Work 1

Dhenegannama 2: Indicator handbook to protect children from verbal and psychological abuse

- Graphic designer to share two art styles for selection and approval before starting work. Once FPA chooses the preferred art style, the same art style should be used in all the illustrations.
- A guide to the illustrations to be included in the book will be provided by the FPA.
- Estimated 7 – 9 spot illustrations and 2-3 stat infographics will be required.
- The layout should be designed with the texts and illustrations to an A5 size booklet.
- Designer should create the layout of the book which is feasible to printing
- The final version of the graphics and illustrations used in the book should be shared in both PNG and in a relevant editable file format.
- The final version of the book should be shared as PDF file, Print PDF file (with 3mm bleed and slug) and editable source file (Adobe InDesign file with the package)
- Size specification: A5 size booklet
- Graphic designer to share a guide on how to edit the post. This guide shall include.
 - Font
 - Font size
 - Color of the text
 - Alignment instructions
- Previous Handbooks developed can be referred to using the following link;
