

Ministry of Finance and Treasury
Male', Republic of Maldives

Ref.No: (IUL) 13-K/13/2011/79
Project Number: TEB/2011/39

INVITATION FOR BIDS

Subject: Construction of harbor at Aa.Ukulhas.

1. The Ministry of Finance and Treasury, on behalf of Ministry of Housing and Environment (the Employer), has decided to extend the deadline for the issue of the tender documents due to a change in the scope of the project **Construction of harbor at Aa.Ukulhas** (Ref No. (IUL) 13-K/13/2011/55) to 21st March 2011.
2. A complete set of the Tender Documents may be obtained from Tender Evaluation Section of Ministry of Finance and Treasury, between **0830 hrs and 1530 hrs** on all working days, upon payment of a non-refundable fee of **US\$ 100.00 (One Hundred)**.
3. Bidders may obtain further information from the following address,

Tender Evaluation Section
Ministry of Finance and Treasury,
Ameenee Magu,
Malé, Maldives,
Tel: (960) 3349266, (960) 3329191
Fax: (960) 3320706, (960) 3324432
E-Mail: tender@finance.gov.mv
4. The Bidder shall furnish a **bid security of USD 8,000.00 (Eight Thousand US Dollars)** which shall be valid for 28 days beyond the validity of the Bid. An advance payment of 15% of contract price will be provided upon submission of an advance payment guarantee.
5. A pre-bid meeting will be held on **22nd March 2011 at 1100 hrs** Maldivian time at the Ministry of Finance and Treasury.
6. Bids shall be valid for a period of **90 days** from the date of bid opening and shall be delivered to the Ministry of Finance and Treasury at the address specified above in Clause 3 of this Invitation for Bids, **on or before 1100 hrs Maldivian time on 4th April 2011**, at which time they will be opened in the presence of the Bidders who wish to attend.
7. This Invitation for Bid is also published in the Ministry of Finance and Treasury website www.finance.gov.mv.

Ministry of Finance and Treasury

Ref.No: (IUL) 13-K/13/2011/78
Project Number: TEB/2011/08

INVITATION FOR BIDS

Subject: Construction of Breakwaters at M.Mulah Harbour, Maldives(Re-Tender)

1. The Ministry of Finance and Treasury, on behalf of Ministry of Housing and Environment (the Employer), invites sealed bids from eligible local and foreign firms for **Construction of Breakwaters at M.Mulah Harbour**.
2. A complete set of the Tender Documents may be obtained from Tender Evaluation Section of Ministry of Finance and Treasury, **from 13th March 2011 to 23rd March 2011** between **0830 hrs and 1530 hrs** on all working days, upon payment of a non-refundable fee of **US\$ 100.00 (One Hundred)**.
4. Bidders may obtain further information from the following address,

Tender Evaluation Section
Ministry of Finance and Treasury,
Ameenee Magu,
Malé, Maldives,
Tel: (960) 3349295, (960) 3329106
Fax: (960) 3320706, (960) 3324432
E-Mail: tender@finance.gov.mv
5. The Bidder shall furnish a **bid security of USD 12,000.00 (Twelve Thousand US Dollars)** which shall be valid for 28 days beyond the validity of the Bid. An advance payment of 15% of contract price will be provided upon submission of an advance payment guarantee.
6. A pre-bid meeting will be held on **22nd March 2011 at 1200 hrs** Maldivian time at the Ministry of Finance and Treasury.
7. Bids shall be valid for a period of **90 days** from the date of bid opening and shall be delivered to the Ministry of Finance and Treasury at the address specified above in Clause 4 of this Invitation for Bids, **on or before 1200 hrs Maldivian time on 31st March 2011**, at which time they will be opened in the presence of the Bidders who wish to attend.
8. This Invitation for Bid is also published in the Ministry of Finance and Treasury website www.finance.gov.mv.

- vi) Access improvement (reef entrance channels, jetties and quay walls)
- vii) Over-water structure development
- viii) Any other significant coastal development or constructions
- ix) A monitoring and evaluation framework for coastal protection standard
- A final comprehensive document on Guidelines for Climate Risk Resilient Coastal Protection in the Maldives for high level political endorsement

VII. FEE PROPOSAL/PRICE SCHEDULE:

The technical proposal must be submitted together with a lump sum fee for carrying out this task along with a financial proposal containing a breakdown of the lump sum fee. The proposal must remain valid for 90 days after the date of submission and include:

- daily consultancy rates
- details of the team leader, key members including their qualifications, experience and roles and responsibilities and duty stations
- international travel only* and accommodation
- cost of any other procurement of goods or services needed to be undertaken during the assignment
- other overhead costs associated to the assignment
- methodology for formulation of the Guidelines for Climate Risk Resilient Coastal Protection in the Maldives document including breakdown of activities and timeframe for the separate activities
- a plan of activities including a half a day seminar program
- details of consultancies or any other work the team leader and key members are or will be involved in during the duration of the contract.

Notes:

**The cost of domestic travel only will be covered by the Integrating Climate Change Risks into Resilient Island Planning Project and are NOT to be included in the financial proposal for this consultancy.*

The UN Daily Subsistence Allowance rate for Maldives can be used as a reference. The single currency for price conversion is United States Dollars. The source of official selling rate is the Maldives Monetary Authority. The date of exchange rate is 10 February 2011.

VIII. DUTY STATION:

Ministry of Housing and Environment, Male', Maldives

IX. EXPECTED DATE OF CONTRACT:

1 May 2011, the estimated duration for this assignments is 2.5 calendar months.

X. QUALIFICATION:

- A degree from a recognized university or tertiary level institute in coastal engineering, environmental science, oceanography or civil engineering. A Post Graduate qualification in relevant field of academic study is preferred. A post graduate qualification with a research focus on coral island coastal processes, coastal climate risk planning or coral island coastal engineering is highly desirable.

- At least 5 years working experience in coastal impact assessment, coastal structure design or similar experience related to the assignment. Previous working experience in a similar geographical setting is desirable. Experience in the Maldives is highly desirable.
- Practical research experience in coral island geomorphology and coastal processes is also highly desired.
- A very good understanding of Climate Change issues, adaptation and coastal infrastructure planning.
- Have the capacity to work on the islands in demanding weather conditions.
- Have excellent interpersonal skills and demonstrated ability to work in a team environment.

XI. EVALUATION AND SELECTION

The method of selection is Quality and Cost based selection.

Technical score

- (i) Specific experience of the Consultants relevant to the assignment: [10]
- (ii) Adequacy of the proposed methodology and work plan in responding to the Terms of Reference:
 - a) Technical approach and methodology [20]
 - b) Work plan [10]
 - c) Organization and staffing [10]
 - Total points for criterion (ii): [40]
- (iii) Key professional staff qualifications and competence for the assignment:
 - a) Consultant 1 Team Leader [20]
 - b) Consultant 2 [Insert position or discipline] [10]
 - c) Consultant 3 [Insert position or discipline] [10]
 - Total points for criterion (iii): [40]

The number of points to be assigned to each of the above positions or disciplines shall be determined considering the following three subcriteria and relevant percentage weights: 1) General qualifications – 20 percent 2) Adequacy for the assignment 50 percent, 3) Experience in similar geographically similar countries 30 percent

- (iv) Participation by nationals among proposed key staff [10]

Total points for the four criteria: 100

The minimum technical score S(t) required to pass is: 75 Points

$S(f) = 100 \times (F_m / F)$, in which S(f) is the financial score, F_m is the lowest price and F the price of the proposal under consideration.

The weights given to the Technical and Financial Proposals are:

$T = [0.8]$, and $F = [0.2]$

Clarifications may be sought not later than 2 days before the submission date. The address for requesting clarifications is:

E-mail: hussain.naeem@mhe.gov.mv copied to najfa.razee@mhe.gov.mv

- Prepare guidelines for climate risk resilient coastal protection and adaptation
- Conduct stakeholder seminar to discuss and endorse recommendations from the review and assessments of existing land use planning regulation, EIA regulation and EPPA and other relevant laws and regulations
- Conduct high level stakeholder meeting to present and endorse the Guidelines for Climate Risk Resilient Coastal Protection in the Maldives

IV. INDICATIVE TASKS

The consultant's work will include but not be limited to the following:

- Identify stakeholders and island communities most relevant for understanding, discussing and evaluating the situation with respect to integrating climate change risks into resilient island planning
- Conduct field visits to discuss and analyse situation with respect to coastal protection, harbour development, land reclamation, flood and drainage control from the perspective of integrating climate change risks. Field visits will include 2 islands in each of the following 4 atolls; Haa Dhaalu, Kaafu, Dhaalu and Gaafu Dhaalu. Domestic travel cost only will be borne by the ICCRRIP Project.
- Specify climate change resilience and risk assumptions requiring guidance support and seek agreement.
- Review of coastal protection issues
- Review existing land use planning regulation, EIA regulation, EIA process, Environmental Protection and Preservation Act, Land Act and regulations, and the guidelines on land reclamation, harbor development and coastal protection measures from a climate change risks and adaptation planning perspective
- Review of reports from Detailed Island Risk Assessments in the Maldives (DIRAM), cost benefit analysis of 3 islands, coastal monitoring reef island shoreline dynamics and management implications, survey on adaptation measures and other studies to feed into land use planning regulation amendments
- Identify land use practices that reduce natural resilience of the islands and increase vulnerabilities to climate change risks
- Review, assess and analyze various coastal protection measures and practices in the Maldives and other small islands like Maldives including conventional adaptation, soft adaptation and traditional measures.
- Review and assess the costs and benefits of different options for reducing vulnerability of current and future climate change risks through land use planning measures such as maintaining and restoring natural buffers (e.g. coastal ridges, beach rock, coastal vegetation) and critical infrastructure based on projected patterns of flooding and beach and coastal erosion
- Prepare a summary of findings and recommendations on the issues, identifying weaknesses and malpractices and social and economic costs and benefits associated with old and new coastal development and protection practices.
- Provide necessary amendments to the Land Use Planning Regulation by defining the environmental protection zone in the context of climate risk resilience in the Maldives
- Provide guidance based on function, design and management of

environmental protection zone to increase climate risks resilience of islands

- Provide necessary guidance and propose amendments to land use planning and EIA regulation, EIA process and EPA as necessary to better address climate change adaptation in the Maldives.
- Provide standards for best practices in coastal development activities undertaken by various sectors such as tourism, fisheries and others.
- Produce a document on guidelines for climate risk resilient coastal protection in the Maldives that can be endorsed at highest political level
- Prepare a draft document and organize and conduct a half day seminar to present the findings to the stakeholders and policy makers for discussion and comment.
- Produce final document on Guidelines for Climate Risk Resilient Coastal Protection in the Maldives

V. TARGETED STUDIES, ASSESSMENTS, LAWS AND REGULATIONS

- List of reports for review should include but not be limited to:
 - a. Survey of Climate Change Adaptation Measures in the Maldives by Dr. Ahmed Shaig
 - b. The Detailed Risk Assessment in the Maldives (DIRAM) reports
 - c. Coastal Monitoring, Reef Island Shoreline Dynamics and Management Implications by Dr. Paul Kench in view of adopting 'soft' coastal protection and development measures.
 - d. Cost Benefit Study of Disaster Risk Mitigation Measures in Three Islands in the Maldives
 - e. Environmental Impact Assessment Regulation
 - f. Environmental Protection and Preservation Act of Maldives
 - g. Maldives National Building Code (Bill)
 - h. Land Use Planning and Building Act (Bill)
 - i. Maldives Land Law

VI. RECOMMENDATIONS AND OUTPUTS

- A summary of findings and recommendations on the issues, identifying weaknesses and malpractices.
- An analysis of social and economic costs and benefits associated with old and new coastal development and protection practices.
- amendments to the Land Use Planning Regulation on the environmental protection zone
- Guidance and proposed amendments to land use planning and EIA regulation, EIA process and EPA.
- Standards for best practices in coastal development.
- Develop comprehensive guidelines on climate risk resilient coastal protection for high, medium and low impact coastal developments. This should include but not limited to the following:
 - i) Infrastructure developments
 - ii) Land reclamation
 - iii) Beach replenishment
 - iv) Harbour development (dredging, quay wall and breakwater development)
 - v) Coastal protection (erosion prevention measures)

Ministry of Housing and Environment

Date: 10 February 2011

No: (IUL)138-KS1/1/2011/17

Invitation for Interested Consultant: Formulation of Guidelines for Climate Risk Resilient Coastal Protection in the Maldives

The Ministry of Housing and Environment is seeking a consulting team with international and local knowledge and experience to formulate guidelines for climate risk resilient coastal protection in the Maldives under the project *Integrating Climate Change Risks into Resilient Island Planning in the Maldives (ICCRRIP)*. Technical and financial proposals to provide the consultancy services as per the terms of reference below are to be submitted with a results-oriented curriculum vitae and contact details of three referees and relevant qualifications in sealed envelopes to the following address before 1100 hrs Thursday, 17 March 2011. Documents submitted electronically to the email addresses below prior to the deadline will be accepted.

Integration of Climate Change Risks into Resilient Island Planning in the Maldives Project

Ministry of Housing and Environment,

Ameene Magu, Maafannu, Male' Republic of Maldives

Tel: +(960) 300 4 127 or +(960) 300 4 300

Fax: +(960) 300 4 301

Email: secretariat@mhe.gov.mv

cc: najfa.razee@mhe.gov.mv

Website: <http://www.mhe.gov.mv>

TERMS OF REFERENCE: Consultancy for formulation of Guidelines for Climate Risk Resilient Coastal Protection in the Maldives

I. INTRODUCTION AND BACKGROUND

The Ministry of Housing and Environment in collaboration with UNDP is implementing the first climate adaptation project, Integrating Climate Change Risks into Resilient Island Planning in the Maldives (ICCRRIP) under the National Adaptation Programme of Action. The project is funded by the Least Development Country Fund and UNDP, and is co-financed by the Government of Maldives. The overall goal of the project is to increase the resilience of the Maldives in the face of climate change and improve the country's capacity to respond effectively to climate related hazards. In addition, the project aims to ensure that climate change risks are integrated into resilient island planning and that national, provincial, atoll and island authorities, and communities are able to prioritize and implement climate change adaptation measures.

Currently there are no written guidelines on how to build climate change resilience into erosion control, land reclamation or harbour development. Environmental Impact Assessment (EIA) requirements are generic. Various studies such as Detail Island Risk Assessment in the Maldives (DIRAM) make recommendations on good and bad practices.

The consultant will work closely with the Environment Protection Agency (EPA) and other relevant agencies to address gaps in technical knowledge and know-how on how best to plan and develop harbours, conduct land reclamation, other major developments and manage coastal erosion in a changing climate without increasing vulnerability. Current coastal zone management practices will be reviewed to assess their implications for strengthening or reducing climate resilience. Comprehensive technical guidelines on climate change resilient coastal protection, with separate chapters on climate change resilient harbour development, land reclamation and coastal erosion control will be produced and finalized through stakeholder consultations with relevant national, atoll and island authorities and sector specialists. The Project will build on studies undertaken on erosion by EPA, the ICCRRIP project and the Maldives Environment Management Project (MEMP).

II. OBJECTIVE

The objective of this consultancy is to formulate a guidelines document for climate risk resilient coastal protection planning in the Maldives. These guidelines should be formulated through participatory approach and recommend amendments to the Land Use Planning and Environmental Impact Assessment (EIA) regulations and Environment Protection and Preservation Act (EPPA) of Maldives, National Building Code and Maldives National Building Act and Maldives Land Act as necessary to better address climate change adaptation and provide pragmatic evidence based advocacy for high level political endorsement for the coastal protection guidelines document.

III. SCOPE OF WORK

- Source, define and obtain agreement for the development targets to be achieved with respect to climate change resilience and risk mitigation and the climate change risk scenarios to be considered in the guidelines document.
- Assess past and current development practices and coastal protection measures that have had negative impacts such as the reduced natural resilience of the islands and increased vulnerability of the islands to climate change risks
- Review the existing coastal development planning process, engineering designs and, construction implementation and monitoring processes and practices for high, medium and low impact coastal developments from a climate risk planning perspective. These include land reclamation, harbour development, erosion prevention and other coastal protection measures.
- Review the existing EIA process and other policy and legal frameworks for coastal development planning and implementation.
- Formulate objectively verifiable, quantitative standards for coastal land use with respect to coastal development including safe setbacks, land reclamation, infrastructure etc. For example setting a minimum elevation with respect to the high wave energy zone.
- Provide an objective quantitative performance monitoring and evaluation framework for monitoring delivery of the proposed standards.
- Carry out stakeholder consultations to gather information and views.

Vacancy Announcement: Legal Officer

TCL is seeking a young, dynamic individual with a pleasant personality, good interpersonal skills for the post of Legal Officer who will play a key role in managing the Legal Department of the company.

Responsibilities:

- Handle operational and administrative matters involving legal issues.
- Interpretation and application of legislative and other related instruments on the activities and operations of the company
- Seek guidance on complex issues from the Company Lawyer.
- Prepare legal advice, in consultation with Company Lawyer, on diverse substantive and procedural questions, which may include those related to administration and management
- Drafting and preparation of contracts, agreements and other legal documents; as necessary, in consultation with Company Lawyer
- Participate in negotiations and settlement of claims and disputes.
- Represent the organization in administrative proceedings.
- Serve on various standing boards and committees as required.
- Carryout all tasks required for the transfer the ownership of existing lease agreements to TCL
- Carryout all lease agreement related tasks for the lease of new plots, change of leasee etc.

Requirements:

- Diploma in Law, Diploma in Shariah and Law or Diploma Business Administration. Preference will be given to applicants with Diploma in Law or Diploma in Shariah and Law
- Fluency in Dhivehi and English
- Strong organizational and interpersonal skills

Place of work

- Male' Office at FEN Building, Ameenee Magu, Male' 20375

Benefits:

- Total pay package: Mrf 12,000 – Mrf 15,000 depending on qualification
- Health Insurance for staff and dependants
- Other allowances and benefits provided as per company's HR policy.

Application should include the following:

- (1) Cover letter
- (2) Curriculum Vitae
- (3) Copies of certificates and transcripts
- (4) Copy of national identity card

Only short listed applicants will be notified and informed for an interview

Please submit application on or before 1400hrs of 17th March 2011 to:

Managing Director

Thilafushi Corporation Limited

4th Floor, Fen Building, Ameenee Magu, Malé, Maldives

E-mail: admin@tcl.com.mv

For further information, please contact 3307515

Applications submitted via email will also be accepted.

**MINISTRY OF ECONOMIC DEVELOPMENT
GOVERNMENT OF MALDIVES**

VN/06/2011

13 March 2011

VACANCY NOTICE

POST: 2 DESK OFFICERS

(RE-ANNOUNCEMENT)

MED is looking for Desk Officers to work in the Regional Business Development Service Centre (BDSC)

The tasks of the BDSC Operational Desks within Province office will include:

1. Provision of BDS products to start-ups and established MSME in local regions;
2. Provision of basic consulting services for business planning and business counseling, identification, and provision of information;
3. Arrangements in specific consulting services in coordination with the central BDSC desk in Ministry of Economic Development, Malé;
4. Facilitation services for market access and finance;
5. Coordination of local needs (consultancy, financing, etc.) in close consultation with the central BDSC desk;
6. Establishment of a performance measurement framework for measuring operational results related to the centers' activities, including support to entrepreneurs and publish on a quarterly basis information book gathered regarding the number of business plans prepared, financial applications processed supported by the BDSC, breakdown of clientele by sector and size of enterprises, courses provided and participants in each course, evaluations of each training course, and other activities relating to BDSC operation.
7. Monitoring of regular SME loans in the region.
8. Other tasks requested by the Government.

QUALIFICATION

- Should have a degree in business or economics or equivalent degree in related fields and extensive working knowledge and background in Micro, Small and Medium Enterprise development and working knowledge in the field of BDS.

DURATION OF THE ASSIGNMENT

The duration of the assignment is 12 months.

WORK SITES

Each BDSC Desk Officer will be working in one of the following sites

- LH. Felivaru (Province Office),
- GDh. Thinadhoo (Province Office)

MONTHLY SALARY: MRF 15, 000/-

FURTHER INFORMATION

Further information will be provided upon request through email to sme@trade.gov.mv or call 3333 134, 3333 149

In this context, the Ministry of Economic Development invites interested candidates to send applications, along with CVs and copies of academic qualifications (attested and accredited) before 16:00 hrs on 24th March 2011 to:

Ministry of Economic Development, Boduthakurufaanu Magu, Male', Maldives
Or email applications to: hr@trade.gov.mv

Australian Development Awards: Announcement for the intake commencing in academic year 2012

Australian Development Scholarships & Australian Leadership Awards Scholarships

The overarching goals of Australia's Development Awards are: to develop capacity and leadership skills so that individuals can contribute to development in their home country; and to build people-to-people linkages at the individual, institutional and country levels. Development Awards include Australian Development Scholarships (ADS) and Australian Leadership Award Scholarships (ALAS).

ADS in Maldives are available for study at Bachelor as well as Masters level in bilaterally agreed priority sectors. Scholarships are available in the public category for government employees, and a small number of scholarships are also available in the open category. The ADS aim to strengthen human resource capacity. Alumni are expected to contribute to improved service delivery and development outcomes in Maldives upon their return.

ALAS are academically prestigious awards offered to high achieving candidates. ALAS is an open scheme and any eligible Maldivian citizen may apply. To be successful, candidates must have the potential to assume leadership roles that can influence social and economic policy reform, development and governance in their home countries and the region. ALAS are available for Masters and PhD studies.

The Australian Agency for International Development (AusAID) is pleased to invite applications for the 2012 intake

Priority Areas:

ADS for the Maldives are offered at Bachelors and Masters level in the priority sectors of Education, Health, Environment and Fisheries & Agriculture. A list of eligible courses for ADS is available on the country page of the website www.southasiasholarship.org.

The ALAS are offered at Masters and Doctorate levels in Disability, Economic Growth, Education, Environment, Food Security, Gender, Governance, Health, Human Rights, Infrastructure, Regional Stability, Rural Development, Water and Sanitation.

To ensure equity and broad participation, AusAID encourages women, people with disability, ethnic minorities, people living in rural areas and members of socio-economically disadvantaged groups to apply.

Eligibility requirements

Applicants for both ALAS and ADS must:

1. be a citizen of Maldives and be resident in Maldives or somewhere other than Australia;
2. have a minimum academic IELTS overall score of **6.5 or above** (with no individual band less than 6) or a TOEFL paper-based test score of at least 580, or a TOEFL computer-based test score of at least 237, or a TOEFL internet-based score of at least 92 9). IELTS or TOEFL must be current at time of application and at time of course commencement.
3. not already be following a course of study at a university abroad;
4. not be a permanent resident or have applied for permanent residency in Australia;
5. not be married, or engaged to be married to a person who holds or who is eligible to hold Australian or New Zealand citizenship or permanent residence status;
6. have all prior tertiary learning certificates submitted with the application accredited by the Maldives Qualification Authority.

An applicant for an undergraduate ADS must also:

1. be less than 30 years of age on 1 January of the year of application;
2. have 3 passes in the GCE A/L examination with grades 'C' or above obtained in one sitting OR a diploma in a related field/discipline;
