

# MILK DELIVERY PROCESS

## STEP 1

Ministry of Education informs quantity to STO.

## STEP 2

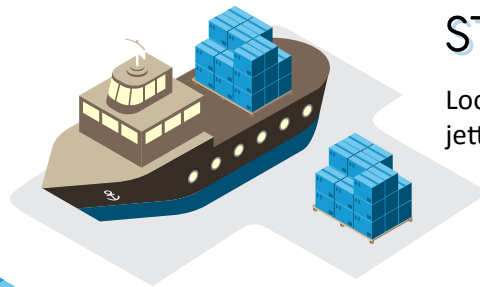

STO delivers quantity to local vessels.

(Delivery will be done minimum 2 weeks before start of month)

## STEP 3

Once loaded STO will email school and call the contractor to update vessels details.

## STEP 4

Local vessel will unload to jetty & go.

## STEP 5

Contractor has to pick the goods from jetty & take to storage.

## STEP 6

Once received contractor has to inform STO that have been received in good condition.

Also end of the month contractor has to update STO with physical stock availability.
