- Link scientific environment related research and research on climate change adaptation and mitigation to economic and social development of the country

decisions, and legal articles, codes, and documents.

- Investigate facts and law of cases and search pertinent sources, such as public records, to determine causes of action and to prepare cases.

The Ministry of Housing and Environment is seeking a consultant with vast international and preferably local knowledge and experience to develop coastal protection guidance document under the project *Integration of Climate Change Risks into Resilient Island Planning in the Maldives*. Proposals to provide the consultancy services as per the ToR provided below are to be submitted with proposed consultancy fees, service delivery time schedule, a Result-Oriented Curriculum Vitae with full contact details of three referees and relevant qualifications. The proposals must be submitted in sealed envelopes on or before **21 November 2010 at 1130hrs** to the following address, proposals will be opened immediately at this time in the presence of proponents.

Ministry of Housing and Environment,  
Ameenee Magu, Maafannu, Male' Republic of Maldives  
Tel: +(960) 300 4 127 or +(960) 300 4 300  
Fax: +(960) 300 4 301

**TERMS OF REFERENCE: Consultancy for formulation of Coastal Protection Guidance Document**

**I. INTRODUCTION AND BACKGROUND**

Ministry of Housing, Transport and Environment (MHE) in collaboration with UNDP is implementing the first climate adaptation project titled "Integrating Climate Change Risks into Resilient Island Planning in the Maldives" under National Adaptation Programme of Action. The project is funded by Least Development Country Fund and UNDP and Co-financed by Government of Maldives.

Overall goal of the project is to increase the resilience of the Maldives in the face of the climate change and improve the country capacity to respond effectively to climate related hazards. The objective of the project is to ensure that climate change risks are integrated into resilient island planning and that national, provincial, atoll and island authorities and communities are able to prioritize and implement climate change adaptation measures.

**II. OBJECTIVE**

The objective of the consultancy work is to develop technical guidelines document on coastal protection, including conventional and soft adaptation measures, management for climate change risks and coastal erosion processes and to bring amendments to the Land Use Planning and environmental impact assessment (EIA) regulations and Environment Protection and Preservation Act (EPPA) of Maldives as necessary to better address climate change adaptation and get high level political endorsement for the coastal protection guidance document as a coastal protection directive.

**III. SCOPE OF WORK / EXPECTED OUTPUTS**

- Review existing land use planning regulation, EIA regulation and EPPA of Maldives and other documents from the perspective of coastal protection and reducing risks associated with climate change impacts and adaptation to climate change and maintaining natural resilience of the islands especially with respect to developments such land reclamation, harbor development and other coastal developments.
- Prepare environmental protection zone guidance document and develop a directive for coastal protection and adaptation with respect to climate change risks
- Conduct stakeholder workshop to discuss and endorse recommendations from the review of existing land use planning regulation, EIA and EPPA

**IV. INDICATIVE TASKS**

- Review of coastal protection issues
  - a. Review existing land use planning regulation, EIA regulation and Environmental Protection and Preservation Act of Maldives, and regulations and guidelines on land reclamation, harbor development and coastal protection measures from a climate change risks and adaptation planning perspective
  - b. Review of reports from Detailed Island Risk Assessments in the Maldives (DIRAM) and other studies to feed into land use planning regulation amendments
  - c. Identify land use practices that reduce natural resilience of the islands and increase vulnerabilities to climate change risks
  - d. Review, asses and analyze various coastal protection measures and practices in the Maldives and other small island like Maldives including conventional and soft adaptation and traditional measures
  - e. Prepare a summary of findings and recommendations

- b. Apply findings from the above reviews and studies to provide guidance and recommendations for amendments to land use planning and EIA regulation and EPA as necessary to better address climate change adaptation in the Maldives
- Produce a document on recommendations for Climate Risk Resilience Land Use Planning in the Maldives that can be incorporated into existing land use planning regulation
- a. Prepare a draft document and organize and conduct a half day workshop to present the findings to the stakeholders for discussion and comments and endorsement by the stakeholders
- b. Produce Final document on recommendations for Climate Risk Resilience Land Use Planning in the Maldives in light of the workshop discussion that can be included into the existing land use planning regulation (Binaaveshi Gavaaidhu 2008).

**V. FEE PROPOSAL/PRICE SCHEDULE:**

The consultant is expected to include in his/her proposal a lump sum fee for carrying out this task and this must be accompanied with the detail breakdown of costs

- daily consultancy rates
- cost of any other procurement of goods or services needed to be undertaken during the assignment
- other overhead costs associated to the assignment
- a plan of activities indicating proposed duration including a workshop program

*Note: Workshop logistics, organization and costs will be managed and borne by the Project Management Unit.*

**VI. DUTY STATION:**

Ministry of Housing and Environment, Male', Maldives

**VII. EXPECTED COMPLETION DATE:**

13 January 2011

**VIII. QUALIFICATION:**

Minimum of 5 year experience in related field and BSc. in land use planning, environmental engineering or related field from a recognized institution

**IX. REPORTING REQUIREMENTS:**

Draft work plan upon signing of the contract and weekly progress reports

**X. EVALUATION AND SELECTION**

The most competitive proposal (best value for money basis) will be awarded the contract. Evaluation of the proposal will be in line with the Government standard procedure and guidelines.

Proposals will be evaluated by a panel using a 50% ratio for technical component with a weighting of 40 for qualification and 60 for experience.

Financial proposals will be evaluated based on a 50% ratio using the following price evaluation formula.

$$Financial\ Component = \frac{Lowest\ Price}{Price} \times 50\%$$

The successful candidate will be selected based on the final score calculated as follows:

$$Final\ Score = technical\ component + financial\ component$$

Proposals from individuals/companies who are not currently contracted by the project will be given preference.

Inputs from the Consultant

The consultant is expected to provide their own laptop computers and other professional support if necessary.

**Ministry of Housing and Environment**  
Republic of Maldives

Ref: (IUL)138-AS2/1/2010/1096

**Invitation for Interested Consultant: Develop  
Guidelines for Climate Risks Resilient Land Use  
Planning**

The Ministry of Housing and Environment is seeking a consultant to develop guidelines for climate risks resilient land use planning under the project *Integration of Climate Change Risks into Resilient Island Planning in the Maldives*. Proposals to provide the consultancy services as per the ToR are to be submitted with consultancy fees, service delivery time schedule, a Result-Oriented Curriculum Vitae with full contact details of three referees and qualifications. The proposals must be submitted in sealed envelopes on or before **21 November 2010 at 1100hrs**. The proposal will be opened at a meeting held at 1100hrs on 21 November 2010 at the following address:

Ministry of Housing and Environment,  
Ameenee Magu, Maafannu, Male' Republic of Maldives  
Tel: +(960) 300 4 127 or +(960) 300 4 300  
Fax: +(960) 300 4 301

**TERMS OF REFERENCE: Consultancy for  
Integration of Climate Change Risks into Land Use  
Planning**

**I. INTRODUCTION AND BACKGROUND**

Ministry of Housing, Transport and Environment (MHE) in collaboration with UNDP is implementing the first climate adaptation project titled "Integrating Climate Change Risks into Resilient Island Planning in the Maldives" under National Adaptation Programme of Action. The project is funded by Least Development Country Fund and UNDP and Co-financed by Government of Maldives.

The objective of the project is to ensure that climate change risks are integrated into resilient island planning and that national, provincial, atoll and island authorities and communities are able to prioritize and implement climate change adaptation measures.

**II. OBJECTIVE**

To integrate risks associated with climate change impacts and adaptation measures into regulations on land use planning in the Maldives

**III. SCOPE OF WORK / EXPECTED OUTPUTS**

- Review land use planning issues and existing regulations, EIA regulation and Environment Protection and Preservation Act (EPPA) of Maldives from the perspective of reducing risks associated with climate change impacts and adaptation to climate change and maintaining natural resilience of the islands.
- Conduct stakeholder workshop to discuss and endorse recommendations from the review of existing land use planning regulation, EIA and EPPA
- Provide recommendations to include climate change risks and adaptation measures into land use planning regulation (Binaaveshi Gavaaidhu 2008) and its amendments

**IV. INDICATIVE TASKS**

- Review of land use planning issues
  - a. Review existing land use planning regulation, EIA regulation and Environmental Protection and Preservation Act of Maldives, and regulations and guidelines on land reclamation, harbor development and coastal protection measures from a climate change risks and adaptation planning perspective
  - b. Review of reports from Detailed Island Risk Assessments in the Maldives (DIRAM) and other studies to feed into land use planning regulation amendments
  - c. Identify land use practices that reduce natural resilience of the islands and increase vulnerabilities to climate change risks
  - d. Prepare a summary of findings and recommendations of existing reports
  - e. Review and assess the costs and benefits of different options for reducing vulnerability of current and future climate change risks through land use planning measures such as maintaining and restoring natural buffers (e.g. coastal ridges, beach rock, coastal vegetation) and siting critical infrastructure based on projected patterns of flooding and beach and coastal erosion
- Provide Environmental Protection Zone guidance
  - a. Develop guidance on function, design and management of Environmental Protection Zone to increase climate resilience

**MALDIVES INLAND REVENUE AUTHORITY**  
MALÉ, REP.OF MALDIVES

Ref No.: (IUL)220-AS1/1/2010/07  
Date: 13 September 2010

**ANNOUNCEMENT**

Registration of Taxpayers

With reference to our announcement (Ref no: (IUL)220-AS1/1/2010/01) made on 26 August 2010, we would like to remind you that all the businesses including companies, partnerships, individuals and others conducting business activities in the Maldives are required to register at this Authority by 31st October 2010.

The Taxpayer Registration Form will be available from the information desk of MIRA during working hours and also it is available for download via our website [www.mira.gov.mv](http://www.mira.gov.mv). If you have queries or clarifications, please contact 332 2261.
