**REQUEST FOR EXPRESSION OF INTEREST**

**Consultancy for the Integrating Climate Change  
Risks into Resilient Island Planning in the Maldives  
(ICCRIP)**

The Ministry of Housing and Environment in collaboration with UNDP is implementing the first climate adaptation project, *Integrating Climate Change Risks into Resilient Island Planning in the Maldives (ICCRIP)* funded by the Least Development Country Fund, UNDP, and co-financed by the Government of Maldives. The overall goal of the project is to increase the resilience of the Maldives in the face of climate change and improve the country's capacity to respond effectively to climate related hazards.

Currently there are no written guidelines on how to build climate change resilience into erosion control, land reclamation or harbour development. The consultant will work closely with the Environment Protection Agency (EPA) and other relevant agencies to address gaps in technical knowledge and know-how on how best to plan and develop harbours, conduct land reclamation, other major developments and manage coastal erosion in a changing climate without increasing vulnerability. Current coastal zone management practices will be reviewed to assess their implications for strengthening or reducing climate resilience. Comprehensive technical guidelines on climate change resilient coastal protection, with separate chapters on climate change resilient harbour development, land reclamation and coastal erosion control will be produced and finalized through stakeholder consultations with relevant national, atoll and island authorities and sector specialists.

The objective of this consultancy is to formulate a

guidelines document for climate risk resilient coastal protection planning in the Maldives. These guidelines should be formulated through participatory approach and recommend amendments to the Land Use Planning and Environmental Impact Assessment (EIA) regulations and Environment Protection and Preservation Act (EPPA) of Maldives, National Building Code and Maldives National Building Act and Maldives Land Act as necessary to better address climate change adaptation and provide pragmatic evidence based advocacy for high level political endorsement for the coastal protection guidelines document.

The Ministry of Housing and Environment is seeking a consulting team with international and local knowledge and experience to formulate guidelines for climate risk resilient coastal protection in the Maldives and now invites interested eligible consultancy firms to indicate their interest in providing these services. Interested firms must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions and general qualifications and number of key staff, and so forth). Consultants may associate to enhance their qualifications.

A consultant will be selected in accordance with the procedures *set out in the Ministry of Finance and Treasury's, Public Finance Regulation, Chapter 15 – Public Procurement, September 2010.*

Interested consultants may obtain further information on request by writing to the address below.

The expressions of interests are expected to be submitted to the address below by (regular mail, emails or fax), no later than **May 24, 2011, 1400hrs (Local time).**

Mr. Saamee Ageel  
Director General

**MINISTRY OF ECONOMIC DEVELOPMENT**  
GOVERNMENT OF MALDIVES

(IUL)101-AF/1/2011/16

11 May 2011

**VACANCY NOTICE**

**POST: 1 ECONOMIC DEVELOPMENT ASSOCIATE**

MED is looking for an Economic Development Associate (Foreigner) to work in the Private Sector Development Project (PSDP) for short term.

**PROJECT BACKGROUND**

In April 2010 MEDT began implementation of the ADB Private Sector Development Program in Maldives. This program promotes the increase of incomes and employment opportunities within selected value chains of Maldives' Agriculture, Fisheries, Arts and Crafts sectors by raising the efficiency of input, production, processing, and marketing businesses, and strengthening the business skills of MSMEs and of those who want to start an MSME.

The tasks of the BDSC Economic Development Associate will include:

- Support the TL in preparing Project Investment Profiles (PIP) of MSMEs within the Value chains of the targeted sectors.
- Prepare and study the financial aspects of the MSMEs that apply for CSF and provide opinion to the TL about its feasibility.
- Draft the contracts for the service providers as part of the CSF procedures.
- Draft the TOR of the consultants needed to support the development of the value chains.
- Support the TL and the PSDP team in all aspects of the projects including data collection and follow up with BDSCs.
- Undertake the needed research and procurement of inputs needed to support the value chains as requested by the CSF applicants.
- Participate in the CSF applications screening.
- Engage the prospective youth clients in the PSDP and liaise with Maldivian Youth organizations to help develop PIPs for specific youth income generation projects in the North and south.
- Help in data collection and support the Monthly and the quarterly reporting.
- Do others tasks as requested by the TL.

**QUALIFICATION**

- Should have a BA in economics
- Aware of work related to economic development in the Maldives

**DURATION OF THE ASSIGNMENT**

The duration of the assignment is 6 months.

**WORK SITE**

Ministry of Economic Development

**MONTHLY SALARY:** USD 1500/-

**FURTHER INFORMATION**

Further information will be provided upon request through email to [info@bdsc.gov.mv](mailto:info@bdsc.gov.mv) or call 3333 134, 3333 149  
In this context, the Ministry of Economic Development invites interested candidates to send applications, along with CV and copies of academic qualifications (attested and accredited) before 16:00 hrs on 19th May 2011 to:

Ministry of Economic Development, Boduthakurufaanu Magu, Male', Maldives  
Or email applications to: [hr@trade.gov.mv](mailto:hr@trade.gov.mv)
