1. BACKGROUND AND OBJECTIVE

As payments market evolves and new players enters the market, it increases the complexity of the payments landscape. Hence, as the regulator of the payments market, the Maldives Monetary Authority (MMA) is required to ensure the safety and efficiency of the market, whilst fostering innovations. This necessitates the requirement to strengthen the oversight function to ensure that supervisory and regulatory activities are focused on such innovations and carried out effectively and efficiently.

In line with this, the Payment Systems and Oversight Division (PSOD) was established in 2019. The Division was formed with the primary objective of implementing the oversight function for payment systems within MMA and developing the national payment system by providing a safe, efficient, accessible, inclusive, and interoperable payments and settlement systems for the country.

The MMA is seeking the services of an experienced consultant with the relevant expertise and knowledge, to assist the MMA in the development of oversight framework for payment systems and payment service providers, which is applicable to the current Maldivian landscape and is in line with international best practices.

4. BID EVALUATION METHODOLOGY

- 4.1. The evaluation shall be carried out in full conformity with the provisions of these Bidding Documents.
- 4.2. MMA Bid Evaluation Committee shall evaluate the proposals, in accordance with the following assumptions below.
- 4.3. The Bid Evaluation Methodology proposed in this section provides the framework to evaluate the Bids for the Contract. The methodology includes mandatory, technical and cost evaluation criteria to assess the suitability of bidders for the Contract.
 - 4.3.1. Compliance Evaluation: The Bids shall initially be evaluated for compliance with compliance evaluation criteria and submission of mandatory documents required to be submitted with the bid. The requirements ensure that the vendor has the capability and resources at their disposal to assist MMA in the Project. This evaluation will be conducted by MMA based on the information provided by the Bidder in response to the Evaluation Criteria provided in Section 4.6. MMA will only use the information provided by the Bidder as the base for evaluation along with responses to the clarifications sought by MMA. The Bidder shall submit documentary evidence to demonstrate fulfilment of these evaluation criteria. Bids that do not fulfil the evaluation criteria will be eliminated and will not be assessed further. Bidders that fulfil the requirements in the Compliance Evaluation will be considered as "Short listed" bidders for technical evaluation.
 - 4.3.2. Technical Evaluation: The technical evaluation of the Bidder will be done by MMA based on the evidence of technical expertise to carry out the Terms of Reference as per the Scope of Work provided in these Bidding Documents and the Work Plan submitted by the Bidder. MMA will use the information provided by the Bidder as the base for evaluation along with responses to the clarifications sought by MMA from the Bidder. MMA, after the technical evaluation will rank Bidders as of T1, T2, T3 based on their scores. The categories of technical evaluation have been explained in Section 0. Bids that do not secure the minimum score for technical evaluation as specified in Section 4.7.3 will be eliminated and will not be assessed further.
 - 4.3.3. Cost Evaluation: MMA will evaluate the quoted price to rank Bidders as L1, L2, L3 amongst the bidders as explained in Section 4.8.

- 4.4. The total score shall be based on a combination of the weight of quality and cost scores. The weight for the "technical evaluation" shall be 60% and "cost evaluation" shall be 40%,
- 4.5. The Bidder obtaining the highest total score shall be awarded the contract.

4.6. COMPLIANCE EVALUATION CRITERIA

- 4.6.1. Compliance with these Bidding Documents.
- 4.6.2. The qualifications of the contractor:
