**INVITATION FOR EOI FOR THE DEVELOPMENT OF VALUE CHAIN COMPANIES**

**INVITATION FOR THE EXPRESSION OF INTEREST (EOI) FOR THE DEVELOPMENT OF VALUE  
CHAIN COMPANIES FOR THE PRODUCTION AND MARKETING OF HIGH VALUE  
AGRICULTURAL AND FISHERIES COMMODITIES INVOLVING PRIVATE SECTOR PARTNERS  
AND SMALL PRODUCERS**

**Description of Requirement**

The Government of Maldives has obtained a loan from the International Fund for Agricultural Development to help finance the Fisheries and Agricultural Diversification Programme. The Programme strategy is to ensure access for poor and low income producers, and women, to high value quality niche food markets where premium prices can be earned. To achieve this, the Programme would establish value chain companies jointly with private sector partners. The companies would ensure producers receive proper information, are trained in applying high quality standards in production and processing, have access to the required loan resources for working capital and processing equipment and fulfil orders properly and in a timely manner. Each company would enter into long-term commercial agreements with customers in high-end quality markets, either domestically (e.g. resorts, supermarkets) or for exports. The value chain companies would develop and own specific brands, which would meet quality and food safety standards compatible with high end market positioning.

**Expression of Interest**

In this connection the Government of the Maldives is requesting written 'Expressions of Interest' (EOI) from eligible private sector companies with relevant experience, know-how and access to high value markets and the required operational and financial capacity to collaborate with the Programme on the basis of a Memorandum of Understanding and an equity investment in the value chain company.

**The EOI shall consist of the following:**

- a) A brief profile of the applicant, including (if applicable) current experience in the management of similar production and direct purchase activities by the applicant;
- b) A brief concept paper on the selected high value commodity or commodities, of interest to the partner; the scope of the value chain to be developed, the main outline of a possible business strategy with an indication of the target markets and the proposed marketing modalities; the possible location of the production base and the scope of small producers involvement.

**Important Notice**

The EOI does not constitute a solicitation. The Government of Maldives reserves the right to change or cancel the requirements at any time during the EOI and/or solicitation process. Thus by submitting a reply to an EOI does not automatically guarantee that the firm will be considered for receipt of the solicitation when issued.

Any queries and clarification that the potential firms may have, and GoM considers necessary for the EOI, may be directed to the correspondence address given below.

**Additional information**

Queries can be addressed to the Programme Implementation Unit, Ministry of Fisheries, Agriculture and Marine Resources. A Programme Summary and a draft Memorandum of Understanding are available on request.

## REQUEST FOR EXPRESSIONS OF INTEREST

Maldives Mobile Phone Banking Project

### CONSULTING SERVICES

Project ID: MPBP

Credit No. Cr. CR4393/MV: MALDIVES: MPBP

Expressions of Interest

The Maldives Monetary Authority (MMA) *has received a credit from the International Development Association (IDA)*, and intends to apply part of the proceeds of this credit to payments under the contract for consultancy services for designing and conducting a public awareness and marketing campaign for the above project.

MMA is in the process of implementing Maldives Mobile Phone Banking project. The objective of the project is to significantly increase the use of banking system transactions for effecting or receiving payments for labor, goods and services nationwide through the implementation of a national inter-operable payments system that facilitates access to financial services and allows users to create and access their bank account using any mobile phone operator and cashing through any banking agent.

The MMA requires the services of a consultancy firm to create public awareness on how to use the mobile phone banking services (Keesaa). The company is required to provide (i) Strategic input and direction on marketing and communications campaign for Keesaa, including input on brand, positioning, and messaging, (ii) Lead responsibility for campaign development and execution, and (iii) Designing concepts and executing all creative concepts, and materials for various planned media, including TV, radio, print (newspaper, flyers), outdoor (billboards, posters, etc.), launching and promotional events and (iii) Advising on media mix and creation of media plan, outlining budget and expenditure by media. The duration of this assignment will be 12months.

The Maldives Monetary Authority now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, detailed description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

A consultant will be selected following Selection Based on the Consultants' Qualifications (CQS) in accordance with the procedures set out in the World Bank's *Guidelines: Selection and Employment of Consultants by World Bank Borrowers*, May 2004, Revised October 2006 and May 2010.

Interested consultants may obtain further information from MMA website at <http://www.mma.gov.mv/TORDIMC.pdf>

A compulsory pre-proposal briefing session will be held for all the interested parties on 21st April 2011 at 1400hrs at MMA Building (2nd Floor) Auditorium.

Expressions of interest must be delivered to the address below by 28th April 2011. Before handing over the Expression of interest to MMA each party should provide a pitch for the Keesaa marketing campaign and then hand over the Expression of interest.

**REQUEST FOR EXPRESIONS OF INTEREST**  
**Provision of Community Training Services**

The Government of Republic of Maldives has received a credit from the International Development Association (IDA) towards the cost of Maldives Environmental Management Project, and intends to apply part of the proceeds to payments under the contract for the Services of NGOs, Not for Profit Organisations or similar training service providers to deliver community based training.

The overall objective of the assignment is to provide community training relating to key project themes in targeted islands within the North Province of Republic of Maldives.

To be eligible the organisations must have previous experience in delivering training to the community in general and to selected interested community groups (WDC, schools, environment clubs) using the critical thinking approach to learning in at least two of the key areas identified below.

- Waste management and small scale composting
- Terrestrial fauna and flora
- Erosion and beach management
- Coral reef ecosystems

There are 46 inhabited islands in the Project area; however, the Marine Research Centre and the Environmental Protection Agency have tentatively identified 18 inhabited islands (Annex 2) to participate in Coral Reef, Terrestrial Ecosystem and Erosion Monitoring Programs being implemented under the Project.

The Organisation must have previous experience in developing and delivering training programs using community tool kits and or other supporting materials. It is proposed that the training will be principally based on or around existing materials developed for the Maldives under MEMP and other previous Projects. The Organisation should, however, have the capacity and capability to adapt materials as necessary to make them relevant to the proposed training program.

The Ministry of Housing and Environment now invites eligible NGO's, Not for Profit or other organizations to submit their interests in providing these services. Interested organisations must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, general qualifications and number of key staff and so forth).

The Organisation will be selected in accordance with the procedures set out in the World Bank's *Guidelines: Selection and Employment of Consultants by World Bank Borrowers, May 2004, revised October 2006 and January 2011.*

Interested Consultants may obtain further information at the address below.

The expressions of interest must be delivered to the address (by regular mail, emails or fax) and person specified below before **1100 hours** local time on **April 28, 2011.**

**Australian Development Awards: Announcement for the intake commencing in academic year 2012**

**Australian Development Scholarships**  
**& Australian Leadership Awards Scholarships**

The overarching goals of Australia's Development Awards are: to develop capacity and leadership skills so that individuals can contribute to development in their home country; and to build people-to-people linkages at the individual, institutional and country levels. Development Awards include Australian Development Scholarships (ADS) and Australian Leadership Award Scholarships (ALAS).

ADS in Maldives are available for study at Bachelor as well as Masters level in bilaterally agreed priority sectors. Scholarships are available in the public category for government employees, and a small number of scholarships are also available in the open category. The ADS aim to strengthen human resource capacity. Alumni are expected to contribute to improved service delivery and development outcomes in Maldives upon their return.

ALAS are academically prestigious awards offered to high achieving candidates. ALAS is an open scheme and any eligible Maldivian citizen may apply. To be successful, candidates must have the potential to assume leadership roles that can influence social and economic policy reform, development and governance in their home countries and the region. ALAS are available for Masters and PhD studies.

The Australian Agency for International Development (AusAID) is pleased to invite applications for the 2012 intake

**Priority Areas:**

ADS for the Maldives are offered at Bachelors and Masters level in the priority sectors of Education, Health, Environment and Fisheries & Agriculture. A list of eligible courses for ADS is available on the country page of the website [www.southasiascholarship.org](http://www.southasiascholarship.org).

The ALAS are offered at Masters and Doctorate levels in Disability, Economic Growth, Education, Environment, Food Security, Gender, Governance, Health, Human Rights, Infrastructure, Regional Stability, Rural Development, Water and Sanitation.

To ensure equity and broad participation, AusAID encourages women, people with disability, ethnic minorities, people living in rural areas and members of socio-economically disadvantaged groups to apply.

Eligibility requirements

**Applicants for both ALAS and ADS must:**

1. be a citizen of Maldives and be resident in Maldives or somewhere other than Australia;
2. have a minimum academic IELTS overall score of 6.5 or above (with no individual band less than 6) or a TOEFL paper-based test score of at least 580, or a TOEFL computer-based test score of at least 237, or a TOEFL internet-based score of at least 92 9). IELTS or TOEFL must be current at time of application and at time of course commencement.
3. not already be following a course of study at a university abroad;
4. not be a permanent resident or have applied for permanent residency in Australia;

5. not be married, or engaged to be married to a person who holds or who is eligible to hold Australian or New Zealand citizenship or permanent residence status;
6. have all prior tertiary learning certificates submitted with the application accredited by the Maldives Qualification Authority.

**An applicant for an undergraduate ADS must also:**

1. be less than 30 years of age on 1 January of the year of application; and
2. have 3 passes in the GCE A/L examination with grades 'C' or above obtained in one sitting OR a diploma in a related field/discipline.

AusAID will seek to ensure that wherever possible, undergraduate level ADS awardees undertake Bachelor degrees of no more than 3 years duration. Only when no suitable 3 year course is available will the selection panel consider supporting 4 year course options.

An applicant for a Masters level ADS must also:

1. be less than 45 years of age on 1 January of the year of application;
2. have completed a tertiary level qualification at least equivalent to an Australian Bachelor degree; and
3. select a masters course not longer than 2 years in duration.

An applicant for a Masters or PhD ALAS must also:

1. have completed a tertiary level qualification at least equivalent to an Australian Bachelor degree; and
2. not have held a scholarship for study outside Maldives in the 24 months preceding the application.

Successful candidates will commence studies at an Australian institution from January 2012. Recipients of scholarships are required to return to Maldives after completing their studies. They should also be willing to actively participate in the Australia Awards alumni program.

**To Apply:**

Applications are open from 11 March 2011 and close at 6pm on 31 May 2011.

Applicants are strongly encouraged to apply online at <http://oasis.ausaid.gov.au>. Applicants should first read the country profile, applicant handbooks and instructions on how to apply at [www.southasiascholarship.org](http://www.southasiascholarship.org).

Please contact the South Asia Scholarships Program (SASP) Office if you require assistance. Hard copy applications will also be available if required from the SASP website and office.
