Instructions to Consultants¹ Reference Number: MAP/CS/2024/12

14th May 2024

Consultancy Service for Environmental and Social Safeguards Officer

1. The Government of Maldives has received financing from the International Fund for Agricultural Development ("the Fund" or "IFAD") towards the cost of Maldives Agribusiness Programme ("the client" or "procuring entity"), and intends to apply part of the proceeds for the recruitment of consulting services, for which this REOI is issued.

The use of any IFAD financing shall be subject to IFAD's approval, pursuant to the terms and conditions of the financing agreement, as well as IFAD's rules, policies and procedures. IFAD and its officials, agents and employees shall be held harmless from and against all suits, proceedings, claims, demands, losses and liability of any kind or nature brought by any party in connection with Maldives Agribusiness Programme.

- 2. The client now invites expressions of interest (EOIs) from consultants ("consultants") to provide Consultancy Service for 'Consultancy Service for Environmental and Social Safeguards Officer'. More details on these consulting services are provided in the preliminary terms of reference (PTOR) attached as **Annex 1**. The consultant may sub-contract selected activities provided that said services do will not exceed 20% of the total consultancy work.
- 3. Before preparing its EOIs, the consultant is advised to review the preliminary terms of reference attached as **Annex 1**, which describe the assignment and **Clause 9**, **Annex 1** details the evaluation of the technical qualifications.
- 4. The consultant shall not have any actual, potential or reasonably perceived conflict of interest. A consultant with an actual, potential or reasonably perceived conflict of interest shall be disqualified unless otherwise explicitly approved by the Fund. A consultant including their respective personnel and affiliates are considered to have a conflict of interest if they a) have a relationship that provides them with undue or undisclosed information about or influence over the selection process and the execution of the contract, b) participate in more than one EOI under this procurement action, c) have a business or family relationship with a member of the client's board of directors or its personnel, the Fund or its personnel, or any other individual that was, has been or might reasonably be directly or indirectly involved in any part of (i) the preparation of this expression of interest, (ii) the selection process for this procurement, or (iii) execution of the contract. The consultant has

¹ This document refers to legally constituted consulting firms as "consultant".

Consultancy Service for Environmental and Social Safeguards Officer (Ref no: MAP/CS/2024/12)

an ongoing obligation to disclose any situation of actual, potential or reasonably perceived conflict of interest during preparation of the EOI, the selection process or the contract execution. Failure to properly disclose any of said situations may lead to appropriate actions, including the disqualification of the consultant, the termination of the contract and any other as appropriate under the IFAD Policy on Preventing Fraud and Corruption in its Projects and Operations².

- 5. All consultants are required to comply with the Revised IFAD Policy on Preventing Fraud and Corruption in its Activities and Operations (hereinafter, "IFAD's Anticorruption Policy") in competing for, or in executing, the contract.
 - a. If determined that a consultant or any of its personnel or agents, or its subconsultants, sub-contractors, service providers, suppliers, sub-suppliers and/or any of their personnel or agents, has, directly or indirectly, engaged in any of the prohibited practices defined in IFAD's Anticorruption Policy or integrity violations such as sexual harassment, exploitation and abuse as established in IFAD's Policy to Preventing and Responding to Sexual Harassment, Sexual Exploitation and Abuse³ in competing for, or in executing, the contract, the EOI may be rejected or the contract may be terminated by the client.
 - b. In accordance with IFAD's Anticorruption Policy, the Fund has the right to sanction firms and individuals, including by declaring them ineligible, either indefinitely or for a stated period of time, to participate in any IFAD-financed and/or IFAD-managed activity or operation. The Fund also has the right to recognize debarments issued by other international financial institutions in accordance with its Anticorruption Policy.
 - c. Consultants and any of their personnel and agents, and their sub-consultants, sub-contractors, service providers, suppliers, sub-suppliers and any of their personnel and agents are required to fully cooperate with any investigation conducted by the Fund, including by making personnel available for interviews and by providing full access to any and all accounts, premises, documents and records (including electronic records) relating to this selection process or the execution of the contract and to have such accounts, premises, records and documents audited and/or inspected by auditors and/or investigators appointed by the Fund.
 - d. Consultants have the ongoing obligation to disclose in their EOI and later in writing as may become relevant: (i) any administrative sanctions, criminal convictions or temporary suspensions of themselves or any of their key personnel or agents for fraud and corruption, and (ii) any commissions or fees paid or to be paid to agents or other parties in connection with this selection process or the execution of the contract. As a minimum, consultants must disclose the name and contact details of the agent or other party and the

> reason, amount and currency of the commission or fee paid or to be paid. Failure to comply with these disclosure obligations may lead to rejection of the EOI or termination of the contract.

- e. Consultants are required to keep all records and documents, including electronic records, relating to this selection process available for a minimum of three (3) years after notification of completion of the process or, in case the consultant is awarded the contract, execution of the contract.
- 6. The Fund requires that all beneficiaries of IFAD funding or funds administered by IFAD, including the client, any consultants, implementing partners, service providers and suppliers, observe the highest standards of integrity during the procurement and execution of such contracts, and commit to combat money laundering and terrorism financing consistent with IFAD's Anti-Money Laundering and Countering the Financing of Terrorism Policy.4
- 7. Procedure: the selection process will be conducted using Quality Cost Based Selection as laid out in the IFAD Procurement Handbook that can be accessed via the IFAD website at www.ifad.org/project-procurement. The client will evaluate the EOIs using the criteria provided in Clause 9 - Selection Criteria of the Terms of **Reference (TOR).** The shortlisted consultant(s) will be provided with the detailed TORs and asked to submit a detailed technical and financial offer. The evaluation will include a review and verification of qualifications and past performance, including a reference check, prior to the contract award.
- 8. Consultants may not associate with other firms to enhance their qualifications.
- 9. Any request for clarification on this EOI including the PTOR should be sent via email to the address below no later than 18th May 2024, 10:00hrs (GMT+5). The client will provide responses to all clarification requests by 21st May 2024, 15:00hrs (GMT+5).
- 10. **Submission Procedure:** please submit your expression of interest using the forms provided for this purpose. Your EOI should comprise one (1) original copy of each EOI form annexed to this document. EOIs shall be submitted to the address below no later than 28th May 2024, 11:00hrs (GMT+5).

ANNEX 1

PRELIMINARY TERMS OF REFERENCE

Re: Consultancy Service for Environmental and Social Safeguards Officer

Ref: MAP/CS/2024/12

Client 1.

1.1. The client for this assignment is Project Implementation Unit (PIU) under Ministry of Agriculture and Animal Welfare (MoAAW).

2. Background on project

- 2.1. The Government of Maldives (GoM) through the Ministry of Ministry of Agriculture and Animal Welfare (MoAAW) is implementing the Maldives Agribusiness Programme (MAP), which is jointly financed by GOM and International Fund for Agriculture Development (IFAD). The Project Implementation Unit (PIU) set-up within the MoAAW will manage the Program in accordance with the guidelines provided by the design report, implementation manual and under the guidance of the project steering committee and IFAD supervision missions.
- 2.2. The main aim of MAP is to enable small farmers in the Program area to sustainably enhance their production levels, increase income, secure food and nutrition for their household demands and deliver produce to connected markets.
- 2.3. The Programme will be of nation-wide scale, covering all regional and sub-regional hubs, clusters and islands where agriculture is undertaken by small farmers. The main Programme hubs for Programme activities are in region 1-3 are Haa Alif Hoarafushi for region 1. Haa Dhaalu Vaikaradhoo for region 2, and Shaviyani Milandhoo for region 3.
- 2.4. Component 1 of Enabling policy, institutions and services will be nationwide in scope covering all 19 atolls, 21 regions covering 188 inhabited islands of these 98 are inhabited where agriculture is practiced on around 800 registered hectares. Also belonging to the Programme area are 50 uninhabited islands leased for commercial agricultural purposes, with a total of 956 hectares of land of which 24 islands are actively doing agriculture on 582 hectares of land.

6 | 13 درزع فرق 5 ومر ومرورق

+960 303 3411

Consultancy Service for Environmental and Social Safeguards Officer (Ref no: MAP/CS/2024/12)

- 2.5. Component 2 of Climate smart production will initially focus on region 1-3, covering 3 atolls and 40 inhabited islands. Of these, 26 are inhabited agriculture islands with 280 hectares of registered land cultivated by 2,150 registered farmers, and 85 hectares cultivated by 645 non-registered farmers. Within this production area there are 6 active commercial islands cultivating a total of 250 hectares.
- 2.6. Component 3 of Market connection will initially focus on regions 1-3 during the first two years and then expand to regions 4-7 and eventually cover the whole country.

3. Overall objectives

- 3.1. The programmer's goal is to sustainably increase the incomes, food security and nutrition status of small farmer households.
- 3.2. The development objective is to strengthen and enable the environment for sustainable and climate-resilient agriculture. This objective will be achieved through policy refinement, strengthened institutions and services, enhanced agricultural technologies and better access to financing and markets for small farmer households.

4. Objectives of the assignment

- 4.1. The Project Implementation Unit (PIU) wishes to contract an Environmental and Social Safeguards Officer (ESSO). The ESSO will work for PIU, which has been established to support the implementation of the project. The ESSO will work closely with the Project Component Coordinators and s/he will report to the Project Director on the following responsibilities.
 - 4.1.1.Provide overall environmental management oversight during the implementation of the project, supporting and advising the client in addressing a variety of environmental issues at all the stages of the implementation of the Project and in environment related training/awareness raising and coordination activities.
 - 4.1.2.Implement environmental related activities as outlined in the Social, Environmental and Climate Assessment Procedures (SECAP) of the project. Ensure high-quality SECAPs though robust and comprehensive assessments, development of management plans and project activities. The expert will both lead and provide support to others in achieving quality SECAPs
 - 4.1.3. Prepare necessary documents, such as environmental guidelines and tools in consultation with stakeholders and help the client in commissioning and managing additional and/or special studies/assessment, baseline studies, if necessary.

7 | 13 د،رَغُ نُرَدُّ فَى 5 وَمَرْ وَمُرْدِ وِقِ

+960 332 6558

Consultancy Service for Environmental and Social Safeguards Officer (Ref no: MAP/CS/2024/12)

- 4.1.4.Coordination with (i) PIU staff including Monitoring and Evaluations Specialist, Procurement Specialist and Financial Management specialist; and (ii) Establish and ensure efficient and satisfactory progress in implementing the Social, Environmental and Climate Assessment Procedures (SECAP) against the indicators established in the, project action plans.
- 4.1.5. Reporting to the Project Director and IFAD on the overall environmental and social performance of the project as part of PIU's periodic progress reporting all aspects of the project throughout the duration of the project.

5. Scope of work

- 5.1. The overall responsibilities of the Environmental and Social Safeguards Officer (ESSO) include, but are not limited to the following:
 - 5.1.1. Ensuring that each subproject and activities under the project is subjected to the Project Social, Environmental and Climate Assessment Procedures (SECAP) and Environmental, Social, and Climate Management Plan (ESCMP) process and procedures.
 - 5.1.2. Prepare guidelines, tools and notes for use in the project based on relevant environmental policies, acts and regulations/ directives of the Government of Maldives (GoM) and relevant safeguard policies of IFAD and the SECAP;
 - 5.1.3. Orient the project team and farmers on climate-smart agriculture practices and their application, identifying approaches to integrate climate-resilient practices into project activities.
 - 5.1.4.Lead efforts to ensure a grievance redress mechanism is in place, documenting and reporting all complaints.
 - 5.1.5. Support the preparation and implementation of the Safeguard orientation or training program for the project and stakeholders as needed.
 - 5.1.6.Ensure compliance with local and national labour laws and relevant core labour standards when different populations are inducted into the workforce by civil works contractors and subcontractors.
 - 5.1.7. Monitor the implementation of Safeguards related technical assistance and studies, including baselines, midlines, and endline assessments, using simple and practical implementation tools such as checklists, standard operating procedures, and codes of practice.

M.Hazaarumaage, 5th Floor

- 5.1.8. Support the Monitoring and Evaluation (M&E) specialist in incorporating ESCMPrelated key monitoring indicators into the M&E framework; providing technical support in designing data collection tools and methods; and analysing and interpreting data for inclusion in periodic reports.
- 5.1.9.Be responsible for the safeguard aspects of annual and periodic reports, developing project Environmental and Social Monitoring reports, including timely information on the implementation of relevant safeguard instruments and the status of analytical work.
- 5.1.10. Carry out environmental screening of subprojects and activities, and help to prepare subproject or activity specific Environmental Management Plans (EMPs).
- 5.1.11. Organize environmental orientation & awareness, and training for Project staff on safeguards
- 5.1.12. Coordinate and execute managing Initial Environmental Examination (IEE) and Water and Land Use Plan, if necessary and other special studies/ assessment such as hazardous & e-waste management. Prepare environmental information materials and help the client in disseminating the information to the relevant stakeholders;
- 5.1.13. Provide overall policy and technical direction for safeguards management under the Project, as defined by the project environmental and social safeguards instruments;
- 5.1.14. Co-ordinate closely with the technical officers in the Implementing Agencies (IA) in planning and managing project implementation as per the safeguards instruments;
- 5.1.15. Provide necessary technical assistance to facilitate the implementation, management and monitoring of environmental and social safeguards including conducting baseline studies
- 5.1.16. Ensure environmental and social due diligence is carried out for each sub-project as soon as conceptual technical design and scope have been defined, as outlined in the safeguards instruments;
- 5.1.17. Closely coordinate with the PIU and IA technical officers for timely preparation of Environmental/Social Assessments/Management Plans for sub-projects, as necessary (depending on screening outcome);
- 5.1.18. Coordinate with the IAs for hiring technical assistance, where necessary, and for review and endorsement of these safeguard documents

- MAP/CS/2024/12)
 - 5.1.19. Ensure consistency of safeguard documents with national environmental regulations;
 - 5.1.20. Obtain necessary clearances from local authorities for sub-projects, where applicable;
 - 5.1.21. Prepare terms of references to undertake Environmental and Social assessments for complex and new activities and obtain necessary clearances from the IFAD and/or designated project approving agencies;
 - 5.1.22. Manage the consultants hired to undertake environmental and social assessments, where applicable, and provide coordination support with implementation agencies and individuals;
 - 5.1.23. Review draft and final environmental and social assessments for quality and obtain necessary clearances as per the safeguards instruments;
 - 5.1.24. Ensure that applicable measures in the Environmental Management Plans (EMPs) and Social Management Plans (SMPs) are included in the design, and conditions on compliance with EMPs/SMPs is included in the bidding documents liaising closely with the procurement team of the PIU and IAs;
 - 5.1.25. Develop, organize, and deliver environmental and social training programs and workshops for the Implementing Agencies at the field level, contractors, field supervision staff and other implementing agency officials as needed, on safeguard requirements and their management;
 - 5.1.26. Ensure compliance with EMPs and SMPs during the construction period and maintain close coordination and cooperation with the technical teams of the IAs; to monitor the operations and maintenance during the operation of the project;
 - 5.1.27. Prepare additional technical guidelines, if necessary, to support the safeguards instruments in order to strengthen the implementation of environmental and social safeguards;
 - 5.1.28. Ensure adequate public consultation during the preparation of safeguards instruments as defined by the SECAP and Project Appraisal Document;
 - 5.1.29. Ensure public complaints relating to sub-project implementation are addressed with corrective action and adequately documented;
 - 5.1.30. Hold regular review meetings with the technical officers of the IAs and visit selected project sites to monitor implementation of the safeguards instruments;
 - 5.1.31. Prepare routine monitoring reports, in collaboration with the IAs as set forth in the safeguards instruments;

Consultancy Service for Environmental and Social Safeguards Officer (Ref no: MAP/CS/2024/12)
