Estimated project Value/investment value:	

---

## 6.Demands and Expectations:

### Party A

(B. Eydhafushi Council):

- The proposed development adheres to a landscape plan that designates approximately 75% of the land for greenery and plantings, as depicted in the provided drawings.
- The project includes the construction of two play grounds, ensuring recreational opportunities for residents of all ages.
- A pond, strategically located at the corner of the land, will enhance the ecological diversity and aesthetic appeal of the green zone.
- The plan incorporates two lawns as depicted in the drawings, providing open spaces for gatherings and community activities.
- Thoughtfully designed walkways, in accordance with the provided drawings, will ensure easy and accessible movement throughout the green zone.
- In line with the Council's vision, a monument will be erected to symbolize and represent the B. Eydhafushi Council, adding a sense of identity and pride to the area.
- The development will prioritize inclusivity and accessibility, creating an environment that caters to the needs of all age groups within the community.
- The council will allow to move the existing plants and other things in the given land area.
