

Faculty of Engineering, Science and technology - Part-Time Lecturers Request

Department of Environment and Natural Science

#	Subject Code	Subject name	Course	Campus	Requirement for the lecturer
1	PHY013	Physical Science part- B	Certificate 4 in Marine Operation	CMS, Villigili	Degree or Above in a related Field
2	BIO119	Human Biology	Bachelor of Pharmacy	Male'	Master Degree or Above in a related Field
3	CHE115	Pharmaceutical Chemistry 1	Bachelor of Pharmacy	Male'	Master in Pharmacy (or related discipline); or Bachelor in Pharmacy (or related discipline) with minimum 2 years of experience.
4	CHE309	Pharmaceutical Analysis 1	Bachelor of Pharmacy	Male'	Master in Pharmacy (or related discipline); or Bachelor in Pharmacy (or related discipline) with minimum 2 years of experience.
5	BIO125	Essential Physiology for Pharmacy I	Bachelor of Pharmacy	Male'	Master in Pharmacy (or related discipline); or Bachelor in Pharmacy (or related discipline) with minimum 2 years of experience.

Department of Computer Science

#	Subject Code	Subject name	Course	Campus	Requirement for the lecturer
1	CPT129	ICT for Development	Bachelor of Human Resources Management	Male'	Bachelor Degree in Information Technology/Computer Science or higher
2	CPT105	Computer Concepts & PC Application	Bachelor of Accounting and Finance and Advance Certificate in Management	Male'	Bachelor Degree in Information Technology/Computer Science or higher
3	CPT105	Computer Concepts & PC Application	Advance Certificate in Management	Hithadhoo	Bachelor Degree in Information Technology/Computer Science or higher
4	CPT203	Data Structures and Algorithms	Bachelor of Computer of Science	Male'	Bachelor Degree in Information Technology/Computer Science or higher

Department of Engineering

#	Subject Code	Subject name	Course	Campus	Requirement for the lecturer
1	MEC005	Engineering Drawing	Advanced Certificate in Electrical and Electronics Engineering	Male'	Degree or Above in a related Field
2	MEC033	Workshop Technology 1	Advanced Certificate in Electrical and Electronics Engineering	Male'	Degree or Above in a related Field
3	ELE051	Applications of Electrical Principles	Certificate 3 in Electrotechnical Technology	Hithadhoo	Degree or Above in a related Field
4	ELE053	Electrical Installation (Building & Structure)	Certificate 3 in Electrotechnical Technology	Hithadhoo	Degree or Above in a related Field
5	ELE055	Basic Electrical Protection & Safety	Certificate 3 in Electrotechnical Technology	Hithadhoo	Degree or Above in a related Field
6	CPT005	Computer Assisted Design A	Advanced Certificate in Electrical and Electronics Engineering	Hithadhoo	Degree or Above in a related Field
7	ELE003	Electrical Installation	Advanced Certificate in Electrical and Electronics Engineering	Hithadhoo	Degree or Above in a related Field
8	ELE005	Electric Fundamentals	Advanced Certificate in Electrical and Electronics Engineering	Hithadhoo	Degree or Above in a related Field
