As per Section 35 of the Maldives Banking Act (Law No.24/2010), accounts that has had no transactions relating to it for a period of 5 (five) years shall be determined as a dormant account.

Bank has sent letters to all customers with accounts having no transactions for the last 5 (five) years to revert with an action for the funds in the account. The Maldives Banking Act requires the Bank to publish the names of such account holders in a local newspaper and the Government Gazette. If no response had been received and funds were not claimed by the customers after sixty (60) days of such publication, the funds are to be transferred to Maldives Monetary Authority as required under the said Act.

Please find below with this announcement the list of dormant accounts remaining with the Bank.

To reactivate your account, kindly please submit the “Information Form” and a letter requesting to activate the account to the nearest branch of Bank of Maldives. If a response is not received in writing on or before 31st July 2023, the accounts will be closed and funds in the accounts will be transferred to Maldives Monetary Authority as required under the Act. After the transfer customers may claim these funds by submitting “Dormant Account Claim Form” to the nearest branch of Bank of Maldives.
