

Job Opportunity

The Maldives National Single Window (MNSW) Project is an initiative designed to streamline international trade procedures for import and export. This forward-thinking project leverages Information and Communication Technology (ICT) to establish a centralized electronic platform. Through this platform, stakeholders can submit standardized information and documents via a single-entry point. The MNSW Project aims to significantly enhance efficiency and transparency in the import and export process. Join us in revolutionizing international trade operations with cutting-edge technology and streamlined processes. The following positions are open for this transformative project:
