Introduction

Service providers are requested to provide their proposals as per the requirement and specifications contained herein the Request for Proposal (RFP). This RFP consists of 2 parts; part 1 defines technical Requirement for IPTV Service to the Maldives National Defence Force Headquarter (MNDF HQ). Part 2 defines Technical Requirement for Cable TV / IPTV Service to the Maldives National Defence Force (MNDF) Area Command Headquarters and Outposts.

Contractor may propose any one Part/lot (i.e., Partial bids) or 2 parts/lots together; however, each proposed part must entirely match the defined requirements (General requirement with the selected part(s)). The Parts/lots are described as follows:

- a. **Part/Lot 1: IPTV Service for MNDF HQ**
- b. **Part/Lot 2: Cable TV / IPTV Service for MNDF Area Command HQs and Outposts**

Technical Evaluation

MNDF shall evaluate and compare the proposals based on the following:

- a. Completeness and responsiveness of proposals.
- b. Compliance with technical specification.
 - The technical proposals of supplier shall be evaluated based on PASS/FAIL criteria.

General Requirements

1. Technical focal point should be identified by the service provider to provide prompt technical assistance to MNDF when required.
2. MNDF SIGNALS must be informed of any major technical works that is scheduled to be carried out OR any major technical faults occurred by the service provider which might lead to any service interruptions and must be informed as soon as the issue(s) rectified and service(s) back running.
3. Bidders must provide the service in accordance with the requirements and specification specified in this RFP. The response should include the bidder's ability to provide the listed channels and the required contents.
4. Bidders should provide technical details and prices separately for each Part/Lot.
5. Bidders are required to provide price details for the monthly subscription and installation charges.

6. Service provider shall include all means, methods, supplies and labor necessary to provide the service.
7. Contents and channel line-up for the Part 1 and Part 2 is in List 1.
