Ref.No: (IUL) 13-K/13/2010/153
Project Number: TEB/2010/101

INVITATION FOR BIDS

Subject: Design and Build of Sewerage Facilities at G.Dh. Thinadhoo

1. The Government of the Republic of Maldives has obtained a loan (hereinafter called "loan") from the French Development Agency (hereinafter called "AFD") and intends to apply a portion of this Fund to finance the Design and Build of Sewerage Facilities in G.Dh. Thinadhoo.
2. The Ministry of Finance and Treasury, on behalf of Ministry of Housing and Environment (the Employer), invites sealed bids from eligible local and foreign firms for Design and Build of Sewerage Facilities in G.Dh. Thinadhoo.
3. A complete set of the Tender Documents may be obtained from Tender Evaluation Section of Ministry of Finance and Treasury, from 23rd November 2010 to 22nd December 2010 between 0830 hrs and 1530 hrs on all working days, upon payment of a non-refundable fee of US\$ 100.00 (One Hundred).
4. Bidders may obtain further information from the following address,
Tender Evaluation Section
Ministry of Finance and Treasury,
Ameenee Magu,
Malé, Maldives,
Tel: (960) 3349295, (960) 3329106
Fax: (960) 3320706, (960) 3324432
E-Mail: tender@finance.gov.mv
5. The Bidder shall furnish a bid security of USD 30,000.00 (Thirty Thousand) which shall be valid for 28 days beyond the validity of the Bid. An advance payment of 15% of contract price will be provided upon submission of an advance payment guarantee.
6. A pre-bid meeting will be held on 9th December 2010 at 1200 hrs Maldivian time at the Ministry of Finance and Treasury.
7. Bids shall be valid for a period of 90 days from the date of bid opening and shall be delivered to the Ministry of Finance and Treasury at the address specified above in Clause 4 of this Invitation for Bids, on or before 1400 hrs Maldivian time on 23rd December 2010, at which time they will be opened in the presence of the Bidders who wish to attend.
8. This Invitation for Bid is also published in the Ministry of Finance and Treasury website www.finance.gov.mv.

**Request for Proposals for
Independent Consultancy to Establish an Enterprise Resource Planning System**

Advertisement No: IL-AFS/2010/66

Date: 22nd November 2010

1.0 Background

The Maldives Monetary Authority (MMA) was established on 1st July 1981, and is endowed with the regular powers and obligations of a central bank under the mandate provided by the MMA Act (1981). To this effect, the MMA issues currency, regulates the availability of the Maldivian rufiyaa and promotes its stability, licenses, supervises and regulates institutions in the financial sector, formulates and implements monetary policy, and advises the Government on issues relating to the economy and financial system in order to foster an environment conducive to the orderly and balanced economic development of the Maldives. A second amendment to MMA Act (1981) has been passed by the Majlis and ratified by the President on 5th April 2007. The new amendment of the Act provides for the autonomy of the MMA by separating the positions of the Finance Minister and the MMA Governor.

In accordance with the Authority's IT strategy to update its operational systems using technology to enhance information flow, gain efficiency and improve controls, MMA is planning to obtain an Enterprise Resource Planning (ERP) system. The proposed product will computerize the major activities of the Authority, which includes issuing currency and providing banking services to the Government of Maldives and all financial institutions in the country.

The ERP component will need to include Procurement/Inventory, General Ledger, Accounts Payable/Receivable, Payroll, Human Resource, Fixed Assets and external interfaces for Automated Clearing House (ACH), Real-time Gross Settlement Systems (RTGS), SWIFT system interface and other payment and settlement infrastructure. It is also expected that the ERP solution should support multi-currency online transaction processing, inquiry/transaction history facilities, currency issues and vault management. In addition, the product should include functionality for foreign exchange (management, remittances, sales/purchases).

MMA is planning to employ a consultant to provide independent consultancy for the analysis of requirements, establishing an integrated accounting system, and providing advisory during implementation of ERP system.

2.0 Scope of Services

Consultancy to establish an Enterprise Resource Planning System at MMA

1. Requirements Analysis:

- Study, document and analyze current business processes
- Establish an integrated accounting system in compliance with IFRS.

2. Solicitation planning and Implementation:

- Work with MMA's ERP team and provide consultancy during implementation of ERP.

We anticipate a period of 2 months for the first task and a period of about 6 months for the second.

3.0 Proposal Evaluation Criteria

Proposals will be reviewed by the Bid Evaluation Committee of the MMA, on the basis of the criteria listed below, and the contract will be awarded to the firm that submits a fully responsive proposal. The criteria are in random order of importance.

* Only shortlisted candidates will be called for an interview.

IV. EXPECTED OUTPUTS/TASKS

- Review existing climate change modeling information for Maldives, (including work undertaken through the national communications to the UNFCCC and the National Adaptation Plan of Action and identify gaps
- Identify data availability and appropriateness for modeling and address data and information paucity issues if required
- Advise and agree upon the most appropriate scenario parameters to be used such as climate variables, time horizon, temporal resolution and spatial resolution. Climate variables may include but not be limited to: precipitation, drought, sea level, wind, temperature.
- Advise and agree upon the most appropriate combination of global models and emission scenarios (e.g. IPCC AR4 models and GHG scenarios) to be used for best estimates of future risks.
- Advise and agree upon the most suitable modeling tool to be used; specify the scale of resolution anticipated from the potential modeling.
- Present a technical report on the results to a workshop of key climate change stakeholders in the Maldives outlining usability and relevance in projecting climate change risks that are relevant to planners.

V. FEE PROPOSAL/PRICE SCHEDULE:

The consultant is expected to include in the proposal a lump sum fee for carrying out this task and this must be accompanied with the detail breakdown of costs

- daily rates for experts and scientists on the team
- cost of any other procurement of goods or services needed to be undertaken during the assignment
- other overhead costs associated to the assignment
- a plan of activities indicating proposed duration including a workshop program

Note: Workshop logistics, organization and costs will be managed and borne by the Project Management Unit. The Consultant is expected to conduct the workshop and present information.

VI. DUTY STATION: Ministry of Housing and Environment, Male', Maldives

VII. EXPECTED DURATION: 1st January 2011 to 30th September 2011

VIII. QUALIFICATION: Minimum of 5 year experience in related field and MSc. related to climatology or eorology or atmospheric sciences and oceanography from a recognized institution

IX. REPORTING REQUIREMENTS: Draft work plan upon signing of the contract and final technical report on outputs of the study.

X. EVALUATION AND SELECTION

The most competitive proposal (best value for money basis) will be awarded the contract. Preference will be given to proponents that provide a financial contribution towards the completion of this activity.

Evaluation of the proposal will be in line with the Government standard procedure and guidelines. Proposals will be evaluated by a panel using a 50% ratio for technical component with a weighting of 40 for qualification and 60 for experience.

Financial proposals will be evaluated based on a 50% ratio using the following price evaluation formula.

Financial Component = Lowest Price ÷ Price × 50%

The final score calculated as follows: ***Final Score = technical component + financial component***

Ministry of Housing and Environment

Ref: (IUL)138-KS1/1/2010/1101

4 November 2010

Invitation for Interested Consultants: Develop an accurate regional climate change model for the Maldives through statistical and dynamic downscaling of Global Climate Change Models to provide projections for use in national and local planning.

The Ministry of Housing and Environment is seeking a consultant to develop an accurate climate change model for the Maldives through statistical and dynamic downscaling of global climate change models to provide projects for use in national and local planning under the project Integrating Climate Change Risks into Resilient Island Planning in the Maldives. Proposals to provide the consultancy services as per the Terms of Reference below are to be submitted with consultancy fees and service delivery time schedule, with full contact details. The proposals must be submitted in sealed envelopes or via email on or before **30 November 2010 at 1200hrs**. The proposal will be opened at a meeting held at 1200hrs on 30 November 2010 at the following address:

Ministry of Housing and Environment,
Ameenee Magu, Maafannu, Male' Republic of Maldives
Tel: +(960) 300 4 127 or +(960) 300 4 300
Fax: +(960) 300 4 301
Email: secretariat@mhte.gov.mv

TERMS OF REFERENCE:

I. INTRODUCTION AND BACKGROUND

The Ministry of Housing and Environment (MHE) in collaboration with UNDP is implementing the first climate adaptation project titled "Integrating Climate Change Risks into Resilient Island Planning in the Maldives" under National Adaptation Programme of Action. The project is funded by Least Development Country Fund and UNDP and Co-financed by Government of Maldives.

Overall goal of the project is to increase the resilience of the Maldives in the face of the climate change and improve the country capacity to respond effectively to climate related hazards. The objective of the project is to ensure that climate change risks are integrated into resilient island planning and that national, provincial, atoll and island authorities and communities are able to prioritize and implement climate change adaptation measures.

A key output of the project is to generate better information on potential climate change effects on atoll and island level risks. This study process proposed is a methodological review of past climate change studies and data analysis, establishment of an approach for statistical downscaling and identification of suitable GCMs after evaluation, statistical downscaling and development of a geo-climate database system.

These climate modeling scenarios are then expected to enhance the quality of information on sea level rise, precipitation, sea surface temperature and the magnitude and frequency of storm events associated with changes in climate.

II. OBJECTIVE

To develop an accurate regional climate change model for the Maldives through statistical and dynamic downscaling of Global Climate Change Models to provide projections for use in national and local planning.

III. SCOPE OF WORK

- Review climate change modeling information for Maldives (including work undertaken through the national communications to the UNFCCC) and identify evident gaps
- Statistical and dynamic downscaling of global climate change models to produce a more accurate regional climate change model for the Maldives
- Communicate the findings from the revised regional climate change model to national and local planners and decision-makers
- Expand and strengthen the composite disaster risk profiles of at least 10 islands based on the revised regional climate change model

Maldives Pension Administration Office

Male', Republic of Maldives

Ref No.: MPAO/I/2010/49

Date: November 21st, 2010

Appointment of External Auditor
Invitation for Expression of Interest

The Government of the Republic of Maldives has received an advance for the Pension and Social Protection Administration Project from the International Development Association (IDA), and intends to apply a portion of the proceeds to eligible payments under the contract for the services of external auditor to obtain a professional opinion on the financial position of Pension and Social Protection Administration Project.

Maldives Pension Administration Office, requires the professional and full service of external auditor based in Male' to determine whether the PMU (Project Management Unit) under MOHF (Ministry of Health and Family) has made adequate arrangements to ensure that the proceeds (whether received from multilateral/ bilateral donors, government of Maldives or other stakeholders) are used only for the purposes for which the moneys was received, with due attention to considerations of economy and efficiency and without regard to political or other non-economic influences or considerations.

The Maldives Pension Administration Office now invites interested eligible parties to submit their proposed costs. Interested parties must provide a Profile including information that demonstrates that they are qualified to perform the services (description of similar assignments, experience in similar conditions, availability of appropriate skills, etc.)

The selection of External Auditor will be based on a transparent and competitive bidding process for which the party is required to submit sealed envelop in compliance with the Terms of Reference / Scope of Work.

Interested eligible parties may obtain further information and outline TOR from www.pension.gov.mv and further information at the address given below from 8:00 TO 16:00 hrs. A pre-bid meeting, which interested bidders may choose to attend will be held at 1400 hrs on **25th November 2010** at the following address.

Maldives Pension Administration Office
Hilaalee Magu, Male'
Republic of Maldives
Phone: +960 330 9908 Fax: +960 330 7759,

Interested parties must submit their proposed costs to the address (by regular mail, emails or fax) and person specified below on or before 13:00 hrs, 5th December 2010. Proposed costs for this assignment will be made public in the presence of bidder's representatives who choose to attend at the address below at **13:00 hrs, 5th December 2010**.
