Re-Tender for Design and Build of 820 Meter asphalt Road

Thilafushi Corporation Limited (TCL) is a fully owned government entity with a broad mandate to develop Kaafu Atoll Thilafushi and its surrounding areas as an industrial zone.

TCL has decided to develop an Access Road on the existing causeway connecting Thilafushi 1 and Thilafushi Industrial Zone (TIZ). TCL aims to resolve some existing critical issues such as inadequate land connectivity and to facilitate the provision of basic utility and communication network to TIZ.

As the technical bids received for the second call (Ref: TCL/PROC-TA/2016/015) were non-responsive, Thilafushi Corporation wishes to retender and invite financially and technically competent local and international contractors who are interested in undertaking this **Design and Build of 820 Meter asphalt Road** to submit proposals for Thilafushi Access Road Project.
