TOR for Insurance Supervision Consultancy

Technical Assistance: Insurance Supervisory Capacity Building

Project Title: Insurance Supervision

Executing Agency: Maldives Monetary Authority

Implementing Agency: Maldives Monetary Authority
– Non Bank Financial Institutions Supervision Section

Duration: Six months

1. Project Background:

This assignment aims to support the Authority and its technical staff in regulating and supervising the insurance industry within the framework and principles of open economic policies, International Insurance Supervision standards announced by International Association for Insurance Supervisors (IAIS) and in line with the “Insurance Industry Regulation of 2004”.

The overall objective of this project is to provide an appropriate regulatory framework for the insurance industry in Maldives, which is a critical component of the financial services. This project will also provide an opportunity for international insurance experts to contribute to the establishment and development of supervisory mechanisms to monitor the insurance industry in the Maldives. For the time being, it is intended to strengthen the insurance supervisory function of the Maldives Monetary Authority (MMA).

Another aspect of this assignment is to establish a supervisory framework with prudential norms that will enable insurance companies, agents and brokers to comply with their regulatory and supervisory responsibilities. In this regard, MMA is keen to establish off-site and on-site examinations as well as to develop an insurance database that will be useful for policy analysis and to assess the health of the industry.

In this context, capacity building is of utmost priority since the technical staff needs to acquire supervisory skills and analytical capabilities.

2. Objective

The primary objective of this exercise is to strengthen the regulatory capacity of supervising the Insurance Industry within MMA and that would require:

- preparation of a supervisory methodology to support the oversight function; and

- Training of staff in applying the methodology and enforcing regulations.

For this purpose, it is necessary to prepare standard templates and procedures for collecting and reporting financial information by the supervised entities which would help to build up a comprehensive database in MMA.

3. Terms of Reference of Consultant - TOR

The consultant is required to:

- I. Prepare a policy framework consisting of a strategic plan and insurance supervisory mechanism
- a. Discuss with MMA and establish a practical approach to continuously assess the financial health and performance of the insurance industry. This includes the establishment of benchmarks on the financial viability of all constituents in the insurance industry, evaluation of liquidity profile, solvency, asset quality, capital adequacy, earnings and management capacity.

II. On-site examinations: provide hands-on training for the staff in on-site examination procedures:

- a. Develop a comprehensive manual for conducting standardized on-site examination reports, setting out procedures for examining balance sheets and financial statements of insurance companies, agents and brokers, applicable to the Maldivian context.
- b. Provide guidance notes/manual on the various types of enforcement measures that will assure the correction of weaknesses or violations noted in on-site examinations.

III. Off-Site Monitoring and Analysis:

- a. Develop standardized reporting formats for the insurance companies, agents and brokers
- b. Establish on-line (web-based) reporting structure. This would require the development of an off-site monitoring system to ensure that the data provided through reports are regularly reviewed and meaningfully analyzed

- c. Provide hands-on training and assistance in analyzing and interpreting data and information received from insurance companies, agents and brokers and use such information to assess the financial performance of the constituents using ratios and trend analyses.

IV. Establish procedures and guidelines in licensing insurance companies

- a. Provide a framework to be followed in reviewing

Date:02-02-2011

Request for Quotation (RFQ)
For Conducting a Bathymetric Survey at Lagoons of Gan Island

Gan Airport Company Ltd (GACL) invites sealed bids from eligible and qualified bidders for conducting a Bathymetric Survey as part of a preliminary site investigation necessary for the reclamation and dredging works for the extension of Gan International Airport Runway, construction of Runway End Safety Areas and other facilities.

The scope of work for this project will include a survey area of 101 hectares at the west of the island and 4.7 hectares at the east of the island in complying with the following requirements. A graphic showing detail of the areas to be surveyed can be found at Gan Airport Company's website by pointing at <http://ganairport.aero/rfps-rfqs-itbs.html> or simply searching for the keyword "bathymetric"

The survey shall be conducted using a GPS integrated echo sounder with a horizontal accuracy of less than 0.5m and vertical accuracy of less or equal to 0.1m. In case of shallow water area or in shore line, lead or leveling staff shall be used.

The Interval of survey lines shall be 50 m in general and less than 20 meters where specified (see the graphic). The frequency of echo sounder for sounding survey shall be 210 KHz equivalent.

All depth contours shall be given referenced to Mean Sea Level at the survey location. This shall be based on the tide observation records at Gan International Airport, harmonic analysis of tide shall be executed and tidal constituents shall be calculated for the major four (4) constituents of tide. The objective of the harmonic analysis of tide is to establish the Datum Level, MSL, HWL and LWL for runway extension design and construction work

The horizontal coordinate system shall be U.T.M. based on WGS 84 as map datum

The scale of bathymetric mapping shall be 1:1,000. The contour interval of bathymetric maps shall be 0.5m or less m. Final 1:1,000 scale sounding map shall be digital and shall be created by using AutoCAD.

Final drawings of the completed survey shall be submitted before end of February 2011

Interested bidders may obtain further information and guidance on making site visits via email by writing to info@ganairport.aero email by writing to

Quotations must be submitted to the address below at or before 18th of November 2010. Bids will be opened in the presence of the bidders' representatives who choose to attend in person at the address below on 20th February 2011 at 10am.

Camp Coordinator for SAARC Youth Camp

Terms of Reference

Program: SAARC Youth Camp

Post: Camp Coordinator

Background:

Since SAARC began its journey more than two decades back, off and on, short-term activities have been organized in understanding youth related issues. Policy interventions need to be made and programs that meet the need of the youth need to be revived and revitalized. In view of this, the first ever step was laid at the 14th SAARC Summit (New Delhi, April 2007) by the adoption of a first-ever SAARC Cultural Agenda, where the Leaders decide to institutionalize holding SAARC Youth Camp in the Region.

This laid the foundation for the first ever SAARC Youth Camp to be held in Bangladesh 2007, followed by the Youth Camp in Sri Lanka (2008). In continuing with the series of cross-cultural ties, Maldives takes the initiative to host the 3rd (third) SAARC Youth Camp in 2009. The 3rd SAARC Youth Camp provides a life-changing week of adventure, self discovery, friendship, cultural exchange, leadership building and above all, youth to gather and voice out ideas on a same platform. A week to share best practices in different countries with regard to involvement of young people in development can be exchanged.

Responsibilities:

- Organize focus group discussions to plan the program with government and diplomatic officials.
- Establish a task force and supporting co-groups to carry out the program.
- Ensure all the tasks delegated are carried according to the plan of the program.
- Provide efficient effort to achieve program objectives.

Specific Duties:

- Prepare a planning detailed schedule for the program.
- Plan according to the scope of the program provided.
- Prepare the standard executive plan of the program after the discussions with the government and diplomatic officials and co-groups before the beginning the program.
- Monitor the program.
- Assign volunteers and delegate specific tasks to them.
- Execute a perfect plan and achieve all the milestones and specific date/time on the program agenda.
- After the completion of the Youth Camp, coordinator should provide a report to the Ministry within seven days.

Qualifications:

- Diploma in project management or equal other diploma or higher academic certificate.
- 3 Years experience in relevant field.
- Experience in organizing and camp conducting will be an added advantage.

Appointment:

1 month contract

**JOB OPPORTUNITY TO WORK FOR
A PROJECT FUNDED BY AN INTERNATIONAL ORGANIZATION**

We are looking for an ambitious and dedicated person to take on the role of a Marketing and Business Sector Expert for “Fisheries and Agricultural Diversification Programme” (FADIP) funded by the International Fund for Agricultural Development (IFAD). The FADIP focuses on to develop smallholder agriculture value chains and Maldives fish processing value chains, using a market-driven commercialization and diversification strategy in a manner that would improve and sustain the incomes of the two primary target groups.

POST:

Marketing and Business Sector Expert

DURATION OF THE ASSIGNMENT:

15 Month

RESPONSIBILITIES:

The marketing and business sector expert, under the direct supervision of the PIU Programme Coordinator, will work closely with the government, the PIU and with other relevant donors, as per Terms of Reference below:-

- Assist the Programme Manager with the management and direction of two Business Implementation Officers (BIOs), two Agricultural Implementation Officers (AIOs), and a Fisheries Implementation Officer (FIO) to be recruited by the Programme
- Support private sector interest in the fisheries sector in the Programme
- Facilitate market access for agriculture Value Chain Cooperatives (VCCOs) (and potentially also for fisheries sector Value Chain Companies (VCCs), with a particular (but not exclusive) focus on establishing contacts and linkages with the market end of the supply chain (the BIOs/AIOs/FIO will work more closely with the production end of the supply chain)
- Support to VCCOs and VCCs in accessing and maintaining markets, through the signing of forward supply contracts
- Assist the BIOs/AIOs/FIO and the VCCOs/VCCs with the preparation of business plans
- Work with BIOs/AIOs/FIO to develop an institution building approach to VCCOs/VCCs
- Coordination of FADIP activities with those of other donor projects, with a particular focus on coordination of work ongoing under the IFAD Post Tsunami Agriculture and Fisheries Rehabilitation Programme, and an Asian Development Bank project which is supporting the creation of Business Development Service Centres
- Support to VCCOs in accessing finance and equipment (through the Programme and through Bank of Maldives and the Maldives Finance Leasing Company)
- Facilitation of component 2 (financial services) in coordination with the PIU Programme Manager
- Other tasks requested by the Government and the PIU Programme Manager to implement FADIP
- Work as part of the PIU team to ensure that the work programme is regularly updated to reflect progress and anticipated timelines
- Assist with data collection necessary for monitoring and evaluation

EDUCATIONAL QUALIFICATION AND EXPERIENCE:

- A PhD or post graduate qualification (Masters) in a related aspect of international development.
- A minimum of 10 years experience in project management of multi-cultural teams.
- Excellent communication skills and ability to write clearly in English to international reporting standards.
- Strong ability to multi task in challenging environments.
- Previous work experience and an understanding of horticulture and livestock (poultry) production and fisheries in the Maldives.

Number: (PR)177-A1/1/2011/2
Date: 31st January 2011

PRESS RELEASE

Advisory Committee on Arts Established

The Ministry of Tourism, Arts and Culture has appointed an Advisory Committee on arts to act as a public oversight body that will oversee the programs implemented from state funds as well as to facilitate technical expertise and advice on arts policy. The Committee will also help to formulate a set of guidelines that will form the basis for an Arts Council Act.

According to the Ministry, once an Arts Council is

established through an Act or by a Presidential Decree – as stipulated in the Government Strategic Action Plan 2011 – 2013, the Advisory Committee will be dissolved. In addition to formulating a draft of the Arts Council Act, the interim Advisory Committee will also advise the Ministry, the National Center for the Arts (NCA) and the National Art Gallery (NAG) in planning and implementing arts related programs and activities.

The Advisory Committee on the Arts comprise of the following members:

Mr. Mohamed Fayid Farouk / M. Hulhanguge
Ms. Fathimath Nahula / Ma. Kabeelaage
Mr. Mohamed Niyaz / H. Lunchmead
Mr. Ahmed Shujau / M. Alihandhuvaruge
Mr. Mohamed Munthasir / H. Aasmaanuvilla
Mr. Mohamed Ishan Saeed / M. Nirolhu
Mr. Abdul Majid / G. Creamge
Ms. Xiena Saeed / H. Meerubahuruge
