## Section-2: Instructions to Bidders (ITB)

### 1. Scope of Bid

- 1.1. MNU acknowledged in Section 1, Bid Data Sheet (BDS) that the Bidding Document was issued for the procurement of Goods and related services as outlined in Section 3, University's requirements. The BDS contains information on the name and identification.

### 2. Cost of Bidding

- 2.1. Bidders must pay for all expenses associated with preparing and submitting their bids, and MNU will not be held responsible or liable for those costs, regardless of how the bidding process proceeds. The bid, on submission to MNU, becomes the sole property of MNU, and the bidder has no right to reclaim any of the documentation.

### 3. Fraud and Corruption

- 3.1. MNU's policy is that Bidders, Suppliers, contractors, and their agents (whether declared or not), sub-contractors, sub-consultants, service providers or suppliers, and any personnel thereof must follow the highest ethical standards throughout the procurement and execution process. In pursuance of this policy:

- 3.1.1. For the purposes of this provision, the following terms have the meanings ascribed to them below:

- 3.1.1.1. "Corrupt Practice" is, offering, receiving, or soliciting anything of value to interfere with another party's conduct.

- 3.1.1.2. "Fraudulent Practice" refers to any act or omission, including a misrepresentation that is intentionally or negligently made with the intent of obtaining financial or other gain or avoiding an obligation, whether successful or not.

3.1.1.3 “Collusive Practice” is the act of two or more parties coming together to achieve an illegal aim, such as to persuade another party to do something; and

3.1.1.4. “Coercive practice” is affecting or threatening to affect directly or indirectly, any party or the property of a party in order to influence improperly the actions of a party;

3.1.2. will reject the offer, If MNU determines that a Bidder who has been recommended for award, or any of its personnel, agents, sub-consultants, subcontractors, service providers, suppliers or/and employees has engaged in corrupt, fraudulent, collusive or coercive activities in order to win the Contract in question.

#### **4. Eligible Bidders**

4.1. A bidder may be an individual, a private company, a government-owned business, or any other combination of such businesses if the bid is opened for local parties only. Otherwise, the bid is open to all including international parties.

4.2. All Bidders found to have a conflict of interest will be disqualified. A conflict of interest may exist between a bidder and one or more parties in this bidding process, if:

4.2.1. they have controlling shareholders in common; or

4.2.2. for the purposes of this bid, they are represented by the same legal representative; or

4.2.3. they have a relationship with one other, directly or indirectly through common third parties, that gives them the ability to access information about or impact another Bidders bid, or influence MNU’s decisions regarding this bidding process; or

- 4.3. a bidder was a consultant involved in preparing Section 3, which is the subject of the bid; or
- 4.4. Any bidder that is declared ineligible by MNU under ITB 3 on or before the bid deadline, or thereafter, will be disqualified.
- 4.5. This bidding is only available to prequalified Bidders if a prequalification procedure has previously been done.

## B. Contents of Bidding Document

### 5. Bidding Documents

- 5.1. The Bidding Document includes all the documents listed below and should be read in conjunction with any Addenda issued in accordance with ITB 7

- 5.1.1. Bid Form

- 5.1.2. Information to Bidders

- 5.1.2.1. Section 1: Bid Data Sheet (BDS)

- 5.1.2.2. Section 2: Information to Bidders (ITB)

- 5.1.2.3. Section 3: MNU's technical requirement with evaluation criteria

- 5.1.2.4. Section 4: Appendices (forms)

- 5.2. MNU's announcement or invitation for Bids is part of the Bidding Document.
- 5.3. The bidding document shall be obtained from the source stated in the invitation for bids. MNU is not responsible for the incompleteness of the bid document if it was obtained from a source other than those identified in the invitation for bids.
- 5.4. The Bidding Document is a legal document that contains rules, procedures, conditions, and requirements governing the purchase of goods or services. The Bidder must read all instructions, forms, terms, and requirements in the Bidding Document. If the bid does not include all required information or documentation, it will be rejected.

## **6. Clarification of Bidding Document**

- 6.1. The Bidder's designated representative is invited to a pre-bid meeting if provided for in the BDS. This session will be used to address any concerns and answer any queries that may arise at this time.
- 6.2. MNU will respond to any questions in writing or by email as soon as possible before the clarification deadline set forth in BDS.
- 6.3. Minutes of the pre-bid meeting, including the questions submitted without indicating who presented them, and the answers provided, as well as any responses prepared after the meeting, will be sent to all Bidders who are eligible in accordance with ITB 4. Modifications to the Bidding Document that become necessary as a result of the pre-bid meeting/site visit should be made by MNU exclusively through the issue of an Addendum/Amendment in accordance with ITB 7 and not through the minutes of the pre-bid meeting.

## **7. Amendment of Bidding Document**

- 7.1. MNU may modify the Bidding Document at any time before the bid submission by issuing an addendum/amendment.
- 7.2. Each addendum issued will be part of the Bidding Document and notified in writing or email to all those who have obtained it from MNU as per ITB5 or will be published in Gazette.
- 7.3. To give potential Bidders sufficient time to consider an addendum while preparing their bids, MNU may, at its discretion, extend the bid submission deadline under ITB16

## **C. Preparation of Bids**

### **8. Cost of Bidding**

- 8.1 MNU shall not be responsible or liable for any expenses associated with the bid's preparation and submission, and the Bidder will be responsible for all costs.

## **9. Documents Comprising the Bid**

9.1. The bid submitted by the bidder must include all of the documentation listed in ITB 5, appendix-1, the bidder's checklist as well as any additional information requested in MNU's Requirements.

## **10. Bid Prices**

10.1. The Bidder must submit the Bid Form. This form may not be modified in any way and no substitutes are permitted. Any blank spaces on the form must be filled in with the information requested.

## **11. Currencies of Bid and Payments**

11.1. The currency of the bid and the payment currency must be as stated in the BDS.

## **12. Documents Establishing the Qualification of the Bidder**

12.1. If required in the BDS, a Bidder must provide a Manufacturer's Authorization. A Bidder that does not manufacture or produce the Products it offers to sell should submit the document.

## **13. Period of Validity of Bids**

13.1. Bids shall be valid a minimum of 60 days after the bid submission deadline date set by MNU. A bid that is only valid for a shorter amount of time will be rejected by MNU as non-responsive.

13.2. In exceptional circumstances, MNU may request that Bidders extend the duration of their bids before it expires.

## **14. Format and Signing of Bid**

14.1. The Bidder shall submit one original of the documents comprising the bid as described in ITB 5

14.2. The bid must be signed by a person or persons with authority to sign on behalf of the Bidder.

14.3. Amendments, interlineations, erasures, or overwriting must be signed by the person signing the bid.

## D. Submission and Opening of Bids

### 15. Submission, Sealing and Marking of Bids

15.1. Bidders may always submit bids by hand. Bidders may have the option of submitting their bids electronically if this is specified in the BDS. The following are the procedures for sealing, and marking bids:

- Bidders submitting bids by hand shall include the original of the bid in a sealed envelope.
- The bid document should be according to the order specified in the checklist (appendix-1).
- Bidders who do not provide any of the required documents will be disqualified at the bid evaluation stage.

15.2. The envelope shall:

- bid subject, bid submission date and announcement number;
- provide the name and address of the Bidder;
- be addressed to MNU in accordance with ITB 15;

15.3. If envelopes and packages are not properly sealed and labelled as required, MNU will not be responsible for any mistakes or premature opening of the bid.

### 16. Deadline for submission of Bids

16.1. Bids must be submitted to MNU at the specified address no later than the stated deadline and time, which are stated in the BDS.

16.2. MNU, at its discretion, may extend the deadline for bids by amending the Bidding Document in accordance with ITB 7, which would extend all rights and responsibilities of MNU, and Bidders who were previously subject to the deadline.

## **17. Late Bids**

17.1. Any bid received by MNU after the deadline for submitting bids, as set forth in ITB 16, will be declared late, rejected, and returned unopened to the Bidder.

## **18. Bid Opening**

18.1. MNU must open the bid in front of Bidders' designated representatives and others who choose to attend, at the address, date and time stipulated in the BDS. If electronic bidding is allowed according to BDS, any specific electronic bid opening procedures listed in the BDS shall be followed.

18.2. MNU will open the envelopes during the bid submission meeting, reading out the name of the Bidder, the Price(s), alternative bids, and any other information as deemed appropriate. Except for late bids, no bid shall be rejected during the bid opening.

18.3. MNU will create a record of the bid opening that must include at a minimum: the Bidder's name, the Bid Price, and any alternative proposals. The representatives of all Bidders who submitted bids on time should sign the record. The absence of a signature on the record does not render it invalid or impact its contents.

## **E. Examination of Bids**

### **19. Confidentiality**

19.1. The evaluation of bids is confidential and shall not be revealed to Bidders or any other persons not directly connected with the process. Information on the Contract award will not be shared with Bidders or any other individuals until after all submitters have been notified.

19.2. Any attempt by a Bidder to improperly influence MNU's evaluation of bids or Contract award decisions may result in its bid being rejected. From the time of bid opening until

Contract award, if any Bidder wishes to communicate with MNU on any topic relating to the bidding process, it should send a written communication.

## **20. Clarification of Bids**

- 20.1. MNU may request clarification from any Bidder at any time, and the response should be in writing. MNU has the option of asking a bidder for a further explanation of its bid at any time during the bidding process to assist with evaluation and comparison. Any clarifications supplied by a bidder that is not in reaction to a request from MNU shall not be considered.
- 20.2. If a Bidder fails to respond to MNU's request for clarification by the specified date and time, its offer may be rejected.

## **21. Determination of Responsiveness**

- 21.1. MNU will evaluate bids to determine if they meet the required conditions. Each bid must be signed correctly; contain the necessary documents; be adequately responsive to the bidding documents' requirements; and offer any clarification or support that MNU may need to assess their responsiveness.
- 21.2. The Evaluation Committee has the right to modify the eligibility criteria or a particular term in the Bid Document and apply it to all bids in an instance where no eligible or responsive bid is found through the terms of the Bid document.

## **22. Correction of Errors**

- 22.1. MNU will compare the submitted bids to ensure that they are correct. Any arithmetic mistakes will be verified by MNU. Where there is a contradiction between the amounts in words and figures, the amount in figures shall prevail. In either of these cases, unless MNU's opinion is otherwise, the unit rate as quoted will govern, with any obvious gross misplacement of the decimal point in the unit rate corrected.

22.2. The amount stated in the bid will be adjusted by MNU in accordance with ITB 22.1 for the correction of errors, and with the bidder's agreement, it will be regarded as binding on the bidder. If a bidder does not accept the revised amount of the bid, its offer may be ruled invalid.

### **23. Qualification of Bidder**

- 23.1. MNU shall assess the qualifying requirements, if set forth in Section 3, Evaluation Criteria, to determine whether the bid that was chosen as having offered the best proposal and substantially responsive bid.
- 23.2. The evaluation shall be based on an examination of the Bidder's documentation of qualifications submitted by the bid, as required by ITB 12.
- 23.3. The Contract shall be awarded to the Bidder who has received an affirmative determination. A negative determination will result in disqualification of the bid, at which point MNU will proceed to the next highest-rated bidder to assess that bidder's capacity to perform adequately.

### **24. MNU's Right to Accept Any Bid, and to Reject Any or All Bids**

- 24.1. MNU has the right to accept or reject any offer and cancel the bidding process and reject all bids at any time before contract award, with no liability to bidders.

## **F. Award of Contract**

### **25. Award Criteria**

- 25.1. MNU shall select the best-rated and responsive to the Bidding Document, subject to ITB 24, and award the Contract to the Bidder who is determined to be qualified to execute the contract successfully.
- 25.2. At the time a Contract is awarded, MNU reserves the right to increase or decrease the quantity of Goods and Related Services specified in Section 3, Requirements, and without affecting bid unit prices or other conditions.

## 26. Notification of Award

- 26.1. MNU shall notify the successful Bidder in writing that its bid has been accepted before the end of the bidding period. The notification letter must state the amount of money that MNU will pay the Supplier in exchange for the supply of Goods and Related Services.
- 26.2. The notification of award, as it exists now, is a legally enforceable Contract until a formal contract and signature are obtained.
- 26.3. MNU shall simultaneously inform all other Bidders of the outcome of the bidding process via email or post on Gazette, the results, which include the bid as well as the following details:
  - 26.3.1. Name of each bidder who submitted a bid;
  - 26.3.2. bid prices as read out at the start of the bidding process.
  - 26.3.3. name and evaluated pricing of each Bid that was considered.
  - 26.3.4. names of bidders whose bids were rejected for non-compliance or any other reason, as well as the duration and summary scope of the contract awarded. Bidders who lose may request a debriefing from MNU in writing to obtain answers regarding the reasons for their bids not being chosen. MNU must respond promptly in writing to any unsuccessful bidder who requests a debriefing after the contract award.

## 27. Signing of Contract

- 27.1. MNU is required to send the successful Bidder the Contract Agreement immediately upon notification.
- 27.2. The successful Bidder shall sign, date, and return the Contract Agreement to MNU within seven (3) days of receiving it.

**Section-3: Technical requirements with evaluation criteria**

## TERMS OF REFERENCE (TOR)

### Consultancy to Develop Module Outlines for the Bachelor of Primary Health Care at Faculty of Health Sciences, The Maldives National University

*This TOR is in reference to announcement number .....*

---

#### A. Background

The Faculty of Health Sciences at the Maldives National University (MNU) is undertaking the development of module outlines for the Bachelor of Primary Health Care (BPHC) program. This initiative is part of MNU's commitment to offering high-quality education in line with current international best practices and the specific health care needs of the Maldivian context. To ensure the success of this project, MNU seeks to engage a qualified consultant with substantial expertise in primary health care, relevant subject content and curriculum development.

#### B. Scope of Work

Under the guidance of MNU, the consultant will be responsible for developing the modules for the Bachelor of Primary Health Care. The scope of work includes, but is not limited to, the following tasks:

1. **Module Component Identification:** Identify the major component requirements for each subject to be developed, ensuring alignment with current global standards, best practices, and relevance to the Maldivian context.
2. **Development of Subject Outlines:**
  - Create detailed subject outlines, including a synopsis, aims, intended learning outcomes, content, methods of delivery, and assessment procedures.
  - Ensure that the outlines are developed following MNU's guidelines.
  - Participate in accreditation and validation meetings organized by the relevant Faculty Curriculum Committee and the MNU Committee on Courses. Address recommendations and make necessary revisions to the module documents as required.
3. **Resource Identification:** Develop an indicative list of books, resources, materials, and equipment necessary for the core subject areas, including teaching materials and other educational resources.
4. **Capacity Assessment:** Assess the capacity of subject experts/professionals involved in the development of the subject outlines.
5. **Validation Meetings:** Organize and conduct a validation meeting to finalize the objectives, content/topics, and course outline for each subject.
6. **International Collaboration:** Identify opportunities for linkages with overseas educational institutions to facilitate continuous program improvement, curriculum analysis, and accreditation.

7. **Final Reporting:** Submit a comprehensive end-of-mission report summarizing the work undertaken, key findings, recommendations, and any follow-up actions required.

### C. Expected Outputs and Deliverables

The consultant shall be responsible for the following deliverables, ensuring that all documents are submitted first as drafts for review and revision, and later as final documents upon approval by MNU:

DELIVERABLE	DESCRIPTION	ESTIMATED DURATION TO COMPLETE
<b>1. Inception Report</b>	A detailed report outlining the consultant’s understanding of the assignment, methodology, work plan, and timeline.	10 days
<b>2. Draft Subject Outlines</b>	Draft versions of the subject outlines, including all components listed in the scope of work.	60 days (2 months)
<b>3. Validation Meeting Report</b>	A report on the outcomes of the validation meeting, including feedback received, decisions made, and necessary adjustments to the module outlines.	10 days
<b>4. Final Subject Outlines</b>	Finalized versions of the subject outlines, incorporating all revisions following the validation meeting and feedback from MNU committees.	10 days
<b>5. End Mission Report</b>	A comprehensive report summarizing all activities, key findings, recommendations for further development, and potential linkages with international bodies.	10 days

### D. Institutional Arrangement

The consultant will work closely with MNU and will be accountable to the university for each delivery as outlined above. Key institutional arrangements include:

- **Regular Meetings:** Weekly update meetings with the Dean of the Faculty of Health Sciences and fortnightly meetings with the course leader at the faculty. A briefing meeting will be held at the beginning of the assignment, and a debriefing meeting at the end.
- **Reporting:** The consultant is expected to provide regular progress reports and address any issues raised by MNU promptly.

### E. Duration

The assignment is expected to take approximately 2 months, beginning in mid-September 2024. The consultant should propose a clear timeline, taking into consideration the estimated time durations for each deliverable as stipulated above.

## F. Duty Station

The consultant will be based in the Maldives for the duration of the assignment, with the possibility of remote work for certain tasks as agreed with MNU.

## G. Qualifications of the Successful Consultant

The consultant should meet the following qualifications and experience criteria:

- Qualification specified for each subject mentioned in the document ‘Information for Bidders’.
- At least 5 years of experience in Medicine/ Public Health/Primary Health Care
- Previous experience as a lecturer or professor is highly desirable.
- Experience in the region or similar contexts is an added advantage.

## H. Recommended Documents for Submission

Interested candidates should submit the following documents:

- A cover letter outlining the candidate's suitability for the assignment.
- A detailed CV, including the completed P11 form.
- A portfolio (no more than 8 pages) showcasing previous similar work, or consultations undertaken.
- A financial proposal.
- A proposed timeline for the assignment.

## MODULE DETAILS

<b>Module Name:</b> History taking and Physical Examination
<b>Qualifications:</b> MBBS
<b>Experience:</b> Minimum 2 years of experience working/training in related field
<b>Synopsis:</b> The module "History Taking and Physical Examination" is designed to equip students with the essential skills to effectively gather patient histories and conduct thorough physical examinations in a methodical and sensitive manner. This course prepares students for clinical practice by emphasizing the importance of accurate history-taking and the application of systematic examination techniques. Students will learn how to communicate effectively with patients, interpret clinical findings, and integrate these skills into the diagnostic process. This foundational knowledge is crucial for diagnosing and treating diseases, which will be further explored in the subsequent modules "Management of Diseases" and "Clinical Skills 1 and 2." Additionally, students will gain hands-on experience through clinical postings to hospitals and health centers, working with real patients under the direct supervision of a medical officer. By the end of this module, students will be well-prepared to engage in comprehensive patient assessments as primary health care professionals in the Maldives.

<b>Module Name:</b> Management of Disease and Clinical Skills I
<b>Qualifications:</b> MBBS
<b>Experience:</b> Minimum 2 years of experience working/training in related field
<b>Synopsis:</b> The module "Management of Disease and Clinical Skills I" empowers students to understand and manage prevalent diseases in the Maldives. The course covers the causes, transmission, clinical features, complications, and diagnostic investigations of cardiovascular, respiratory, hormonal, gastrointestinal, musculoskeletal, skin, and urinary diseases. Students will develop the ability to make accurate clinical judgments, recommend appropriate treatments, and provide essential patient education. Through a combination of theoretical knowledge and practical skills, this module prepares students to effectively diagnose, treat, and educate patients. Students will also participate in clinical postings to hospitals and health centers, gaining practical experience with real patients under the direct supervision of a medical officer. This hands-on experience enhances their capability to deliver comprehensive health care as primary health care providers.

<b>Module Name:</b> Reproductive and Child Health
<b>Qualifications:</b> MBBS
<b>Experience:</b> Minimum 2 years of experience working/training in related field
<p><b>Synopsis:</b></p> <p>The module "Reproductive and Child Health" prepares students to identify and address reproductive health needs within their communities, tackling emerging issues related to reproductive health. Students will learn to provide comprehensive care for women during pregnancy and the postnatal period and manage reproductive tract diseases and disorders effectively. Additionally, this course develops students' understanding of contemporary child health care, emphasizing health promotion, and the identification and management of common pediatric health problems in the Maldivian community. Students will also benefit from clinical postings to hospitals and health centers, where they will gain practical experience with real patients under the direct supervision of a Specialist/medical officer. By the end of the module, students will be equipped with the knowledge and skills to enhance reproductive and child health outcomes in their communities.</p>

<b>Module Name:</b> Management of Disease and Clinical Skills II
<b>Qualifications:</b> MBBS
<b>Experience:</b> Minimum 2 years of experience working/training in related field
<p><b>Synopsis:</b></p> <p>The module "Management of Disease and Clinical Skills II" enables students to identify the causes, transmission, clinical features, complications, and diagnostic investigations of neuromuscular, ENT, communicable diseases, eye, oral dental diseases, and mental disorders prevalent in the island communities of the Maldives. Students will develop the skills to make accurate clinical judgments, recommend appropriate treatments, and provide essential patient education. Learning will be facilitated through lectures, tutorials, self-studies, and practical exposure to clinical situations. Students will have the opportunity to learn through observation, guided practice, and independent practice on real patients and models. During clinical practice, students will observe and participate in the diagnosis and management of various disorders and diseases. Clinical experience will be gained not only in Male' but also in hospitals and health centers at the atoll and regional levels, under the direct supervision of specialist/medical officers. This hands-on experience will ensure students are well-prepared to deliver high-quality care in their communities.</p>

<b>Module Name:</b> Infectious Diseases and Immunization
<b>Qualifications:</b> MPH with MBBS
<b>Experience:</b> Minimum 2 years of experience working/training in related field
<p><b>Synopsis:</b></p> <p>The module "Infectious Diseases and Immunization" is meticulously crafted to equip primary health care students with the essential knowledge and skills to effectively manage infectious diseases and implement robust immunization programs. Covering the epidemiology, transmission, clinical features, complications, prevention, and control of common infectious diseases, with a specific focus on those prevalent in the Maldives, the course ensures students are well-versed in pathogen identification, immune response mechanisms, and vaccination principles. Emphasizing the pivotal role of immunization in disease prevention and public health, students will also gain comprehensive familiarity with the Expanded Program on Immunization (EPI) in the Maldives, including vaccination schedules, required vaccines, and cold chain management protocols. Through a blend of lectures, tutorials, self-study, and practical sessions, students will acquire a thorough understanding of infectious disease management and immunization practices. Clinical postings to hospitals and health centers offer invaluable hands-on experience, enabling students to actively participate in immunization clinics, patient education, and infectious disease case management under the direct supervision of specialist/medical officers. This practical exposure is paramount for cultivating the skills necessary to meaningfully contribute to public health initiatives and enhance health outcomes within their communities.</p>

<b>Module Name:</b> Non-Communicable Diseases and Prevention
<b>Qualifications:</b> MPH with MBBS
<b>Experience:</b> Minimum 2 years of experience working/training in related field
<p><b>Synopsis:</b></p> <p>The module "Non-Communicable Diseases and Prevention" is meticulously designed to arm primary health care students with the requisite knowledge and strategies essential for combating the escalating burden of non-communicable diseases (NCDs) and implementing effective preventive measures. Through comprehensive study, students delve into the epidemiology, risk factors, clinical manifestations, complications, and management of prevalent NCDs, including cardiovascular diseases, diabetes, chronic respiratory diseases, and cancer. Emphasis is placed on grasping the social, environmental, and behavioral determinants fueling the rise of NCDs both locally in the Maldives and globally, with a focus on evidence-based interventions and public health approaches such as health promotion, lifestyle modifications, early detection, and management strategies. Practical learning experiences encompass lectures, case studies, group discussions, and community-based projects, augmented by clinical postings to hospitals, health centers, and community clinics, offering hands-on opportunities for students to observe and actively participate in NCD management and prevention activities under the expert guidance of healthcare professionals. By the module's conclusion, students emerge equipped with the necessary skills and insights to make meaningful contributions to NCD prevention efforts, fostering healthier lifestyles and enhancing the overall well-being of individuals and communities in the Maldives.</p>

<b>Experience:</b> Minimum 2 years of experience working/training in related field
<p><b>Synopsis:</b></p> <p>The module "International Health" offers students a comprehensive understanding of global health issues, policies, practices, and systems, encompassing both traditional health domains and broader societal factors. In addition to exploring concepts such as health diplomacy, governance, and systems strengthening, students analyze the multifaceted impact of global terrorism, drug mafias, border health, international aid/funding, and globalization on public health. They explore into the intricate intersections between these factors and health outcomes, recognizing their profound implications for international health security and health systems resilience. Through critical analysis and interactive sessions, students develop a proper understanding of the complex interplay between health, security, border management, international aid/funding, globalization, and global governance. This equips them to contribute effectively to holistic approaches in addressing global health challenges in an increasingly interconnected world.</p>

**BID SECURITY FORMAT**

The Issuing Bank shall fill in this Bank Guarantee Form in accordance with the instructions indicated.

\_\_\_\_\_ [Bank’s Name, and Address of Issuing Branch or Office]

**Beneficiary:** \_\_\_\_\_ [Name and Address of Procuring Entity]

**Date:** \_\_\_\_\_

**BID GUARANTEE No.:** \_\_\_\_\_

We have been informed that [name of the Bidder] (hereinafter called "the Bidder") has submitted to you its bid dated (hereinafter called "the Bid") for the execution of [name of contract] under Invitation for Bids No. [Procurement Reference number] (“the IFB”).

Furthermore, we understand that, according to your conditions, bids must be supported by a bid guarantee.

At the request of the Bidder, we [name of Bank] hereby irrevocably undertake to pay you any sum or sums not exceeding in total an amount of [amount in figures] ([amount in words]) upon receipt by us of your first demand in writing accompanied by a written statement stating that the Bidder is in breach of its obligation(s) under the bid conditions, because the Bidder:

- (a) has withdrawn its Bid during the period of bid validity specified by the Bidder in the Form of Bid; or
- (b) having been notified of the acceptance of its Bid by the Procuring Entity during the period of bid validity, (i) fails or refuses to execute the Contract Form; or (ii) fails or refuses to furnish the performance security, if required, in accordance with the Instructions to Bidders.

This guarantee will expire: (a) if the Bidder is the successful Bidder, upon our receipt of copies of the contract signed by the Bidder and the performance security issued to you upon the instruction of the Bidder; or (b) if the Bidder is not the successful Bidder, upon the earlier of (i) our receipt of a copy of your notification to the Bidder of the name of the successful Bidder; or (ii) twenty-eight days after the expiration of the Bidder’s Bid.

Consequently, any demand for payment under this guarantee must be received by us at the office on or before that date.

This guarantee is subject to the Uniform Rules for Demand Guarantees, ICC Publication No. 458.
