TOR for procuring photographs for the 5th Tourism Masterplan

Announcement Number: (IUL)88-ADHR/88/2022/87

Date: 10.11.2022

The Ministry of Tourism is looking to purchase (with full rights of usage) high quality photographs reflecting the Maldives beauty and attractions to include in the 5th Tourism Masterplan document and other usage of the Ministry. The photographs should not have been used in any publications or any medium. The selection of photographs will be based on relevance to the document, quality and price quoted.

The purchase will acquire the Ministry of Tourism the full rights of the photos to be used by Ministry of Tourism.

The main areas could be:

- *Underwater beauty of fauna / Megafauna / flora*
- *Tourism product*
- *Island Shots – Beaches, natural beauty*
- *Aerial shots of islands and formations*
- *People, culture and livelihoods*

Requirements:

- High resolution raw files (minimum 300 dpi at 2610 x 3900 pixels).
- Horizontal and vertical photos; dramatic angles; close-up, midrange and wide-angle shots.
- Proposed photos should be the property of the photographer.

Documents to be submitted:

- Quotations (A price could be quoted **per photograph** or a proposed number quoted by the photographer).
