18th February 2024

Dear Prospective Vendors,

BML is embarking on a transformative journey to leverage data as a strategic asset. We are seeking a highly qualified and experienced Data-Driven ERP Strategy Consultant to advise the Bank on the development and implementation of a multi-year data-centric ERP strategy roadmap. This project will focus on centralizing and modernizing our financial systems, while also building a robust data infrastructure to unlock valuable insights and drive business growth.

Interested consultants are invited to submit their proposals, addressing the outlined key requirements. We look forward to receiving comprehensive proposals from qualified consultants who can support our organization in achieving successful ERP modernization.

Bank of Maldives Background

Bank of Maldives PLC (BML) was inaugurated on November 11, 1982 and is the leading financial institution in the Maldives. BML is a full-service bank engaging across a complete spectrum of personal, SME and corporate financial services. With a nationwide network of 38 branches across all 20 atolls, 85 Self Service Banking Centers, 141 ATMs, over 200 agents and a full suite of Digital Banking services, Bank of Maldives is committed to supporting individuals, businesses, and communities across Maldives.

Key Requirements:

- Collaborate with BML's internal team to assess current data landscape and identify opportunities for improvement.
- Analyze existing processes, identify areas for improvement based on business needs and objectives, to align data utilization strategy with industry best practices.
- Recommend a data infrastructure architecture that aligns with Banking industries specific requirements, considering data warehousing, data lakes, and data analytics tools.
- Develop a high-level roadmap for implementing the recommended data infrastructure solution.
- Provide guidance on data governance policies and procedures to ensure data quality and security.
- Identify and analyze potential risks and challenges associated with the ERP implementation and data infrastructure build-out and recommend mitigation strategies.
- Share industry best practices and insights to ensure BML leverages the latest advancements in data-driven ERP technology.
- Evaluate and recommend leading ERP solutions that align with BML data-driven goals and integrate seamlessly with the chosen data infrastructure.
- Provide expert guidance and support on all aspects of the ERP selection process, including vendor selection, contract negotiation, change management, and training.
- Develop a comprehensive ERP roadmap outlining the migration strategy, implementation timeline, and resource requirements, with a focus on data integration and utilization.

Composition of RFP

1. Cover Letter: A brief cover letter introducing your company and explaining your interest in developing the solution for the BML.
2. Company profile: A concise description of your company, its background, and expertise, along with any relevant certifications, awards, or industry recognition.
3. Proposal: covering the key requirements specified above
4. References: at least three client references that demonstrate the Party's ability to meet BML specific requirements.
5. Details of key technical personnel
 - a) Bachelor's degree in IT, Business, or a related field.
 - b) Minimum of 10 years of experience in data consulting or analytics, with a proven track record of successful projects in the financial services industry.
 - c) Deep understanding of modern data warehousing, data lake, and data analytics concepts and technologies.
 - d) Experience with data governance best practices.
 - e) Experience working with ERP systems in Banking and financial institutions is a plus.
 - f) Ability to work independently and collaboratively within a team environment with excellent communication, interpersonal, and problem-solving skills.
 - g) Demonstrably experience in risk management and mitigation strategies and strong analytical and financial acumen.
 - h) Experience working in a fast-paced environment and managing multiple projects simultaneously.
6. Any other relevant information to support your RFP.

Project duration

The consultancy project should be completed within 60 days after awarding the project unless agreed to by both parties based on the circumstances.

Selection Process

The consultant should have a proven track record in guiding organizations through ERP selection, implementation, modernization, with expertise in cloud migration, change management, vendor evaluation, and business case development. Additionally, the consultant should demonstrate a deep understanding of modern ERP solutions used by Banks and financial institutions and their potential impact on business operations.

Evaluation Criteria

The proposals will be evaluated based on the consultant's capability and proven track records to under the specified key requirements.

Proposals will be evaluated based on the following criteria:

Evaluation Criteria	Weightage %
<p>1. Consultancy Experience in Data-Driven ERP Strategy</p> <p>Evaluation will consider proven experience in providing consultancy for data-driven transformation and ERP strategy specifically within the banking or financial sector.</p>	15%
<p>2. ERP Market and Technology Insight</p> <p>Expertise in current ERP technologies, trends, and best practices suitable for the financial sector.</p> <p>Ability to recommend modern, scalable ERP solutions that fit the bank's future growth and digital transformation goals.</p>	15%
<p>3. Technical Expertise of Key Personnel</p> <p>This criterion assesses the qualifications, technical skills, and professional experience of the personnel designated for project implementation.</p> <p>Evaluation will include the review of reference letters from the banking industry, underscoring the team's proficiency and industry-specific expertise.</p>	15%
<p>4. Project timeline</p> <p>Proposals are scored based on delivery time, with the shortest proposed timeline receiving the maximum score of 5%. Scores for longer timelines are calculated on a pro rata basis against the shortest proposal.</p> <p>Proposals exceeding 60 days are deemed non-compliant.</p>	5%
<p>5. Price</p>	50%

Bank of Maldives will review all submitted RFPs and shortlist vendors based on their experience, qualifications, and relevance to the Bank's requirements. BML may, at its discretion, will be invited to present their detailed proposal request interviews, presentations, and meetings with the vendors to further clarify and discuss the proposals received.

Disclaimer

This RFP is not an offer or invitation by Bank of Maldives for the entry into a binding contractual relationship and does not grant the applicant any exclusivity. This RFP is not intended to constitute a recommendation or to form the basis of any decision to proceed with the RFP and enter binding contract for provision of services as described in this RFP.

BML reserves the right to accept or reject any RFP, and to annul, in whole or in part, or to suspend the bidding process and reject all submissions any time and without reason prior to award, without thereby incurring any liability to the affected bidder.
