- Responses for the clarifications are attached with this document

Queries raised by the Consultants	Response from MoH
1. Size of the conference room	Conference rooms will range from 15' x 10' to 20' x 30'
2. Which platform will be used for video conference: Teams, Zoom, Google Meet, etc...	Mainly Teams, Zoom and google meet.
3. Can the speakers be an integrated model with the cameras (as a single unit) meeting the same specification requirements?	speakers must be modular (separate).
4. Are there any specific technical specifications for the display hub and the table hub?	No specific requirement. should be able to use teams, zoom and file explorers for document opening.
