

CONSULTANCY FOR DELIVERING PROJECTS COORDINATION MANDATE IN THE MINISTRY OF ECONOMIC DEVELOPMENT

Introduction

Ministry of Economic Development (MED) is seeking the services of an Individual Consultant to advise the smooth and efficient functioning and delivery of projects preparation and coordination mandate of the Ministry.

Under the new Government, MED has been entrusted to undertake the policy and programmatic responsibilities relating to trade, economic projects, investment and economic development. These include amongst other things;

1. Provide economic and trade policy leadership in the government.
2. Ensuring a conducive and internationally competitive business and commercial environment in the Maldives.
3. Identify strategies for diversification of the Maldives economy and work towards further diversification of established industries.
4. Identify strategies for export development and promotion.
5. Identify and establish market access opportunities with our trade partners and help domestic industries internationalize.
6. Identify and implement investment promotion initiatives.
7. Ensure a fair trading environment where the rights of the consumers are adequately protected.
8. Establish and ensure that standards for trade in goods and services are maintained.
9. Review pending infrastructure programs and design and implement new financial models/ frameworks to deliver these programs more efficiently
10. Coordination and steering of strategic economic projects and investment proposals

Terms of Reference

The Consultant is expected to work alongside the MED team on the following areas:

1. Steer the delivery of government targets relating to projects preparation and coordination.
2. Steer the delivery of government targets relating to investment proposals received by the Government.
3. Steer the delivery of government targets relating to investment promotion.
4. Advise the Minister on policy analysis, formulation and implementation of projects, investments and overall economy.
5. Organize and steer the work of projects and investment policy related committees/ councils.

Qualification

1. The applicant must hold a Bachelors' degree in Economics, Business Administration or related field and must have demonstrate a good command of knowledge in the area of trade, investments and economic development.
2. Experience in the government will be an added advantage
